

RED CROSS GIVES FULL ACCOUNTING

War Council Tells How Millions Contributed by Public Were Used For Relief.

BIG TASK IS DESCRIBED

In Twenty Months \$154,000,000 Was Spent Overseas and \$119,000,000 in the United States.

Washington, (Special).—Through a complete report of the work of the American Red Cross in the war by Chairman Henry P. Davison, on behalf of the war council, the organization on the eve of its annual enrollment of members during the Third Red Cross Roll Call, November 2 to 11, has rendered an accounting of the many millions given it by the American people to help our fighting men and our allies. The statement is, in part, as follows:

"The war council of the American Red Cross is now prepared to make a complete accounting to the American people of money contributed and expended, as well as the work done by the American Red Cross during the period in which the war council was in control of its affairs. The war council was appointed May 19, 1919, and went out of existence February 28, 1919.

"It was the practice of the war council to give complete publicity to its policies and finances, but it is only now that a picture of the war period as a whole can be presented. It is the feeling of the war council that a report in this summarized form should be made directly to the public which provided the money and gave the effort which made the American Red Cross a success.

"A statement of the American Red Cross effort and finances since the war council relinquished its control will be made to the public through the executive committee, and it is important, therefore, that the fact that this report covers the period only until March 1, should be carefully noted."

Following are certain round figures covering American Red Cross participation in the war, as revealed by the war council's report:

Couldn't Ride On The Street Cars

WAS ALMOST NERVOUS WRECK—SAYS TANLAC IS WORTH ITS WEIGHT IN GOLD.

"I would not take one thousand dollars for the good Tanlac has done me," said Arthur Baars, employed by the Milwaukee Paper Box Co., and residing at 1207 Eighteenth St., Milwaukee, in telling the Tanlac representative of his improvement since taking the medicine.

"Yes, sir, this medicine has put me in shape so I can do more work than I've been able to do before in years, and you can just tell the people I think it is worth its weight in gold," continued Mr. Baars, as he went on with his statement.

"My trouble started three years ago when I had a collapse caused by over-heat. I was down in bed three months from this spell, and it left me in an awful fix; in fact, I became almost a nervous wreck. I couldn't work regularly—was up one day and down the next. Actually, I was so nervous I couldn't ride on the street cars, and being in a crowd or amongst a little excitement would completely upset me, and I would shake like a leaf and it would take several days to get over it. I had such terrific headaches at times my head felt like iron bands were tied around it. Some nights I would have to sit up in bed and get my wife to bathe my head to get a little relief, and many times I couldn't get to sleep until four or five o'clock in the morning on account of these headaches and nervous spells. This is just the shape I was in when one of the men at the shop suggested to me that I take Tanlac, and I agreed to do it, but I had little faith in it or any other medicine.

"By the time the first bottle was gone the headaches had disappeared, and my nerves began to get steady. To make a long story short, this Tanlac made me feel like a different man, and now I haven't a sign of nervousness or the other troubles that had been pulling me down for the past three years. I sleep fine, get up of mornings feeling refreshed and rested and ready for my day's work. I eat three hearty meals every day—something I couldn't do before—and what I am gaining in strength and weight every day. This Tanlac certainly beats anything I ever saw in my life."

Tanlac proved of great benefit to Mr. Baars because it contains certain medicinal properties which enrich the blood and promote a healthy appetite for nourishing food. Tanlac has been very successful in overcoming nervousness and sleeplessness, not from a quieting effect on the nerves, for it has no such effect, but by strengthening the nerves and body and bringing the normal state of health through its effect on the appetite and nutrition of the body.

Tanlac is sold in Dakota City by Neiswanger Pharmacy, in South Sioux City by Shane's Pharmacy, and in Homer by Wagner's Pharmacy.
