## ITEMS OF INTEREST GLEANED FROM OUR EXCHANGES

Sioux City Journal, 5th: Miss Edna Keen, of South Sioux City, has been admitted to St. Vincent's hospital for medical treatment.

Emerson Enterprise: Mrs. George Haase is reported on the sick list. Mrs. T. Carrabine of St. Aubins, Vt., arrived last week for a visit at the home of her brother, J. L. Davis.

Pender Republic: Attorneys R. E. Evans of Dakota City, and Paul Land of Winnebago, were in attendance at district court this week. Thos. Duggan was down from Hubbard Saturday making arrangements to have the old building removed from his lot on Main street.

Sioux City Tribune, 2nd: Mrs. J. Hurley, of South Sioux City, is a medical patient at St. Vincent's hospital. Mr. and Mrs. Will Gilfert and three daughters have returned to their home at Nacora, Neb., after spending several days with Mrs. Gilfert's grandmother, Mrs. E. W. Ferry.

Lyons Sun: Clarence Porter was up to Jackson Sunday. Mr. and Mrs. Snetken and family were at Dakota City Sunday visiting the Fred Parker home. Edward Pilgrim of Homer, was here Saturday getting some dental work done. He is a son of William Pilgrim, who settled in Dakota county in 1856.

Sioux City Tribune, 4th: Mrs. Mary Cullen, of Hubbard, Neb., who underwent an operation at St. Joseph's hospital, has been removed to the home of her sister, Mrs. J. W. Ryan, 508 Riverside, avenue. Miss Margaret Ashford, of Sioux City, daughter of Thomas Ashford, of Homer, Neb., has enlisted in the Red Cross canteen service overseas, and is awaiting orders to report at the New York City headquarters.

Ponca Journal: Jim Sutherland of Jackson was up to see his father on Tuesday. Mr. and Mrs. Fred Beermann of Dakota City, spent Sunday at the E. H. Cornell home. Mr. C. E. Hedges attended the district meeting of the Eastern Star at Dakota City Tuesday afternoon and evening. Mrs. F. D. Fales visited at Dakota City Monday and Tuesday and attended the district meeting of the Eastern Star. Quite a number of our high school people witnessed a foot ball game Friday evening after school at Newcastle, between their high school and the one from South Sioux City. Newcastle won 24 to 0. Geo. Herrick, who is with the 127 Leavy Field Artillery in France, writes his parents, Mr. and Mrs. G. A. Herrick, that he, with his regiment, is now at the front and doing good service pounding the Germans, also reports that he is in good health and good defeated the girls team from South Sioux City Friday evening, September 26. The game was close, resulting in a tie the first half, 7-7. But in the second half our girls made 5

ed by his mother, Mrs. C. H. Duggan, 2318 Pierce street. Maj. Frederick H. Roost will be the first Sioux City major to go overseas. He has been advanced to that rank and is now surgeon of the One Hundred and Thirty-fifth Infantry stationed at Camp Dix, N. J., awaiting overseas service. His majorship will date back to last March. Maj. Roost left Sioux City for Camp Cody, Deming, N. M., more than a year ago. He was lieutenant in a medical company. His promotion to the rank of a major is his second promotion within a year. The funeral of Cecil Hankins, of South Sioux City, who died of pneumonia at Camp Perry, United States naval station, Waukegan, Ill., Tuesday, will be held from Larkin's undertaking parlors at 2 o'clock this afternoon. Burial will be in the soldiers' plot at Graceland cemetery. Rev. Wallace M. Short will have charge of the services. Mr. Hankins was 26 years old. He enlisted in the naval service at Lincoln, Neb., last July and was sent to Camp Perry. He is survived by a wife and two children and his mother, Mrs. Chas. Lowrey, of South Sioux City. The committee of South Sioux City men which had announced its intention of appearing before the Trades and Labor assembly last night in the interest of reduced tolls over the combination bridge did not appear. A sole representative announced that a decision to postpone the proposed joint meeting of the South Sioux City committee with the Trades and Labor representatives had been reached. The original purpose of the meeting was to perfect a committee to act in conjunction with the committee chosen by the Real Estate association and the Trades and Labor assembly for the purpose of bringing pressure to bear toward procuring reduced tolls over the combination bridge. Petitions have frequently been circulated in South Sioux City demanding auditing of the books, reduced rates and better service, it was stated, but the proposed general committee to be composed of representative bodies of both Sioux City and South Sioux City has never been appointed. This committee when perfected will take over the entire fight for reduced tolls, which has been waged for years by the individual residents of South Sioux City and vicinity. C. B. Smalley, representing South Sioux City's interests, announced last night that a general meeting of South Sioux City citizens will be called in the near future, and a committee to care for South Sioux City's interests will be chosen. These men in turn will act in conjunction with representatives of Sioux City organizations in perfecting the general committee to whose hands the bridge question will be intrusted.

## HEAR THIS CALL FROM OUR HOME TOWN BOYS OVER THERE

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Every cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There"  
GIVE WHAT YOU CAN
