 Tom Erlich returned from Sioux Falls, S. D., the last of the week, where he had gone to visit his brother, Lawrence. After arriving home he was taken ill with the flu. His sister Helen is also sick.

**HOMER.**

The brightest sun dogs we have ever seen, were Thursday morning. They were almost as bright as the sun, were almost as bright as the sun. One could not look at them without being nearly blinded.  
 H. A. Monroe and family and the Misses Gertrude and Mattie McKinley and Sherman McKinley and family were New Year guests at the B. McKinley home.  
 The Geo. Rockwell home is quarantined for flu, George being the patient.  
 The Farmers Exchange are invoicing this week.  
 Miss Harriet Anderson attended the Bridenbaugh wedding New Years, she being the only one outside the immediate family.  
 Roy McKinley, one of Homer's soldier boys (we claim him any way), who spent the holidays here with his parents, B. McKinley and wife, and other relatives, departed Thursday for Minneapolis, and from there will go to Camp West Baden, Ill. Mrs. McKinley accompanied him as far as South Sioux City, where they were guests at the H. A. Monroe home Thursday night.  
 Mrs. Frank Orr has pneumonia following the flu, and is quite ill. Later—She is reported as being much

improved and hopes are entertained for her recovery.  
 The H. N. Wagner home is quarantined for the flu, Mr. Wagner having a light case.  
 The two daughters of Neil O'Connor who attended Sacred Heart academy in Omaha, spent their vacation with their grandparents, C. J. O'Connor and wife.  
 Mrs. Fueston and little daughter were Sioux City shoppers Saturday, returning Sunday.  
 Chas. Holsworth, wife and two daughters, Bessie and Julia, motored to Sioux City Saturday.

 Clyde Hoch and Mrs. Will Orr visited the Frank Orr home Sunday.  
 The mother of Frank Orr arrived Monday to care for the family thru the flu.  
 John Midkiff has arrived safely from overseas, and another one of Homer's boys who will soon be home.  
 Chas. Davis was a business visitor in Winnebago Monday.

**INFLUENZA STILL**

**CLAIMING VICTIMS BY THE THOUSANDS**

**EPIDEMIC BREAKING OUT ANEW FROM ONE END OF COUNTRY TO THE OTHER.**  
 Warning to the country that the influenza epidemic is by no means ended, and that all possible precautions against the disease should be taken has just been issued by the public health authorities at Washington.  
 Late reports show that the disease is breaking out anew in its very worst form from practically one end of the country to the other. Already there have been over 300,000 deaths from the disease and one prominent health official predicts that there will be possibly 750,000 deaths in this country next year from influenza and the ailments which follow it. The disease has been very baffling to the medical profession and health authorities frankly admit that ordinary preventative measures, such as wearing of masks and closing public places seem of little avail.

Persons who are weak and rundown and who have not the strength to throw off the influenza germ are the earliest victims. Those who catch colds easily or who are suffering from catarrhal troubles are also early victims, as the inflamed mucous membrane linings of the nose are an open door to the germs. If you are suffering from any of these symptoms, nothing will build you up and fortify your system against attack like Tanlac, which contains the most powerful tonic properties known to science. This statement is easily proven by the fact that this celebrated medicine is now having the greatest sale of any system tonic in the history of medicine. It has been accomplishing remarkable results during the present epidemic and hundreds of thousands who have used it are enjoying the best of health. One prominent physician in Texas frankly stated that he had found Tanlac to be the finest tonic to be had for building up his patients who had had influenza.

Actual experience has shown that the best way to keep from taking influenza is to keep the system in good shape as it is a well known fact that the powers of resistance of the human system can be so perfected that it can throw off almost any infection, not even excepting Spanish influenza, which is one of the most contagious diseases known.  
 Tanlac increases your strength and weight and creates a good, healthy appetite for nourishing food. It keeps you physically fit and makes you strong, vigorous and well, and in this way fortifies you against deadly disease germs. In connection with the Tanlac treatment, be sure to keep the bowels open by taking Tanlac Laxative Tablets.  
 Tanlac is sold in Dakota City by Neiswanger Pharmacy, in South Sioux City by Shanes Pharmacy, and in Homer by Leo M. Wagner.

**Winter Short Courses**

Four short courses, each four weeks long, will be given by the University of Nebraska beginning January 27th. These courses are open to any one more than 15 years old.
