Is Your Auto Insured?
Bankers Automobile Ins. Co., Lincoln, Nebr.
Gentlemen:—

I have just received through your local agent, Mr. Carl Andersen, a check for \$81.40, covering a partial loss sustained by me to my Dodge car by theft, while it was left for a few minutes at Crystal Lake, and must say that the adjustment is entirely satisfactory.

While the loss was small, and only on some equipment, I am pleased to say that I am satisfied that larger losses would be given the same careful consideration. And in the future I will not hesitate to recommend your good company to any one whom I may come in contact with, desiring automobile insurance.

Texas Physician Declares Tanlac Is Without Equal

SAYS IT'S BEST RECONSTRUCTIVE TONIC TO BE HAD FOR BUILDING UP INFLUENZA PATIENTS.

The following letter from Dr. J. W. Sandlin, one of the most prominent physicians of Southern Texas, was recently received at the Tanlac office and gives indisputable evidence as to the value of Tanlac as a reconstruction tonic for persons who are recuperating from the after effects of Spanish Influenza. His letter follows:

Humble, Texas, Nov. 5, 1918.
"Dear Sir:
Just a few lines in reference to Tanlac. I have found your preparation to be a wonderful reconstructive tonic, and in my opinion it has no equal in its line. I have found it to be the best tonic to be had to build up my patients who have had Spanish Influenza. I have treated within the past month about fourteen hundred cases, and have never been able to get sufficient Tanlac to supply our people.
Yours very truly,
Dr. J. W. Sandlin."

Dr. Sandlin not only enjoys a very large practice as a physician, but he is also a man of wide influence and ranks as a leading citizen of the enterprising little city of Humble, Texas.

As a practicing physician of sixteen years' experience Dr. Sandlin was quick to recognize the superior tonic properties of Tanlac over other remedies and unhesitatingly and voluntarily gave Tanlac his unqualified indorsement.

Tanlac is sold in Dakota City by Neiswanger Pharmacy, and in South Sioux City by Shane's Pharmacy.
