

## Items of Interest Gleaned from Our Exchanges

**Pender Republic:** Charles Nye has gone to Hubbard for a visit with relatives.

**Sioux City Journal, 15:** Mrs. Lillie Forbes and Miss Nannie Don, of Dakota City, Neb., were visitors this week with Mrs. W. L. Hardin.

**Sioux City Tribune, 13:** Miss Nannie Don and Mrs. Libbie Forbes, of Dakota City, Neb., were visitors Tuesday in the home of Mrs. W. L. Hardin.

**Wakefield Items in Emerson Enterprise:** Mrs. Louis Cooley and daughter, Mrs. Bruce, returned the latter part of the week from a visit at the Frank Rhody home at Mitchell, S. D.

**Waterbury Items in Allen News:** Bill Woods and family motored to Sioux City Monday afternoon. Miss Dossa Way came home with her aunt, Mrs. G. A. Herrick, from Central City to visit relatives.

**Rosalie Ripsaw:** Enid Brink received a letter Sunday from Miss Helen Graham, a high school teacher in our schools last year, saying that she had knit 10 sweaters since school closed and worked in the surgical dressing department two afternoons a week. Pretty good! Miss Graham is now attending summer school at Wayne.

**Allen News:** Mr. and Mrs. R. Twamley and daughter Mabel and Mrs. Wm. Twamley were Sioux City visitors Friday. Marriage license was issued in the county court of Dakota county at Dakota City on June 3rd to Harold W. Shackelford, of Allen, age 27, and Edna Ballard, nee Edna Delaney, of Emerson, age 22. They were married the same day by Judge S. W. McKinley, of Dakota City.

**Walthill Citizen:** Miss Sylvia Lanson was a Lyons visitor last Saturday afternoon. J. W. Kent went to Homer Thursday evening. W. H. Mason and wife and Mrs. Walt Crowell, were Sioux City visitors last Friday. Miss Helen O'Connor, of Homer, visited Miss Mattie Gorham Sunday and Monday. The seniors in the high school had a picnic at Crystal lake on Tuesday, and today the juniors indulge in a picnic at the same place. Several of the teachers chaperoned the young folks.

**Sioux City Journal, 16:** A. L. Billings, of South Sioux City, who is in service in the navy, has arrived in New York after being rescued from the United States steamship William Rockefeller when it was torpedoed, according to word received by friends here yesterday.

