HOMER

The Wigery is visiting relatives in this locality.

Misses Margaret Stidworthy and Ruth Small returned from Tekamah Tuesday, where they were guests at a house party.

Mr. Westover of Lincoln, was a week-end guest at the Dr. D. B. Stidworthy home, returning to Lincoln Tuesday.

Chas. Holsworth and his nephew Lewis Pilgrim, were Sioux City visitors Tuesday.

Jake Leamer and wife, of Morning side, motored to Homer Wednesday evening, accompanied by Miss Nadine

shepardson who was their guest while a morningside representing the Red-path chautauqua.

Miss Mayne Holzworth was a Sioux City visitor one day last week.

Ed Norris and family returned to Walthill Thursday.

Mrs. Tom Allaway and children of south Sioux City visited in Homer Thursday with relatives.

Mrs. H. A. Monroe of South Sioux City, visited her aunt, Mrs. Rachael Kanear, Thursday.

Thursday evening the friends of Prof. and Mrs. Swett gave them a farewell picnic. A very enjoyable time was reported.

We think the expense of a "weed ordinance" is hardly necessary, as there must be one down in under somewhere, for we have been ordered to cut weeds and clean up every year. It is doubtless keeping company with the "curfew" and "dog" ordinances, and a few more that are forgotten as soon as the expense is paid.

James Harris and wife, son Dick, and granddaughters Lulu and Ardath, motored to Sioux City Thursday.

Mrs. Harry Fudge arrived Friday from Fort Riley, Kan., to visit her parents, Dr. and Mrs. Stidworthy.

The Misses Mabel Rasmussen, Ida Pedersen, Helen Renz and Mrs. Wilbur Allen came home from Wayne Saturday evening to spend the 4th.

Several homes were left in darkness Sunday night during the electric storm. James Allaway, jr., had a regular artillery bombardment from his lights.

Dr. Daily motored to Lincoln Saturday evening to visit his parents over the Fourth.

M. Meneric of Sioux City visited his daughter, Mrs. Geo. Rockwell, the Fourth.

Miss Lura Whaley spent the Fourth with home folks, Miss Mamie Clapp of Dakota City, accompanied her.

George Wilkins of Lincoln, was an incoming passenger Sunday.

We had a million dollar rain Sunday night, after a long drought. It poled our Fourth, but we can stand it for the good it did.

Miss Christine Jensen went home Saturday evening to spend the 4th with relatives.

Frank Church and wife, Miss Helen Shull and Art Williams took in the fireworks in Sioux City Monday evening.

Audrey Allaway and wife spent Sunday and over the Fourth with relatives in Dakota City.

Misses Mary, Florence and Helen Renz, Miss Helen Bolster and Joe Renz motored to Fremont Sunday to spend the Fourth at the Will Jackson home. Helen and Mary Renz and Helen Bolster returned on the train Monday evening—too much and. Miss Florence remained for a longer visit with her aunt, and Joe will drive the car back when the roads permit.

Misses Addie and Bessie Goff of Lyons, spent over the Fourth with relatives and friends in Homer.

Miss Lura Goodsell, who is assisting her uncle at Winnebago in his restaurant, spent Sunday and the 4th with home folks.

Harold McKinley spent several days with home folks this week.

SALEM

Ernest Runge and family visited in the Louis Bartels home in Homer Tuesday.

F. P. Culbertson left Wednesday for a visit in the H. Wesley Brown home at Harwick, S. D.

Leslie S. Bliven has moved his old residence back to a new location, to make room for a modern new farm home which he will build.

We are all pleased to hear that the H. E. Brown's Family Orchestra has consented to give an entertainment this Thursday evening, July 7. The Farm Bureau was lucky to secure the Brown Family for their July entertainment.

HUBBARD

The marriage of Miss Rose Grace McGinnis, of Sioux City, and Patricia Jones, of Hubbard, was solemnized Tuesday morning at 8 o'clock at the Cathedral of the Epiphany, in Sioux City. The nuptial mass was read by Rev. T. J. McCarty before a gathering of personal friends and relatives, who were guests at wedding breakfast served at the home of the bride immediately after the ceremony. The bride wore a gown of white satin with Chantilly lace trimmings and billies of the valley. She was attended by her sister, Miss Irene McGinnis, as bridesmaid, and Michael Jones, a brother, of Sioux City, was best man. Miss McGinnis wore an orange colored taffeta frock and a picture hat of the same shade. She carried an arm bouquet of Columbia roses and sweet peas. Mr. and Mrs. Jones departed Tuesday evening for Chicago. They will take the Great Lakes trip and visit places of interest in Canada before returning to make their home in Sioux City. They will return August 1.

