MRS. JOHANNA VAN DE ZEDDE ANSWERS FINAL SUMMONS

Falling into a deep sleep from which she never awakened, Mrs. Johanna Van de Zedde, wife of D. Van de Zedde, of this place, passed away Sunday morning at 4 o'clock a. m., after an illness of several months with cancer.

Johanna Onderstahl was born in Apledorn, Holland, August 4, 1863. She came to America with her parents when about two and a half years of age. The family located in Wisconsin, and in 1884 moved to Kingsley, Iowa. She was married to D. Van de Zedde June 10, 1885, at Lemars, Iowa, by a Holland minister, and two years later located in South Sioux City. They moved to Dakota City, Neb., in 1894, where Mr. Van de Zedde conducted a bakery and grocery store for several years, and made this their home since.

She leaves to mourn her loss, a husband; one daughter, Mrs. A. W. Lang, of Omaha; a son, Harold T. Van de Zedde, of this place, and a brother, Albert Onderstahl, of Walthill, Neb. A son, John H., age seven years, died June 27, 1895. The relatives were all present during her last illness and funeral obsequies.

In the passing away of Mrs. Van de Zedde there is lost a loving wife and mother, whose first and last thoughts and interests centered in her home; a good christian woman, whose reward for her labors will be found only in the kingdom of heaven. The funeral was held Tuesday afternoon at 2 o'clock from the Methodist church, Rev. S. A. Draise officiating at the services, and the remains were escorted to the Dakota City cemetery where they were laid to rest in that last long sleep that knows no awakening.

Card of Thanks

We sincerely wish to thank those who so kindly assisted us during the hour of our bereavement in the loss of wife and mother, and also for the beautiful floral offerings.

We Vouch for Them

Of all the tires that are made, —why do you suppose we prefer to sell United States Tires?

Because they are made by the biggest rubber company in the world. And they know how to build good tires.

They have choice of materials,—they have immense

facilities,—they employ many exclusive methods.

They can go to greater lengths in testing, improving and perfecting the things that make good tires.

We find it good business to sell United States Tires.

And—you will find it good business to buy them. They are here—a tire for every need.

United States Tires are Good Tires

We Know United States Tires are good tires. That's why we sell them