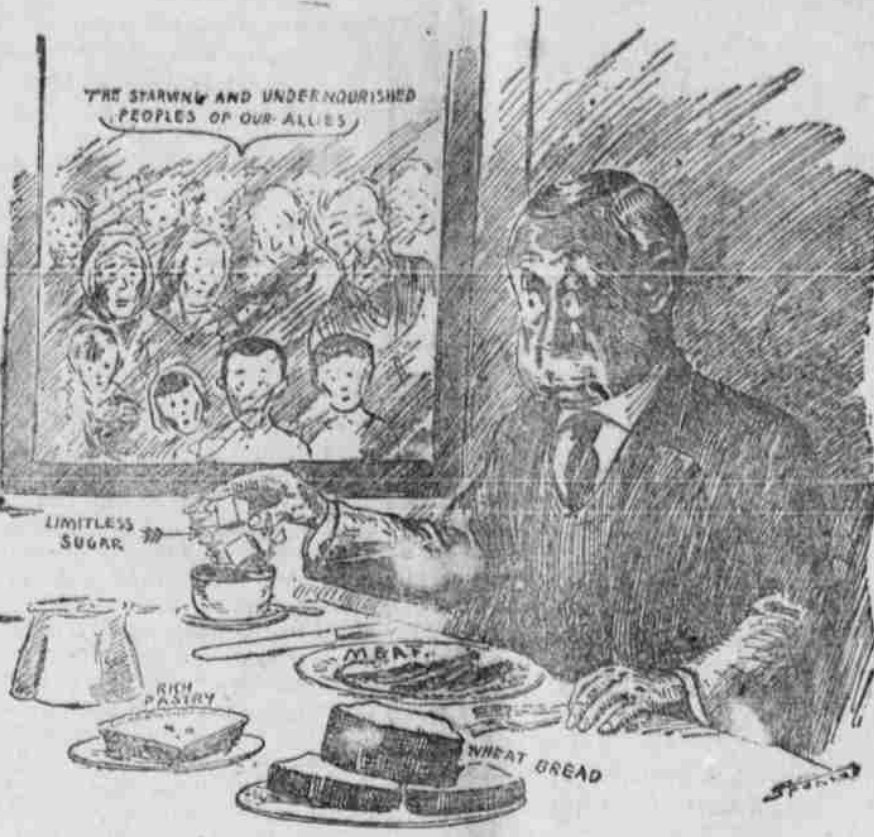

He is expected to return home on furlough within a few days. Santa Fe, N. M., June 15—Elbert G. Blacett, of Friday Harbor, Wash., convicted of the murder of Clyde Armour, of Sioux City, Ia., through his attorney today asked the supreme court for a new trial, alleging that E. C. Abbott, the trial judge because at the same time an officer of the federalized national guard, was not qualified to act, that "mob spirit" was shown in the courtroom and evidence shows that Blacett is of sound mind.

**Wynot Tribune:** Mrs. Spurling and children, of Dakota City, are visiting her sister, Mrs. E. J. Morin. Sylvester Luken, Frances Moran, and Harry McCormick, jr., drove to Wayne Sunday and spent the day. The members of the Brienzo and Mace families, of South Sioux City, whose son and daughter were drowned in the Missouri river ten miles east of here a few weeks ago, were in town last Saturday with their attorney. While The Tribune did not interview the people, it is understood that they are preparing to bring damage suits against Cedar and Dixon counties for the loss of their relatives. It will be remembered that the Brienzo brothers and Miss Mabel Mace drove into the river after dark, there being no obstruction or anything to indicate that the public road between the two counties led into the river. Since the above was written suits have been filed against both Cedar and Dixon counties by both the Brienzo and Mace families.

**Ponca Leader:** Last Saturday evening the Wynot train happened to be delayed about two hours at South Sioux City, and about fifteen passengers from Ponca enjoyed a picnic in the South Sioux City park. The following is the menu, as given by our reporter: Spiced beef, cake, jelly roll, May Day coffee, and also stated that we might add "Dandelion Sauce." No doubt the occasion was much enjoyed. Dixon county with Cedar county has been sued for \$47,000 in damages, as a result of an accident which occurred about three weeks ago, when two men and a 17 year old girl, daughter of Tom Mace, all living at South Sioux City, started for Wynot. They became lost in the vicinity of Maskell and in their wanderings drove into the Missouri river, one of the men and the girl being killed. The parties were going in an opposite direction from the town of Wynot, and were upon the public road between Dixon and Cedar counties, and it is said the north end of the road leading into the river had not been used for several years. Dixon county has been very fortunate in avoiding and defending damage suits in the past.

**Emerson Enterprise:** Miss Kerwin has gone to Jackson to attend the alumni at the Academy of that place. Mrs. Geo. H. Haase and children are spending several days in Omaha at the home of her sister, Mrs. C. Betcke. Homer is making the mistake of removing the hitch-

## JUST IMAGINE THEM OUTSIDE THE WINDOW

If they were standing outside your window, you would not eat the food they need. You would see that each one had all that he needed. Well, they are standing outside your window—the window of the great United States. They must have food and they must have it until Freedom is again assured to all the peoples of the world. The United States must supply the food. "Eliminate wheat, wherever possible, until next harvest, observe rigid economy in sugar, and limit meat to two pounds per person per week."—This joint appeal of Herbert Hoover, United States Food Administrator, and Gordon W. Wattles, Federal Food Administrator for Nebraska, if observed by you, will feed these people.

ing racks from the streets. Soon there will be no provision made for the protection of old Dobbin. The Misses Flossie Thacker and Oliver Leamer, of Homer, and Miss Rose Moore, of Tekamah, were the guests of Miss Floy Poole during the past week. Once more Emerson has demonstrated the superiority of mind over matter by defeating the Jackson team last Sunday by the decisive score of 13 to 6. Charley Harris again called the game and balls, while J. M. Liewer kept the record. The visitors, without the formality of personal nomenclature were: M. O'Neill, B. O'Neill, McCormick, Anderson, Ryan, Kearney, Shehan, Leahy, Marsh. Emerson was represented by J. Connors, W. Greenwood, V. Brustkern, B. Kelsey, Dan Ryan, C. Kelsey, J. Ryan, F. Harris, B. Mallory. There will be no game next Sunday. In two weeks Emerson plays Jackson on the latter's grounds.

