NEWSY ITEMS FROM OUR EXCHANGES

Allan News: Miss Elsie Waddell of South Sioux City, spent Saturday night and Sunday morning with her aunt, Mrs. Harden.

Sioux City Journal, 30: Mr. and Mrs. Ed Rochestre and daughter, Betty, of South Sioux City, Neb., spent Tuesday in the R. Havkenberry home in Fairbank street.

Niobrara Tribune: Mrs. Jennie Bayha received word from her daughter, Mrs. Engstrom, that a little girl had arrived at their home and that all concerned were getting along nicely.

Emerson Enterprise: Glen Smith is here from the western part of the state visiting relatives and friends. He is a brother of Sol Smith, and formerly conducted a harness shop in Emerson.

Laurel Advocate: Mrs. Guy Simpson of Jackson, who has been visiting at the home of her parents, Mr. and Mrs. J. H. McCoy, since Friday, returned home yesterday accompanied by her father.

Fonda, Iowa, Times: Mrs. Lillian McLaughlin left Wednesday morning for Emerson, Neb., where she went to attend the funeral of her brother-in-law, George McLaughlin, who died of heart failure in Sioux City Monday night. Mr. McLaughlin had spent the day here the week before.

Walthill Citizen: Miss Alice Ondaerstad went to Allen Friday evening to visit. Mrs. Gilbert Earley was a South Sioux City visitor over Sunday. Mrs. Lee Clement returned home Saturday from a visit in Homer. Miss Geraldine McRoberts was down from Homer Monday to visit her brother Ira. Mrs. W. Whaley was down from Homer yesterday visiting her son, Henry Stoner, and family.

Sioux City Tribune, 27: Desk Sergeant Jens Neilsen is gifted with a sixth sense. Attached at the police station vouch for this, following the arrest of Ole Knutson, 16 years old, of Hubbard, Neb. Knutson called Sergeant Neilsen over the telephone and reported that he had been robbed of \$10. Bluecoats say Sergeant Neilsen "smelled Knutson's breath over the telephone," for he immediately invited Knutson to the police station. He came and Officer Overmire acted as a reception committee by meeting Knutson at the door. He arrested him. Knutson exhibited a blood smeared wallet. He told Sergeant Neilsen "Harry Chillings" took the sack out of his pocket and robbed him of \$10. Knutson was charged with intoxication. "Come on up stairs and lay down a while," was Officer Overmire's invitation. He accepted. He is sobering up on a concrete mattress in the "bull pen."

Ponca Journal: Mrs. Ben Force was a Jackson visitor Wednesday. Donald Ebel of Dakota City was a week-end visitor in the Dayton Austin home. A 9-pound baby girl was born the first of the week to Mr. and

Mrs. Delaney of Waterbury. Mrs. Delaney is a daughter of Mr. and Mrs. Frank Davey. Miss Margaret Twohig entertained at a six o'clock dinner Tuesday evening in honor of her grandmother, Mrs. Catherine Twohig, the occasion being the 84th anniversary of her birth. Those present besides the family were Mr. and Mrs. Joe Davey and children, Catherine, John and Margaret; Miss Ann Wehenkle; Dr. O'Connell; Mr. Allen of Homer, Neb., and Chas Barker of Ponca, have been securing leases for land north and east of Ponca for the purpose of testing for oil and coal. The work is being done under the management of the Northeast Nebraska Development Co., located at Homer. A drilling outfit has been purchased at a cost of \$25,000, and it is said the company will spend a large amount in making a test. As soon as the leases are signed, it is expected that the state geologist will be here to make the necessary survey of the conditions in this locality.

M. E. Church Notes

Rev. S. A. Draise, Pastor

The rainy day folks were on hand about 70 strong and helped to make the cloudy Sunday worth while. Only two or three of the Sunday school did not stay for the service, which was held in the basement. The pictures were fine. We will have something different soon. The centenary committee on conservation and advance sends them out for educational purposes.

