Col. E. F. Rasmussen, Auct. Jackson State Bank, Clerk.

A fine baby boy was born to Mr. and Mrs. Alfi Pere Saturday.

Miss Nellie Triggs came down from Allen, where she is attending school, and visited over Sunday with her parents.

A marriage license was issued in Sioux City last Wednesday to James Parker, 38, and Lena M. Trampier, 29, both of Hubbard, Neb.

Mr. and Mrs. Ed Frederick went to Grand Island, Neb., last Friday for a visit with Mrs. Frederick's parents, Mr. and Mrs. G. Dunn. They returned Sunday evening.

Harry H. Adair, Elmer H. Biermann, and George Barnett, of this place, and Emmett H. Gribble, of South Sioux City, drove to Merrill, Iowa, Sunday forenoon to see Tommy Walden, who is seriously ill at his home there.

G. F. Broyhill arrived home Saturday evening from a couple of months visit in Los Angeles, Cal., with relatives.

Mrs. Broyhill and little son stopped on the return trip for a visit of a couple of weeks with Mrs. Broyhill's parents at Scottsbluff, Kan.

D. H. Hager accompanied Hal Bridenbaugh on a tour of inspection to Lyons, Oakland and West Point last Friday, where they went to look at some of the well built and modern barns in those communities.

Mr. Bridenbaugh is planning on building a modern, up-to-date barn on his farm this summer, and he is picking ideas as to modern equipment and conveniences.

Chas. T. Barto, for a number of years a resident of this place, died on Saturday at his home in Wakefield, of ailments incident to old age. He was in his 90th year.

Funeral services were held Monday at Wakefield. Mr. Barto was county treasurer of Dixon county for several years. He leaves a large family of children, and numberless friends who sincerely mourn his demise.

At the regular meeting of Dakota Chapter No. 65, Order of Eastern Star, on Tuesday evening, the following officers were elected for the ensuing year: Worthy Matron, Mrs. Don Forbes; Worthy patron, Charles E. Kline; associate matron, Mrs. Harry A. Sides; treasurer, Mrs. H. O. Dorn; secretary, Mrs. C. E. Kline; conductress, Mrs. E. O. Eggenberger; associate conductress, Mrs. G. M. Best.

Strawberries can be grown in about all sections of Nebraska. A small patch in the garden will produce enough for the average family, and a few everbearing plants means a mess now and then throughout the summer and fall. To encourage every family to have a patch, the state college of agriculture has issued a circular discussing varieties, planting, culture, etc., which it will send free to any one interested. Ask any county farm bureau office or the College for circular 11, "Strawberries in Nebraska."

Very little enthusiasm was manifested at the village election Tuesday in Dakota City. Forty-three ballots were cast, and no candidates had filed petitions for the offices, the ballot was blank. However, out of the scattered votes Harry H. Adair was high man with 20 votes; Wm. P. Warner second with 14, and Wm. Biermann third with 12. Mr. Adair and Mr. Biermann succeeded themselves on the board, and Mr. Warner succeeds G. F. Broyhill, the present chairman of the board. Nearly one-half the ballots could not be counted, as the voters neglected to make a cross before the names after writing them on the ballot.

Walthill Times: R. Jeff Taylor of the Emerson Enterprise, Don C. Van Dusen of the Blair Pilot, and Edgar Howard of the Columbus Telegram, should come across with acknowledgments to the editor of the Lyons Mirror-Sun, who, after "fifty-one years" in the newspaper business designates them as "three of the ablest editors in Nebraska."

Brother Warner arrives at his estimate in the course of argument to prove that a well-ordained, up-to-snuff newspaper should put ads on the front page where they will show off like an ice card in a parlor window, and he designates editors who bar ads from the front page as "foolish bi-pedes" and like "suckers and dupe followers after strange gods," they "joined this foolish crew," which is a "fool idea started by some ignoramus," "merely to be in the swim."

With all due respect for Moss's leaves of laurel, his argument otherwise has the sound of a boy whistling to keep up his courage.

Pass the cigars, boys.

Walthill Times: When Mose Warner, of the Lyons Mirror, essayed to plant potatoes on the first of March, he might have broken some records, but he lacked several pieces of traveling in the same class with J. R. Hampton, venerable section boss for the "Q" who dug potatoes big enough to eat on the first day of spring.