Milk Cows Need Good Water

Successful farmers say it pays to provide plenty of good, clean, cool water for milk cows. Eighty-seven per cent of milk is water, as is nearly three-fourths of a cow's body. The State College of Agriculture says that large amounts of water are necessary for the production of the

milk itself and the assimilation of the large quantities of feed required to make the milk. Experiments show that the amount of water required is in direct proportion to the amount of milk produced. In the summer a cow will require an amount of water equal to about three times the amount of milk produced. In one case a cow giving 27 pounds of milk drank 77 pounds of water daily. The same cow drank but 15 pounds daily when giving no milk. A cow giving 100 pounds of milk daily drank more than 250 pounds of water. The amount of water required depends, of course, on the amount of milk the cow is producing, the kind of feed she is receiving, and the weather. However, in all cases it is considered good practice to provide an abundance of good water, fresh and clean, cool in summer and warm in winter.

MEETINGS AND DEMONSTRATIONS FOR JULY

From the Farm Bureau News:
POULTRY MEETINGS
We are fortunate this month in securing the use of a set of government lantern slides, of interest to poultry raisers, for use in illustrating poultry talks. The subjects to be discussed at these meetings will be standardization of fowls, breed characteristics, housing, feeding, etc. The poultry industry is today one of the largest and most profitable ones in the state, as well as the county. Men, women and children should be interested in these meetings, which will be held on the following schedule:
Elk Valley church, Monday, July 11.
Hubbard school, Tuesday, July 12.
Walkers Island school, Sat. July 16.
Meetings will begin at 8:30 p. m.

MARKETING MEETING

Mr. Geo. R. Boomer, marketing specialist from the state extension office, will spend three days in the county during July. He will explain the grain marketing system soon to be put in operation by the U. S. Grain Growers, Inc., and other forms of cooperative marketing, especially that of live stock and poultry produce. Mr. Boomer is a very entertaining speaker, as well as one who knows his subject. We feel sure that the women will be as glad to hear him as the men.

Meetings will be held at:
Nacora school Wed. July 13.
Curran school, Thursday, July 14.
Hale school, Friday, July 15.
Meetings will begin at 8:15 p. m.

POULTRY CULLING

There is nothing that means more to the poultry industry on each farm than the culling out of non-profitable hens and proper feeding for egg production. After the chickens have been raised and the eggs produced, it is essential that we realize a fair price for them. Market-

ing and feeding is therefore to be a consideration at a series of culling demonstrations to be held as follows:
Beck Nelson's, Omadi precinct, July 18, 2 p. m.
Wm. McAfee's, Pigeon Creek precinct, July 19, 9 a. m.
Ray Goddard's, Hubbard precinct, July 19, 2 p. m.
Jos. Brennar's, St. John's precinct, July 20, 2 p. m.
Chas. Blessing's, Covington precinct, July 21, 2 p. m.
E. L. Iden's, Covington precinct, July 22, 2 p. m.
Jos. O'Donnell's, Summit precinct, July 26, 2 p. m.
Otto Zeisler's, Emerson precinct, July 27, 2 p. m.
G. H. Ogburn's, Fiddler Creek, July 28, 2 p. m.
A poultry specialist will assist with the first four of these meetings. The others will be put on by the County Agent.

JUNE HAPPENINGS

From the Farm Bureau News:
Mr. Newton W. Gaines, of the State Extension office, who our people are always glad to listen to because of his entertaining manner of speaking, spoke during the month, before the Hubbard, St. John's and Omadi communities. A good crowd was present at these meetings.

Referendums were conducted during the month in Emerson, Hubbard, Covington, Pigeon Creek, Omadi and in the Fiddler Creek communities. The 16 points of the legislative program of the American Farm Bureau Federation were discussed and voted upon. A petition asking Congress to loan money now in the hands of the U. S. Grain Growers' Corporation, to foreign countries in order that they may purchase American farm products, was also circulated at these meetings.

Livestock Improvement meetings showing the advantages that may be gained from the use of purebred sires of good individuality, were held in Emerson, Summit and Fiddler Creek communities. These talks were illustrated by the use of lantern slides from the U. S. Department of Agriculture.

Orchard spraying demonstrations were held on the M. J. Beacom farm in Pigeon Creek precinct and the Guy Manning farm in Covington. Both of these men have conducted this work during the season and hope to have some definite results when the crop is harvested.
