## NEWSY ITEMS FROM OUR EXCHANGES

Ponca Journal: J. A. Harding, of South Sioux City was in town yesterday. Mrs. Frazer, who is ill, is reported to be about the same.

Wausa Gazette: The Seval Olson family from town moved their household effects on Tuesday to the farm just vacated by the Larille family.

Wakefield Republican: C. T. Barto is seriously ill at his home, and has been confined to his bed for the past week. He is a little improved at this writing.

Lyons Mirror: A. N. Romans, son of Walter Romans of the Bertha neighborhood, has purchased W. C. Sund's dray line and is now operating the same. We have not learned what Mr. Sund intends to do.

Tekamah Journal: Jeff Taylor and son drove down from Emerson Friday to see the big McGill-Stengel wrestling match. Jeff has been real sick for four or five weeks and is not yet as strong as he would like to be. This office acknowledges a pleasant call from both gentlemen.

Fullerton Post: Mr. and Mrs. Will Bantz this week moved into the Art Bantz residence. Mrs. J. H. Hampton is receiving treatment at the hospital in Columbus at the present time. Mrs. Nellie Nunn and daughter, Miss Helen, returned to their home at Winnebago Monday, after a visit at the Will Downing home. Miss Mary Nunn, also a guest at the Downing home, returned to Lincoln.

Pender Republic: Mrs. Marion Marshall was a passenger to Ponca Wednesday for a visit with the family of her sister, Mrs. Dave Marshall. Aubrey Bray, son of Rev. and Mrs. Geo. Bray, has been taken home from the Sioux City hospital, where he has been so long, and Mrs. Bray has gone with him to nurse him for a week or ten days to tide him along toward a perfect recovery. At last reports he is doing well.

Emerson Enterprise: A daughter was born to Mr. and Mrs. Glen Smith February 27. James Hogan spent Monday with friends in Hubbard. Mr. and Mrs. Emil Krahmer have rented a farm near Nacora and moved onto the same last week. Mr. and Mrs. Wm. Heeneey are the proud parents of twins, a boy and a girl, born to them Monday morning. A. I. Davis informs the editor that he has leased his half section farm east of Nacora to Max Martens who has taken possession. Mr. and Mrs. Adolph Zastrow moved their personal effects to a farm near Nacora. C. H. Dobbs purchased the place from Mr. Zastrow so we understand.

Walthill Citizen: Mrs. W. H. Mason was a Sioux City visitor Tuesday forenoon. Mrs. Lizzie Lamsen was down from Winnebago yesterday. Mrs. Tilden Harris came down from Winnebago Friday to visit friends at Macy. Geo. H. Lamsen moved to

town last week and occupies the Mrs. Gertie Baray residence in the north part of town. Mrs. Luther Martin came down from Homer Saturday and spent the afternoon with her sister, Mrs. Swan Olson. Mrs. Sam James and two children came down from South Sioux City Friday to visit her mother, Mrs. Rose Becken, and other relatives. Mrs. Walter Allen and daughter Agatha Maxine, and the family cat "Slim," left for Homer on Thursday evening, where they have a job the coming year on one of C. J. O'Connor's farms. Mr. Allen went with the household goods by truck.

Sioux City Journal, 5: Rev. J. L. Phillips, who has served two terms as mayor of South Sioux City, Neb., and who is being urged to head the "people's" ticket again, stated last night that he would announce his decision of acceptance or refusal Tuesday. A vigorous campaign is being waged by the "liberal" element to unseat Mayor Phillips with the candidacy of Brodie Cowie for mayor. Councilmen Daniel Hall and Sam Lopp will be candidates for re-election when the spring election is held April 5th. The probabilities of Councilman Thomas Flanigan being a candidate for re-election are said to be doubtful. Nate Miller, city clerk, will be a candidate for re-election. He will be opposed by Lloyd Church on the "liberal" ticket. Thus far no candidates for the offices of city treasurer and surveyor, now held by John Mullin and William Bradford, respectively, have been put forth by the "liberals."

Coleridge Blade: Cards were received here Saturday announcing the marriage of Dewey G. Bridenbaugh and Miss Doris J. Buckendorf at the home of the bride's mother in Norfolk on Friday, February 25th. It was a quiet home wedding with only immediate relatives of the contracting parties present. The ceremony was performed at high noon by Rev. Brandhurst. Phil Bridenbaugh, brother of the groom, acted as best man, and Miss Vivien Leighton acted as bridesmaid. Mrs. Bridenbaugh and daughter Ruth, and Phil Bridenbaugh were the immediate relatives of Dewey who were present. The newly married couple left on the afternoon train for Miller, S. D., and will make their home on the Bridenbaugh farm near Danforth. The parents of the bride conducted the green house at Norfolk for a number of years and those who enjoy the acquaintance of Mrs. Dewey Bridenbaugh pronounce her a most accomplished and capable and estimable young woman. Dewey is a home boy, well known to all. He was one of the Coleridge volunteers and is an upstanding young man capable of holding his own with any class or condition of his fellows. That he will prosper, be a model husband, and we trust, father, is confidently expected by all who know him. All will unite with the Blade in wishing Dewey and his a matrimonial voyage of happiness, success, and length of years.