The boys' service announced for the evening was postponed on account of the rain and mud.

Mr. Woolworth will come next Sunday evening. The special music prepared for the service will be still better for the day and a big service will be the result. All parents and boys are specially requested to come. Of course, no one is barred, the service is open for all, but the subject will be "Some Boy Problems and How to Solve Them." Everybody will want to be there at 8 o'clock.

You will be in line for some good things also, on Sunday morning. The Thursday evening meeting will be at the Ed Federick home.

Next Sunday is Mother's day. An appropriate address will be given at 11 o'clock. The beautiful custom of wearing carnations in her memory should be followed by everybody, and all go to church.

Farm Bureau Field Notes

C. R. Young, County Agent

On May fifth, at 8:00 p. m., an illustrated talk on hog diseases, sanitation, housing, feeding, etc., will be given at the Elk Valley ranch by the County Agent, Mr. E. H. Gribble, a director for this district to the Nebraska Farm Bureau Federation, will explain the new marketing system as outlined by the committee of 17.

At the Independent Stock Farm, on May 6th at 2:00 p. m., a pocket gopher eradication demonstration will be held. Traps and poison will be for sale.

Because of the rain last Saturday it was necessary to postpone the poultry meeting at Fred Nelson's in Hubbard precinct. This will therefore be held at 2:30 p. m. Thursday, May 5th. Incubation, brooding, feeding young chicks and methods of freeing fowls of lice and mites will be discussed. Those interested are welcome to attend.

In the feeding of young chicks, nothing is better than sour milk to prevent scours. This is also good for poultry of all ages. One precaution, however, should be observed, never feed sour milk in galvanized vessels. The chemical action of the acid from the milk on the galvanizing forms a poison which often kills both old and young fowls. This same acid when fed in other vessels prevents scours. Be sure to cleanse the vessels daily.

Orchard spraying demonstrations were held last Wednesday at M. J. Beacom's in Pigeon Creek precinct and George Hirschback's in Covington precinct. While the crows were not large, yet an increased interest in this line of work was shown.

Farm Bureau Monthly Board Meeting

At the regular monthly meeting of the Dakota County Farm Bureau board, held at the Court House April 29, 1921, the following officers and directors were present: President, C. C. Beermann, vice president, Mrs. J. T. Graham, assistant secretary, Mrs. Don Forbes, secretary, Don Forbes, directors, M. G. Leamer and John Feller, and County Agent C. R. Young.

The secretary's report was read and approved, and the county agent's report was read and approved.

The following bills were allowed on motion by Director Leamer and seconded by Feller, and orders were ordered drawn on the treasurer for the same:

C. R. Young, salary and expense for April	\$191.66
W. E. Davis, office supplies	6.50
Addressograph Co., addresser and plates	19.04
John H. Ream, printing and office supplies	23.66
Pollard Oil Co., gasoline	36.76
Mrs. Don Forbes, telegrams sent to home demonstration agent	3.15
Lois Anderson, stenographer hire	93.34
Total	\$374.11

It was moved by Feller and seconded by Leamer that an order for \$3.00 be paid to C. R. Young to reimburse him for money advanced for pig club, balance due H. J. Meyers for damages to pigs because they were bred. It was moved by Mrs. Graham and seconded by Leamer that the money received by the Allen Brothers as prizes be apportioned as follows: \$25.00 to reimburse Mr. H. J. Meyers for the damage done the two gilts that had been bred, and in the event that the balance of \$22.00 be received from the Hampshire association, it be apportioned as follows: \$3.00 for money advanced by the Farm Bureau and the balance of \$19

Lutheran Church Notes

By Rev. C. R. Lowe.

Rain. It spoiled the services last Sunday morning. There were five persons out for Sunday school. The five of us sang some songs and had a lesson and as there were no one else there by preaching time we all came home. Some of the folks made an effort to be present, but the roads were so slippery they had trouble staying on the grade and so did not get to the church. It was not a very pleasant morning, even though it was not raining at the time we would have been out for the church services. The pastor is never inclined to be critical at such things. He would rather be reasonable and considerate. The only question he would ask is whether other pleasures were denied because of roads and inclemencies or whether they were enjoyed in spite of difficulties. We ought treat God with the same consideration as we treat ourselves when it comes to a matter of pleasures and duties.

