SIoux CITY, IOWA

AUTOMOBILE RACES AT THE INTERSTATE FAIR

Speed stars from every nook and corner of the American continent will be brought to Sioux City for the automobile races that will open the annual Interstate Fair, on September 19th and 20th.

Entry blanks have been forwarded to nearly 100 race drivers who are licensed under the sanction board rulings and with \$5,000 purse money as bait to attract them here for the competition.

Among the satellites of the speed world who will be asked to enter the Sioux City races will be Sig Haugdahl, present world's dirt track champion and holder of all speed records from one to five miles.

PUBLIC HEALTH AND WELFARE WORK AT THE INTERSTATE FAIR

The Public Health Bureau of the State of Iowa, in conjunction with the city authorities and Welfare Bureau of Sioux City, will give daily demonstrations in almost every department that has to do with corrective methods in Public Health Work at the Interstate Fair, Sioux City, September 19th to 25th.

PURE BRED CATTLE AT THE INTERSTATE FAIR

Entries representing three-quarters of the accepted breeds of Beef and Dairy Cattle are already on file in the office of the Secretary, and the Interstate Fair, Sioux City, September 19th to 25th, will present a large and complete showing to the farmers and interested stockmen of this territory.

LARGE DRAFT HORSE SHOW AT THE INTERSTATE FAIR

Indications are that the Draft Horse section at the Interstate Fair, Sioux City, September 19th to 25th, will be one of the best seen in this territory for a number of years.

BIG DRAFT HORSE SHOW AT THE INTERSTATE FAIR

On September 1st indications are that one of the largest draft horse shows ever seen in Sioux City will be housed in the Show Barns of the Interstate Fair on September 19th, the opening date.

In spite of unfavorable business conditions during the spring months, and the fact that building has been very largely at a standstill this season, demand for horses has shown a substantial increase over the first six months of 1920.

The total net gain of shipments of horses and mules to the six principal markets in the United States, show a gain of 34,000 head, this comparison for the first six months of 1920 over the same period in 1919.

AUTO-POLO AT THE INTERSTATE FAIR

Auto polo, the most exciting and thrilling of American games, will be played at the Interstate Fair, Sioux City, September 19th to 25th.

Auto polo is the newest of sports and combines all the exciting features of automobile racing and horse polo. The game was invented in 1912, the first match being played at Wichita, Kansas.

NEW SWINE BUILDING AT INTERSTATE FAIR

With the completion September 1st, on contract time, of the 652-pen Swine Barn, the Interstate Fair, Sioux City, September 19th to 25th, will be able to adequately house a large and interesting swine exhibit.
