## DAKOTA CITY SCHOOL NOTES

J. Irwin Long, Superintendent

Hubbard visited our team Wednesday of last week and was defeated by a score of 34 to 12, the Dakota City boys making 5 touchdowns and four goal kicks, against Hubbard's two touchdowns. Our boys showed for the fourth time this season that they knew football "by heart." Our back field made a much better showing than in former games, and if the line men could be induced to practice more, it is safe to say that Dakota City would have the fastest team in some years.

Hubbard played a fine game considering the practice they had.

The football boys and basketball girls of Emerson will visit Dakota City this Friday. The girls will play our girls team after the football game in the evening. After the basketball game the high school has planned a basket social for the support of both Dakota's teams, and a hearty welcome is extended to all. Try and make this event a success and tell everyone to bring baskets laden with eatables, and the men and boys bring a fat pocketbook, and we will do the rest (eating).

Lorraine Oestmeyer was absent from school Monday, helping her mother do the washing.

Report cards were given out the first part of the week.

Seven have perfect attendance in high school for the first six weeks: Kathryn Warner of the seniors, Elsie Krumwiede of the juniors, Leona Smith, Mildred Ream and Mildred Frederick of the sophomores, Walter Seymour of the freshman.

The senior class in arithmetic are doing some practical work. They have been drawing plans, and making out bills of cost for barns, excavating cellars and the general construction of a house.

On account of the weather the football squad did not go to Newcastle Friday, Oct. 15, but the boys made the trip Monday and they have another victory to their list. The Newcastle boys made a touch down

and a goal kick in the first quarter, but it wasn't long until the Dakota City boys tied the score and kept making touchdowns and goal kicks until the game closed, and the score was 34 to 7 in favor of the Dakota City team.

Our boys made a number of nice plays, which showed that they were using their heads instead of brute force, and kept the spirit of the game throughout the four quarters.

## Lutheran Church Notes

By Rev. C. R. Lowe.

The young folks will meet at the home of the pastor next Friday for practice. We have some new music to work on.

We are getting our plans on foot for our catechism class. We have never done before as we expect to do this season. It is our idea to have the boys and girls who take this work to do some independent work in the bible this winter, of course under our direction. And in the spring when we can get together we will do the catechism work from the text. The pastor will have to depend on the parents to see that this work goes on. These plans are simply an attempt to meet our purely rural conditions to the best advantage. What we desire is to have the class learn the story of creation, the birth and death of Christ, the resurrection story, several psalms, the creed, the commandments, and such like things.

It is time for our annual every member canvass for our local support. The canvass for benevolences will be made at the same time. Salem's benevolence budget for the coming year is \$301, and for Emmanuel \$75. M. G. Leamer, our delegate to the U. S. C. convention at Washington, received notice that he was appointed to a place on the nominating committee. At that meeting all committees were appointed in advance, and all reports of standing committees and others who had reports to make had their papers in so the whole could be printed and in the hands of the delegates before they left home. We say that is a fine system. It shows somebody who is a good director of affairs is at the head of this convention.

The pastor wishes everyone would take it upon himself to speak a word for your church to your friends. We do not hesitate to tell about the good things of life outside of the church. Why not say a good word for the services of the sanctuary.