**Sioux City Journal, 18:** Cedar and Dixon counties in Nebraska have been made joint defendants in suits just filed at Hartington, county seat of Cedar county, for \$40,000. The actions are brought as a result of an automobile accident on Sunday, May 12, when a big touring car went over a high bank into the Missouri river from the Nebraska side, killing Frank Brienzo, 23 years old, and a girl known as Mabel Mace, and injuring Mickey Brienzo, a brother of Frank. All occupants of the car were residents of South Sioux City, Neb. The accident occurred at a point where the road dividing Cedar and Dixon counties reaches the river. Owing to the fact that farmers had been crossing the ice of the river during the winter the road was well traveled despite the fact that it ran directly to the river, the actions allege. Negligence on the part of the counties in failing to provide barricades between the end of the road and the river is alleged in the petitions. The petition filed in behalf of the estate of the Mace girl by C. R. Metcalf, Sioux City attorney, seeks to recover \$10,000. The other petitions seek an aggregate of \$30,000 for the estate of Frank Brienzo and for injuries suffered by his brother and damages to the car, which plunged over a high embankment and was demolished, according to the petitions. In connection with the suit filed by relatives of the Mace girl, another suit is to be filed shortly in the district court of Dakota county, Neb., seeking to annul a pretended marriage between the girl and Elmer BeVer, alleged to have taken place in March, 1916. Allegations of this petition are that at the time the so called marriage contract was entered into, the girl was only 15 years old, which, according to the Nebraska statute, would nullify the marriage. Acknowledgment on the part of the girl's other relatives that BeVer is her husband would cause him to inherit part of the damage judgment, should any be obtained, it is asserted.

## Lutheran Church Notes

**Rbv. C. R. Lowe.**  
Last Sunday was children's day with us. We had a good program, the music was the best that has been furnished by any board for some time past. The service was in behalf of the Nachusa Orphanage. How glad parents should be, and are, for their children's sake they are spared to them to make a home for them and to train them right. What a blessing to the children God gives them parents. There are so many children who are losing their fathers and mothers. The war has made numberless orphans and its maw is not yet filled. It will take many in our land but not so many mothers will be taken. America should thank God for that and show their thankfulness by seeing that no child suffers for food, raiment and shelter, and we will. Our church has children who are not cared for by parents, for they have none. Nachusa is one place where the church gives them a home. All the support is free will offering. No set money support at all is for Nachusa. But God helps it and feeds the children. The management is efficient and the home has a fine standing in its community now. The children are well behaved and pleasant. Better than ever before. Our offering was \$100.00.  
Last Friday Mr. G. F. Wertz, of Midland college, was a caller at the parsonage. He was here in the interest of the college. The pastor took him to Homer to see some prospects and we visited some of our own people of Salem who have college work in view. Mr. Wertz was much pleased with his trip here.  
We are looking for Mr. Weller to be with us again in September. The object then will be to help our men with their annual canvas for our church funds. You have noticed that under the present system no one is asking you for any money, when you are at church. Pleasant, isn't it. How would you like to go back to the old days? Nobody for that.

There is to be a congregational meeting at Hubbard next Sunday. At that time they will see what they can do toward the support of a pastor.  
May be you think there is no noticeable difference in the way our young people take hold of the music we have for our different services. They get it much easier than when the pastor tried to teach them that first Christmas service. We don't presume to take the credit to ourselves, far from it, for many of them have been taking musical instruction a good deal of the time, and all of them are older, and we have had most efficient help. We were simply saying there has been a notable advance in the line. It is now an object to keep up this work and line it up for the church and God's kingdom. Parents can do much more for this in the home with their own children than the pastor can. Do not let your young folks think they are too big. None ever get too old to sing. We never get too old to sing praises to God. Keep them coming to the church, and come yourself.

