**Give Children Change of Bread**  
 Mothers who find it difficult now  
 and then to keep Johnnie and other  
 members of the household from com-  
 plaining that there is nothing on the  
 table to eat may find some methods  
 of relief in United States Depart-  
 ment of Agriculture farmers' bulletin  
 1136, called "Baking in the Home."  
 It deals with a big variety  
 of yeast breads; biscuits, muffins,  
 and other kinds of hot or quick  
 breads; pastry and cookies. Much  
 valuable information is given on  
 bread making in general, with re-  
 cipes for making graham or whole  
 wheat, raisin, peanut, potato, rice,  
 corn-meal and other kinds of bread,  
 biscuits, muffins, griddle cakes, waf-  
 fles, etc. A host of recipes are given  
 for pie and cookie making. The  
 variety is so large and interesting  
 that a new species may be placed  
 before the hungry ones nearly every  
 day in the year. Women desiring  
 to obtain a copy of this valuable  
 publication should inquire at county  
 farm bureau offices or write to the  
 College of Agriculture at Lincoln.

The hog cholera menace is still  
 present or farmers are taking no  
 chances, according to calls for serum  
 received by the State Serum Plant  
 at the University Farm, Lincoln. As  
 a rule the demand for serum falls  
 off during the winter months and  
 here is little demand in December  
 and until well toward June. This  
 year, however, calls continued rather  
 heavy through January. The State  
 plant is providing farmers with serum  
 at \$1 per hundred c. c.

Men as well as women can help re-  
 duce the high cost of clothing. A  
 little care on the part of the wearer  
 will do much to preserve clothing  
 already on hand, and thus eliminate  
 the necessity of spending large sums  
 frequently to replenish the ward-  
 robe. This is brought out in a re-  
 cent publication of the United States  
 Department of Agriculture, farmers'  
 bulletin 1089, "Care and Selection of  
 Clothing," which may be obtained  
 through county farm bureaus or from  
 the College of Agriculture at Lin-  
 coln.

Quite a turnout of representative  
 citizens of Dakota county and some  
 from Dixon county met here Satur-  
 day with the board of county com-  
 missioners to discuss the county  
 road situation. The representatives  
 from Dixon county were present to  
 take a hand in the controversy over  
 the situation of affairs at the county  
 line. It seems that the highway  
 running west from Jackson does not  
 connect with the one established in  
 Dixon county and which terminates  
 at Waterbury, on the east line of the  
 county. The one crossing Dakota  
 county misses the Dixon county road  
 by about three miles. The State  
 engineer has been called upon to  
 settle the matter of locating and  
 connecting up the two highways.  
 Until this is done state aid will be  
 withheld.

**DAKOTA CITY SCHOOL NOTES**

J. Irwin Long, Superintendent

(Written by George Lahrs)

The play given by the high school  
 in the high school auditorium, Wed-  
 nesday, February 9, was very well  
 attended. A very nice compliment  
 was given by all to the fine work of  
 the caste. The receipts of the even-  
 ing amounted to \$50.95. The  
 small expense which will be sub-  
 tracted will leave a nice sum in the  
 high school treasury. The people  
 who were unfortunate enough to  
 miss the play certainly missed an  
 evening of amusement.

As spring nears the roaming fever  
 takes possession of most of us and  
 we sure can enjoy ourselves.

A Valentine party is planned for  
 Monday evening by the high school.  
 The grade rooms each had a val-  
 entine box, which was greatly en-  
 joyed by the pupils.

A new rule has been added to  
 many others: "If for any reason a  
 person is unable to attend school,  
 his work, even though written out is  
 graded 20% less than if he attended  
 class to hand it in." It is readily  
 seen what it will do to our grades  
 in a few days. Our only chance,  
 therefore, in passing, is that we at-  
 tend school every minute. A result  
 of this "new style" rule is that a  
 new club has been formed, bearing  
 the name of "The 77ers."

**Lutheran Church Notes**  
 By Rev. C. R. Lowe.

It has been a long time since we  
 have seen the Salem people at  
 themselves out for a good time like  
 they did last Friday night. Despite  
 the bad roads there was a housefull  
 of folks. The program was an in-  
 teresting one from the beginning to  
 the end. Everyone went around to  
 the booths to see the tall man, the  
 fortune tellers, the heartless man,  
 and to the horse barn, and not a few  
 took a peek at the American Goose.  
 Aside from the program the interest  
 was centered in the dairy lunch  
 counter run by Herman Ebel and  
 the Blessing Brothers dairy farms.  
 We will have to give the ladies from  
 those farms the honors for the work  
 entailed in handing out the sand-  
 wiches, apples and candy. The la-  
 dies aid "at home" was a success in-  
 deed. Our congratulations are to  
 the president who engineered the  
 party.

There will be a congregational  
 meeting of the Emmanuel church on  
 Sunday afternoon of February 27th,  
 at the home of Mrs. D. M. Neiswang-  
 er at 2 p. m.

There will be a congregational  
 meeting of the Salem congregation  
 on Sunday, February 27th, immedi-  
 ately following the preaching ser-  
 vice.

The Ladies Aid have installed a  
 new clock in the Salem church. This  
 is a distinct improvement.

The pastor is going to preach a  
 series of sermons from now till Easter  
 which will be in keeping with the  
 Lenten season. There will be no at-  
 tempt to have any special services  
 other than that unless the people of  
 the congregation wish it. The Lu-  
 theran church, quite generally, has  
 some special services at this season,  
 especially the week between Palm  
 Sunday and Easter. During this  
 season the thought is centered on  
 the sacrifice of Christ, and the  
 atonement wrought thereby.

The Lutheran church has never laid  
 down any rules with regard to the  
 observance of this season, allowing a  
 great deal of liberty in this. Many  
 churches make a great deal of this,  
 and there are those which pay little  
 attention to it. That many observe  
 it with special services speaks well  
 for the Lutheran church, for it is a  
 matter of laying emphasis on the  
 work of the Lord Jesus. We ought  
 not to forget these things through-  
 out the year, it is true, but it is  
 good to make a special consideration  
 of them at certain seasons. The  
 time of the year in which these  
 things happened has always been  
 kept by the church to specially con-  
 sider these things. And no one who  
 really gives his thought to them will  
 be sorry, for it brings him in con-  
 nection with the Master. It is  
 good to refrain from certain things  
 during this season, but emphasis has  
 not been laid on this phase of the  
 matter by most protestants. The  
 leaving off of some practices avail  
 little if the time is spent in desir-  
 ing them and in waiting till the  
 time of the prohibitions are over,  
 that they may be indulged in again,  
 and in giving no consideration to the  
 real matter which lies back of the  
 self imposed prohibitions.

The Salem Ladies Aid is planning  
 for another dinner party at the  
 church on Thursday, February 24th.  
 They will hold their regular monthly  
 meeting at that time, and it will be  
 their annual pay-up meeting. There  
 will be a Washington program, too.  
 The hours are 12 to 4. Dinner at  
 12:30. The committee for the month  
 is Mrs. G. I. Miller, Mrs. Fred Cul-  
 bertson, Mrs. C. C. Beermann, and  
 Mrs. G. W. Bates. It is requested  
 that each lady bring a dish of eat-  
 ables, after the same plan of the  
 meeting a month ago at Mr. Mad-  
 sen's.

Now you men, remember what a  
 pleasant time you had at the meet-  
 ing at Mr. Madgen's home, and those  
 who missed that do not miss this  
 one.