While plowing his garden last Tuesday, the Englishman with an Irishman's job unearthed a plateful of murrhies in size from an egg up, in edible condition and showing indications of beginning to sprout.

Mr. Hampton indignantly denies that they are survivors of last year's crop as he did not have that part of his garden in tubers last season and contends that if they are not of this season's growth they must be from a planting two years ago, imbedded so deeply that last year's shallow plowing did not disturb them.

Just then the train pulled in and the question was not resched of fresh eggs in the pyramids of Egypt.

Farm Bureau Field Notes

C. R. Young, County Agent
A community meeting will be held for Covington precinct at the Island school Thursday evening, April 7. A box social, the proceeds of which will go for a community building, will be given. Mr. E. H. Gribble will talk on the marketing system as outlined by the committee of 17. Mr. Gribble is a director to the State Federation, and is familiar with this plan, which should be known by every one interested in agriculture. Community singing and entertainment by local talent will be a part of the program. A woman director to the County Farm Bureau will be elected to represent Covington precinct until January 1, 1924.

At the Nacora school a community meeting for Emerson precinct will be held on the evening of Saturday, April 9th. The program will consist of singing and local entertainment. Mr. E. H. Gribble will explain the marketing system as outlined by the committee of 17, and recently endorsed by the grain belt states. The County Agent will give a summary of the cost of production records, kept by the Farm Bureau last year. An election will be held to elect a woman director from Emerson precinct to the County Farm Bureau with the coming of a Home Demonstration Agent about June 1st. This should be of interest to all women.

The first Junior Club to be organized for the year was a poultry club, organized last Thursday, with Mrs. C. C. Boermann as leader. Those to enroll were Helen Nelson, Helen Slerk, Ora Boermann, Loy Boermann and Ray Boermann, of Dakota City, and Katharine and Anna Daley and Josephine Kennedy, of Jackson.

M. E. Church Notes

Rev. S. A. Draise, Pastor
Plans for the last Sunday services were a little interrupted, the pastor being at Ponca attending the funeral of A. C. Butler, the father of the late Mrs. Draise. The pulpit was supplied by Rev. Arthur Coombs, of Sioux City, who preached interesting sermons for both services. The Communion Service will be held next Sunday morning, and the second of the series will be in the evening. Thursday evening meeting will be at W. P. Warner's home.

The Sunday School roll will also be ready and we hope the absent Sunday School folk will get back to their places.

Everybody should be concerned and interested in church and Sunday School. You will find a welcome and a place if you will come to the Methodist Church.

Lutheran Church Notes

By Rev. C. R. Lowe.
The Salem Ladies' Aid meeting last Friday at the home of Mrs. G. W. Bates was a very pleasant affair. There were a goodly number present, and there is a pleasure in numbers. As you entered the home you shook hands with the hostess and got hold of a glove stuffed full of rags, a hearty welcome, indeed. Some of the folks did not know what to make of it for a bit, and the momentary expression on their faces was a study for an artist. There were handkerchiefs pinned to the floor, and there betical oratorios and pantomimes were tris that did not "tree," alpha-which saved the country. But when it came to lunch, Boy! you would have thought it was Thanksgiving. It was the meeting for the election of officers. The report of the treasurer was that there is upwards of \$600 on interest, and something over \$200 expenses during the past year. The ladies are looking forward to some improvements in the church, which are coming to be badly needed.

In the Community Farm Bureau program that is under way we need a basement for meetings of all sorts. This will come in time when the community realizes the real need of it.

The young people's practice at the same home in the evening was a very good affair. It developed a very fine thing which was something of a surprise to many of us. It has been arranged with Prof. Wicks of Sioux City, to come to the church on Saturday night for the purpose of giving the young people some choral instruction. This is an opportunity for everyone who has an interest in this sort of work to come. It is not arranged for the young people alone, but for everyone in the community who wants to get into it. Mr. Wicks has agreed to come to us for thirty-five dollars a month. There will be some little expense in addition—lights, janitor, books, etc. The expense will be prorated to each person attending. There is no age limit. Fee for three months in advance. A canvas of the community will be made during the week, but there were enough takers of the proposition last Saturday night to assure the first three months' instruction. If you have an interest in the singing there is a place for you.

We are glad to note that the various activities of the church and community are looking up. This will make itself felt in the regular church services. It has already done so.