Our ladies were very well pleased with the results of their Farm Food sale which was held at Pelletier's store in Sioux City last Saturday. Everything they had was sold out clean till the middle of the afternoon in spite of the rainy day. We want to speak a word of appreciation right here for Mr. Mills and Mr. Tucker of the Pelletier force for their interest in the sale. They made it their business to see that their store customers knew of the sale. These men have our thanks. Many of the employees availed themselves of the opportunity to buy what they wanted at an early hour. What a rush at the opening of the sale. Our ladies hardly had time to open their wares, to say nothing of getting it arranged. The whole matter was both a pleasure and a success. Already they are planning another one. This looks like a basement under the church some time. The pastor understands the men have made the ladies a proposition relating to this, and it looks as though the ladies are in a good way to have the men make good.

We want to call attention to the matter of the catechization which will be taken up as soon as the schools are out. Beginning the first or second of June we want to take up this work which has been laid by for this time because of the impracticability of having the work in the winter. It has been our plan to have the young people come to the church for some days the same as they go to the day schools for this instruction. There are some twelve or fourteen who ought to take up this work at this time. It is hoped that many will make plans for this work, even though they may not be ready to be confirmed. It would be well if the children who are too young to be confirmed might attend, they will get something out of the instruction. We hope the parents will make it possible for their boys and girls to have the time. We know a good deal depends on the parents making arrangements that the young may have the time, and upon the parents desiring this work for their children. If the parents are not interested in it we cannot be surprised if the children are not. This is the work of the church, and since you want the church in the community, you can further the work of the church and your own welfare and that of the youth by making it possible the church can do this work by sending your children. Do not block the work of the church by keeping them home for what work they may

BOYS AND GIRLS CLUB WEEK

(From Farm Bureau News)

The annual boys and girls club week will be held at the Farm Campus, State University, May 30th to June 4th.

For the girls, the week's work will be a short course in sewing, nursing, millinery, poultry and stock judging. The boys will have a short course in the judging of dairy and beef cattle, hogs, horses, sheep and poultry. A reasonable amount of outdoor sports and indoor recreation will be mixed with the week's work.

The week will begin with supper, Monday, May 30th, and end with breakfast, Saturday, June 4th. Those attending should plan for the entire time.

Besides the regular program of work, excursions about Lincoln are planned for each afternoon until Friday, when the entire group will be taken by special train to Omaha to visit the stock yards, packing plants, smelters, and a manufacturing plant.

The young people will be cared for during the twenty-four hours of each day by members of the State Junior department. The girls will be quartered in the women's dormitory and take their meals at the cafeteria. The boys will occupy the engineering building which will be equipped with cots and bedding.

Plans are being made to accommodate between two and three hundred boys and girls. Those who will be privileged to attend, are those to whom free trips have been awarded for achievement in club work; others who have completed a club project with an acceptable final report since June 1, 1920, and those who at the time of the club week are working as a member of a Nebraska club.

Admission will only be made upon written application signed by the boy or girl and a parent. The application should be mailed not later than May 11. Blanks for this purpose may be secured from the Farm Bureau office.

A fee of \$10 will be charged each one not having earned a free trip. This will cover board and lodging, and all of the trips mentioned. Those attending should take but very little extra money, and leave all valuables at home.

Parents and club leaders may attend and will be furnished meals at a reasonable price. Under no consideration will club members be privileged to visit about the city during the week.

MOTHERS' DAY

NEXT SUNDAY

Special Sermon, "Mother's Influence."

Are you just to your community if you do not support the best institution in the community aside from your home? Are you just to yourself if you support the church with your money and do not attend its services in order to be benefited? Go to church.