## Farm Bureau Field Notes

C. R. Young, County Agent

The Salem Farm Bureau community club will hold its monthly meeting at the church Friday evening. Besides the regular program of songs, talks and reports from project leaders, a director for Dakota precinct to the County Farm Bureau will be elected for a term of four years. People of Dakota precinct should be interested in selecting the right man for this position. Men, women and children should come.

Persons wanting arsenate of lead for poisoning potato bugs and other insects should join the pool at once as the order is to be closed March 15th. This will be purchased as cheaply as possible. Only 25 and 50 pound drums will be ordered. Send your order to J. T. Rounds, South Sioux City, or the County Agent.

Friday and Saturday of last week Dr. H. L. Prouse of Allen tested cows for tuberculosis in the neighborhood of South Sioux City. Dairymen selling milk or cream to be consumed as such must have their cows tested once each year, unless the products are sold to dairies using pasteurizers. The state departments are urging that this be done as soon and as rapidly as possible.

The following letter was just received. While our Farm Bureau board has not taken up this subject, I am sure they will be glad to assist those desiring aid in relieving the suffering in Europe and the near East:

Lincoln, Neb., March 5, 1921.  
Mr. C. R. Young,  
County Agricultural Agent,  
Dakota City, Nebraska.  
Dear Mr. Young:

You have probably noticed through the papers that March 10th has been set as the day on which the county Farm Bureau are to ascertain the amount of corn they will be able to secure for the relief of the needy in Europe and the near East.

The idea is to give to the needy and take our pay in good will. We also believe that by sending a part of our surplus we will not be losing any money as the balance will probably bring as much as the entire crop would have done otherwise.

These corn products will be shipped out of this country and not come in competition with our own crops. Transportation will be practically a gift also. Complete shipping instructions will be sent you upon receipt of the amount of corn available for this relief work.

Sincerely yours,  
H. D. Lute, Secretary.

## SALEM LADIES AID TO GIVE

A "HARD TIMES" SOCIAL  
The Salem Ladies Aid will give a "Hard Times" social Friday evening of this week, March 11th, in the Salem church. A general supper will be served from 6:30 to 8 p. m. Come early; eat supper at the church. Supper, 25c and 50c. Home-made candy will also be on sale. Following the supper there will be a Farm Bureau meeting, with the following program:

Report on Dairying, Herman Ebel and E. M. Blessing.  
Report on Gardening, Mrs. E. N. Beermann.  
Report on Community Recreation, Mrs. G. W. Bates.  
Report on Poultry, Mrs. Chas. Blessing.  
Summary on Cost Production of Corn and Oats, by Mr. C. R. Young.  
Community Sing, "When You and I were Young, Maggie."  
Good-Night Ladies.  
Come, bring your friends. Come with the oldest clothes you possess or can borrow. Failure to do this will result in your being fined 10 cts. The judges will hand a gift to the one most "appropriately" dressed.

## Patronize Your Neighbor

A fancy price for hatching eggs, baby chicks or breeding stock does not always mean fancy results. In fact it is usually better for most people to buy of neighbors, with whom they are acquainted and whose poultry they know, instead of sending money to some stranger alleging to be a producer of fancy stock, suggests the state college of agriculture. Because an advertiser makes big assertions and lives a long ways off is no proof that he has good stock. Sometimes these men have no poultry at all, but buy eggs or breeding stock as orders come in, turning them out big profits. Dollar each, eggs often produce birds worth less than this sum. By buying of a neighbor who has good, vigorous, healthy stock one knows what he is obtaining.

## Official Proceedings of the Board of Commissioners

Dakota City, Nebraska, March 5, 1921

The board of county commissioners met pursuant to adjournment with the following members present: Will H. Rockwell, chairman; Nels Andersen and J. J. Lapsley, commissioners; and Geo. J. Boucher, county clerk, and George W. Leamer, county attorney, when the following business was transacted:

## Lutheran Church Notes

By Rev. C. R. Lowe.

We are much pleased to note an increase in attendance at the church services. This is at it should be. The worship of God in his house is one of the very best things a community can do to make a good community. That in years gone by is what has made Salem the good community that it is. If we would give to our children as good a neighborhood as our fathers gave us we will have to do as they did—go to church.

The young folks will practice at the home of Mr. and Mrs. John Stading next Friday. They, helped by a number of the older people, are preparing some music for Easter. Work at music and the enjoyment of a social evening go hand in hand. The good people of the community are making this possible under the auspices of the church. We know the homes enjoy providing this good times as much as the young folks enjoy enjoying it. The pastor is very grateful indeed to the people for their efforts in this matter.

Salem Ladies Aid will serve a supper at the Salem church, hours 6:30 to 8. A 25c and 35c charge will be made. After supper the program of the evening will begin. So, it in full in another column of the paper. Hard time costumes are the order of the evening.