During the past week the following quotas have been received for the county:  
67 sweaters,  
720 pairs of socks,  
60 comfort kits,  
8 pairs of summer pajamas,  
36 refugee petticoats.  
The date for finishing these assignments is August 31, or as soon after as possible. The local chapter will make:  
10 sweaters,  
125 pairs of socks,  
10 comfort kits,  
2 pairs of pajamas,  
6 refugee petticoats.  
This work with the 350 paper-backed pads and 35 5-yard rolls which the chapter here must finish for the June quota, will necessarily make the next few weeks very busy ones for Red Cross workers.  
In the future we work in three sections. Garments, knitting, and surgical dressings will be made on a quota basis. National headquarters has ordered chapters to make only those supplies which are called for by division headquarters. In this way the supplies most needed will be turned out by Red Cross workers.  
The central division has asked for a report on all material—kind and amount—in all chapter and branch work rooms, so that quotas may be assigned which will use up material on hand, as far as possible. Hereafter all material is to be bought at the Red Cross supply house. There will be sufficient material at the supply house to complete quotas sent out to chapters. Cutting machines have been installed at the supply house and material will be sent out cut, instead of by the bolt if chapters so desire.

**PIGEON CREEK BRANCH**  
Mrs. Hans Bonnicksen was down from Pigeon precinct Saturday, on Red Cross business.  
The work-room will be open for surgical dressings every Monday evening until further notice.  
Pigeon Creek branch shipped there quota of 20 sweaters for June and 6 extra, 72 towels, 16 bed shirts, 4 pajamas, 1 pair socks.  
There will be a meeting of Pigeon branch A. R. C. Monday evening, June 24, at 8 o'clock, to add more members to the executive committee. All interested in Red Cross work please come.  
Mrs. H. Bonnicksen, Chairman.

## Former Sheriff A. N. Anderson Now Endorses Tanlac

**Prominent Houston Man Says "Money Could Not Buy the Good It Has Done Me."**

"Money could not buy the good Tanlac has done me, and I gladly recommend it for what it has done in my case," said Hon. Archie R. Anderson, of Houston, ex-sheriff of Harrison county, Texas, recently.  
Mr. Anderson is unquestionably not only one of the best known, but one of the most popular men that ever held public office in "The Lone Star" state. After serving as deputy sheriff of Harrison county for twelve years, Mr. Anderson was elected chief of police of the city of Houston. He had occupied this office only a short time when the sheriff of Harrison county died. Mr. Anderson's friends persuaded him to make the race for the unexpired term of sheriff to which he was easily elected. He was honored with re-election seven times and served the people in this important office for fifteen consecutive years. Four years ago Mr. Anderson declined re-election and retired to private life. He cast his lot among the people of Houston and is a large property owner and foremost citizen of this interesting and prosperous city.  
"I was in a run-down condition," continued Mr. Anderson, "and had no appetite at all. I could hardly sleep at night and never felt like getting up in the morning. I was so tired. I had the worst form of indigestion, suffered all the time from gas on my stomach and was continually belching up undigested food. I had to take my coffee without sugar, as when I drank it with sugar, I would just belch for hours. I would bloat and swell up like I was poisoned and suffered with neuralgic pains of the worst sort, and nothing seemed to help me only in a temporary way. I just can't tell you how I did suffer for the past four years and up to the time I began taking Tanlac, a few weeks ago. "When I read the testimonial of some who had been relieved of troubles like mine I just felt like I couldn't make a mistake by taking Tanlac and it has done even more for me than I had expected. I began to feel better after taking my first bottle and have just now started on my third and I'm a different man already. I sleep like a log now and eat just any and everything I want without the slightest discomfort afterwards. I am glad to endorse Tanlac because it does the work and I'm telling all my friends just what I'm telling you. I never felt better in my life than I do since taking Tanlac. I am willing for you to publish my statement and let every suffering person who may wish, benefit by my experience with this great medicine."  
Tanlac is sold in Dakota City by Neiswanger Pharmacy.—Adv.
