

**If You Need a Medicine
You Should Have the Best**

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefited, to those who are in need of it.

A prominent druggist says "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. No other kidney remedy has so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact, so many people claim, that it fulfills almost every wish in overcoming kidney, liver and bladder ailments; corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by Parcels Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention this paper. Large and medium size bottles for sale at all drug stores.—Adv.

**AT 108, WOMAN
TO CAST BALLOT**

**Mrs. Sophia Orr of Syracuse
Looks Forward Eagerly
to Next Election Day.**

OLDEST VOTER OF HER SEX

**Native of Vermont and Has Lived in
Wisconsin and Mississippi—She
Recently Prosecuted Her
Grandson for Theft.**

Syracuse, N. Y.—Mrs. Sophia Orr, 108 years old, is eagerly looking forward to casting her first vote for president in November. She probably will be the oldest woman in the country to cast her ballot. She voted for the first time in the mayoralty election last year.

"I voted the Republican ticket," she stated proudly, "and that's why they won."

The aged woman was the daughter of a lawyer, and was born in St. Albans, Vt., 108 years ago, according to her story. From there she moved to Muscoda, Wis., and later to Highgate, Miss., where she was married to Robert W. Orr. She remembers clearly the events of the war, in which her husband served, and has a vivid memory of her entire life down to the present.

Husband in Civil War.
The little old lady likes to talk about her dead husband, who fought for his country back in the sixties. "He did his duty," she said resignedly, "and now he's up in Oakwood cemetery. He gave two arms, two legs and his eyes for his country."

Although in her long lifetime Mrs. Orr never before had to resort to the law for protection, she recently appeared against her grandson, Harvey D. Mullett, whom she charged with stealing \$145 from under her pillow.

Mrs. Orr is the oldest woman to figure in court proceedings in the

American Princess Fled Russia

The Princess and Prince D. N. Goltzine, who have landed at Boston from a tour of Russia, Japan and China. The princess was Miss Frances Simpson Stevens of New York, a graduate of Wellesley college. She married Prince Goltzine in Boston in 1919. The prince then went to Japan and China with his bride and they were in Omsk when Kolchak was in power. They then went to Vladivostok, but were compelled to flee by the approaching bolshevist army. They managed to reach a Russian vessel and escaped to Japan.

state, probably in the United States. As sprightly as if only half her age, the aged woman mounted the stand and gave her evidence against her grandson, when Mullett, who has appeared in police court before and is included in the rogues' gallery, demanded an examination.

"Grandma, you know I've always been true to you," said the accused grandson.

"Harvey, you took my money, I saw you," insisted the little old lady, "and what's more you took my copper wash boiler a long time ago."

"I've never forgotten that about Harvey," she stated gravely to the

Judge. "He took that and \$5, and a ring which belonged to my dead husband. I know it was Harvey," she insisted.

Mrs. Orr owns the house in which she occupies one apartment alone.

"I was standing on my back porch telling my daughter-in-law how to hang up a blanket to get it dry," she declared to the judge.

"I heard a noise and saw Harvey coming out of my bedroom. When I went in the money was gone."

"He took my copper washboiler, too," she reiterated, showing that the loss of the utensil was a hard thing to forgive.

The grandson was arraigned after "grandma" had already told her story once, and demanded that she be put on the stand.

"Grandma" had been waiting. She told her story in a clear voice and showed excellent hearing. The only difficulty with her as a witness, was her desire to plead with her grandson to return the money.

"Why don't you give it to me, Harvey?" the little old lady pleaded again and again.

**Lost \$100,000 Trying to
Get Job Which Paid \$3,000**

The Democratic nomination for county attorney of Muskogee county, Okla., indirectly cost F. E. Gumm, a former soldier, \$100,000, and he isn't in office yet.

In the heat of the campaign Mr. Gumm forgot all about renewing his oil leases on 1,000 acres of promising land in Oklahoma, near the Kansas line. The day after his lease expired a 400-barrel well was brought in on an adjoining acreage. Now the leases which Mr. Gumm once held are worth dollars instead of cents, and he estimates his loss at \$100,000. The county attorney's office pays a salary of \$3,000 a year.