The Ladies of the Salem Aid and their friends and families made a surprise party on Mr. and Mrs. Geo. Hirschbach on the Island last Friday night. It was just another housewarming for them. There were about seventy people present. After a couple hours of hard visiting, refreshments were served by the ladies. Who will say the Salem congregation is not functioning in social things. Who can tell how much it has to do with the increased attendance noted above.

The pastor preached last Sunday morning under the handicap of a very hoarse voice.

Subject for next Sunday morning, "Judas' kiss of betrayal."

The pastor has suggested a service for Good Friday night, March 24th, at which time we have communion, instead of Palm Sunday or, Easter time. The holy supper is more in harmony with that day than either of the two Sundays. We do not want to have this communion service at a time when the people of the congregation will not be present. Will you come at that time, a few will, of course, but what will we do as a congregation? We will decide it definitely next Sunday morning.

## No Alarm Over Egg Prices

The drop in egg prices should discourage no one from continuing plans to hatch as many pullets as possible this spring, say poultrymen at the state college of agriculture. Mild weather throughout the country resulted in a big midwinter egg production, causing prices to break prematurely early. The hatching and storage seasons are at hand, and these together with the increased consumption of eggs, will in all probability steady the market. There is no question but that lower prices have greatly stimulated consumption in the cities and that many people are now using eggs rather freely for the first time in several years. While it is not to be expected that eggs will be as high in the future as they have been in the past, there is good reason to believe that poultry will continue to be a paying proposition.

## M. E. Church Notes

Rev. S. A. Draise, Pastor

Announcements for the week: The meeting for prayer and bible study, on Thursday evening at the home of Mr. and Mrs. Morris. Ladies Aid on Friday with Mrs. W. P. Warner.

Sunday school at 10 o'clock. Preaching service at 11 o'clock and 7:30 o'clock.

A cordial invitation is extended to all.

The Easter program is under way. The subject of the program is "New Life." It is fine.

Several were absent from Sunday school last Sunday. Hope we may have full attendance next Sunday.

And by the way, do you know how much it would help on the good work if everybody would go to Sunday school and church next Sunday.

Some folks go regularly.

Some folks go occasionally.

Some folks go annually.

Some folks go not at all.

Some folks want to go and can't.

Some folks go—somewhere else.

Come next Sunday, and if the preacher hits you, give him credit for being on his job.

Easter Sunday will be church membership day. Those desiring to unite will have opportunity on that day.

## Agricultural Students Visit Packing Houses

One hundred and fifty boys and girls attending the state agricultural school at Lincoln recently made tour of the packing houses, stock yards and factories in Omaha. Divided into small groups, they studied the packing industry from the time the stock enters the yards until the meat and by-products are ready for sale. Guides from the packing plants and instructors from the agricultural school explained the different stages while the boys and girls watched the operations. The boys were taken through the yards to see the various kinds of cattle, hogs and sheep, and demonstrations were given in the grading of stock. Buyers explained the different classes of livestock, the kinds most desired by the packers, and gave reasons for variations in prices. The girls spent the afternoon visiting food and clothing factories and department stores for the purpose of obtaining ideas relative to the manufacture and sale of various articles. The trip was made with the idea that farm boys and girls should know how the product of their labor is handled after it leaves their hands.

## High School Judging Contest

The seventh annual state high school livestock judging contest will be held at the college of agriculture at Lincoln April 2. The contest is staged jointly by the college and the state department of vocational education and is open to all high schools. More than twenty schools took part last year and double this number will probably enter the contest this year. The two days immediately preceding the contest will be devoted to practice work on stock at the college. A large number of all kinds of stock will be available for the youthful judges to work on. The contest is staged annually to interest high school students in agriculture and livestock raising, and it gives large amount of valuable training. High schools desiring further information should write C. W. Watson, Department of Vocational Education, Temple Bldg., Lincoln.

## ONLY A FEW WEEKS—

and we will wake up some fine morning to find the sun shining on the north side of the fence; and the

## GREEN GRASS—

beginning to show through.

## THE FARSIGHTED FARMER—

and everyone else is beginning to figure on the NEEDED SPRING IMPROVEMENTS—

And, while there are some things that you may be able to get along without for a short time, there are

## NECESSARY BUILDING REPAIRS—

also fences to make and repair.

## YOU MAY BE TIGHT FOR MONEY—

and you may make the old car run another season; but you are going to

## BUY THE BUILDINGS, REPAIRS—

tools you need to do business with, and the fences you need to keep the stock out of the crops just as sure—well, just as sure as you plant a crop.

## LUMBER PRICES ARE LOW—

just as low as Farm Product prices.

## WE HAVE TAKEN OUR LOSS—

along with the producers of crops. We are starting on the New Year with

## CONFIDENCE IN THE FUTURE—

It is the only way during this time of readjustment. We want you to visit our lumber yard often; and we will do our best to serve your needs.
