\$5 PER MONTH FEEDS ORPHAN

Cleveland H. Dodge Shows What Near East Relief Can Do in Efficient Purchasing.

Buying in wholesale lots and under the most favorable market conditions, Near East Relief of 1 Madison Avenue, New York city, with representatives in every state of the Union, has been able to baffle the high cost of living so far as relief supplies for the suffering millions of the Near East are concerned. Cleveland H. Dodge, treasurer, in a statement shows that the committee is able to provide food for the suffering people of the Near East at prices much lower than the average charge here. A donation of \$5 per month will provide food for one orphan, \$10 per month provides not only food, but also clothes and shelter for one orphan, and for \$15 per month attendance at school is assured to each orphan in addition to food, clothing and shelter.

Mrs. Jane Welker Dies of Old Age. Mary Jane Rockwell was born May 16th 1845, in Dekalb county, Ind., and died May 17, 1920, at her home in Homer, Neb., being 75 years and 1 day old.

Her early life and young womanhood was spent in Dekalb county, where she was born, and where on April 7, 1863, she was married to John D. Welker. In 1866 they removed to Viola, Wis., and lived on a farm until October 20, 1872, when they came to Dakota county, Neb., and located on a farm a few miles west of Homer, where they lived until 1895, when they moved to Homer and bought a home, residing there until her death. Mr. Welker died in 1912.

One daughter was born to Mrs. Welker, Ida J., who married Eugene Loomis. She died in 1918, leaving seven children, who are living in the vicinity of Homer. Mrs. Welker also had four great grandchildren. Mrs. Welker is also survived by two brothers and two sisters. They are, Stephen Rockwell and J. P. Rockwell of this county, Mrs. Alice Walters, of Sioux City, and Mrs. Rose Peterson, of Long Pine, Neb.

Mrs. Welker was a good neighbor and a kind hearted friend, always cheerful and ready to help those in need. Although her health was extremely poor for several years, she never complained. Thus the pioneers pass on to that other shore. Those who knew her best loved her most, for her kindly disposition and friendly associations.

The funeral services will be held today, Thursday, at 2 o'clock p. m., from the Methodist church in Homer, conducted by Rev. S. A. Draise. Burial will be made in the Grove cemetery.

Farce, 'Fun in a Photograph Gallery,' High School Pupils. Violin Selection, Rev. Dr. E. Kirner Zeph. Farce, 'Aunt Abigail and the Boys,' High School Pupils. Address and presentation of diplomas, Rev. Dr. E. Kirner Zeph.

The parts in the farces were well taken and the youthful players received much praise from the large and appreciative audience. The violin selections played by the Rev. Dr. Zeph were possessed of that subtle charm and artistic simplicity which mark the performance of only the gifted few. The Rev. Doctor is an able orator as well as a thorough musician. He congratulated the graduates on the attainment of the goal toward which they have been striving for the past three years and brought before them the dignity of the teaching profession. To the teacher falls the sublime

duty of moulding the character of the child. The parents are ordained by God to do this, but they cannot do it alone. They are too busy providing the necessities of life and in caring for the home. So the duty of training the children is entrusted to the teacher. The child's mind is like a garden. There both weeds and flowers grow. The teacher cannot change the weeds into flowers, but she must eradicate them. The children in this school are the foundation of the future. Hubbard and they should be so trained that they will become noble men and women and loyal citizens of this great land of ours.

DECLARATION OF PRINCIPLES

The sphere of our activity requires a state organization, which embraces under its jurisdiction all subordinate lodges, fostering the welfare and growth of our order. To promote the sentiment of unity in an earnest endeavor to render assistance to those, who join our ranks. To insure emigrants, who speak the German language only, courteous attention and hospitality on our shores. To proffer them the opportunity to join our order, thus securing fraternal insurance, aid in case of sickness or death. Members in their social intercourse to extoll the advantages offered by this country, also the merits and justice of the democratic system of government. To encourage newcomers to establish their homes here and urge them to complete their citizenship as soon as possible. To aid and assist them in the study of the language of this country, acquaint them with the institutions of our government, its social, economic and political development, enabling them to become useful citizens of the country of their adoption.

Cherishing the memory of those early German pioneers, who industriously planted the seed of cultural, moral and intellectual development, we nourish the laudable ambition to continue their labors. We enjoy a keen appreciation of our free institutions. For their establishment and continuance many Germans, whose names grace the pages of American history, sacrificed their all and sealed their devotion to this country with a heroic death on the field of battle. In gratitude for the protection granted and the many privileges we enjoy, we are striving to aid in the upbuilding of the country, and in harmony with the liberty-loving spirit of the founders of this glorious republic we advocate the enactment of laws, which will permit no encroachment upon the rights, customs and habits of individual citizens, if not absolutely necessary in the interest of the general weal.—Advertisement.