ANCIENT TONIC HIS SECRET

Hundreds of Thousands of Families Found Health and Happiness by Following His Instructions.

Six years ago H. H. Von Schlick could be seen any day visiting prominent Pittsburgh business men in their downtown offices. He carried a satchel, and his arrival was always greeted by a smile indicating welcome. These men were his customers. They drank at his "fountain of youth." They accredited him with a new lease of life and the healthy condition of their families.

Von Schlick has bright eyes and his cheeks indicate that pure red blood flows through his veins. He says he was younger at fifty than he was at thirty-five. He has never had a sick spell or any of the symptoms of the ailments which afflicted him before he began using a tea, the ingredients of which were conveyed to him by an old Bulgarian 20 years ago. Von Schlick makes this statement:

"I was recovering from the grippe, was run down, and a dizzy feeling in the head, and felt like the victim of the hook-worm. This old Bulgarian knew of my sickness and while in the office suggested, 'I give you something to make you feel better.' He returned next day with a package and told me to use one teaspoonful in a cup of hot water, and to repeat the dose once each night for a little while. He promised I would never be troubled from sickness again. I followed the prescription, skeptical, of course, and one day later I was seeking that old man to secure from him the ingredients of that tonic.

ONE HUNDRED YEARS YOUNG.

"He explained to me that in Bulgaria the older families regarded this tonic as the great disease preventative and health restorer; that it was handed down from generation to generation. At the first symptom of any sickness the mother or women of the family made the tea for all members. It is a well-known fact that Bulgarians are the oldest and healthiest people in the world.

"In Bulgaria and the Balkan countries of Eastern Europe, in spite of poor sanitary conditions, among 1,000,000 inhabitants there are 1,000 over 100 years old. In France there is only one person in 1,000,000 over 100 years old, and in Germany only one person 1,500,000. It is a rare news item in the United States when a man dies after reaching the century mark.

"My Bulgarian friend informed me that his progenitors reached this time of life and that they all had a healthy and happy old age. Asked for a rea-

son he pointed to his tonic. After using this tonic for 15 years I am ready to guarantee to the world that it is the best prescription for health existing.

"Every member of my family takes one dose each week, my relatives all use it, my friends and neighbors have been keeping health by reason of it and hundreds of thousands of people in this city, sensible and well-known, consider I have done them an everlasting favor by convincing them of its merits.

"During all the terrible influenza epidemic Bulgarian Blood Tea was used by countless thousands of sufferers with marvelous success and millions of people took it steaming hot to prevent and ward off the disease.

A 15-YEAR TEST.

"After 15 years of experience I am positive that it will prevent sickness. It will restore your health by eliminating the poisons. It will regulate disorders of the digestive organs. It will increase poor circulation. It will restore vitality, energy or strength. It will make your brain respond splendidly to the strain of modern business. It will give you a healthy, youthful complexion. It will prolong your life and, with proper diet, you should live to a ripe old age."

Bulgarian Blood Tea today is used by millions of people in every state in the Union fighting off disease and old age weaknesses. They include happy girls budding into womanhood or women crossing precarious thresholds of life. All praise and commend it. Men regain strength and vitality, the blood becomes rich and pure and the fire and vim of robust health returns to those who were in despair.

Bulgarian Blood Tea is guaranteed to contain just pure herbs of marvelous medicinal and curative power gathered from fields, mountains and valleys of Europe, Asia and Africa. All drug stores now keep Bulgarian Blood Tea in stock, but, owing to the enormous demand immediate application to your druggist is urgent on account of the limited source of supply. Distributors of Bulgarian Blood Tea are authorized to return the full purchase price if it does not materially improve your health in three weeks' time. This evidence of faith in the power of Bulgarian Blood Tea is the guarantee of the Marvel Products Company, Marvel Building, Pittsburgh, who authorize this public announcement.—Adv.
