NEWSY ITEMS FROM OUR EXCHANGES

Ponca Journal: Mr. and Mrs. Conrad Jacobson and Mr. and Mrs. P. D. Fales were in Sioux City Sunday.

Emerson Enterprise: George Rockwell, of the Farmers Exchange store at Homer, was in Emerson last Friday looking after business matters.

Ponca Advocate: Bert Grosvenor, of Daily, and Harry Grosvenor, of Goodwin, autoed to Herman, Neb., on Saturday, being called there by the death of their sister, Mrs. Robert Schenck.

Walthill Citizen: Mrs. Swan Olsen and Mrs. J. F. Cornwall were Homer visitors Saturday and Sunday.

Mrs. Alberta Wilson and daughter Dorothy, went to Homer Tuesday to visit her sister, Mrs. Harry Wilson.

Allen News: Melvin Triggs is home again, after serving with the navy for some time.

Mrs. C. D. Hall, of Hinton, Iowa, came Monday evening for a visit at the E. Triggs home.

Wakefield Republican: Mr. and Mrs. Geo. Dixon, Mrs. Wilbur and Mr. and Mrs. Savidge of South Sioux City, motored up last Sunday and spent the day at the home of Mr. and Mrs. L. P. Dixon. The above item read "at the home of Mr. and Mrs. L. P. Larson" in last week's Republican. We gladly make the correction.

Fonda, Iowa, Times: A deal was completed this week whereby Burt Kroesen, of Fonda, will become the owner and publisher of the Varina Reporter, and publish the paper next week. Loran B. George, of Laurens, a former employe of the Times office at Fonda, will become the editor of the Reporter. Mr. George has just recently returned from three years service in the navy and is at present employed on the Laurens Sun. Editor Karst and his family, who have undoubtedly given Varina the best of newspaper service, will move to South Dakota, where they have a splendid newspaper opening in a larger field than Varina affords.

Sioux City Journal, 29: Burglars once more broke into the railway ticket office in South Sioux City on Tuesday night after cutting out a window pane. The office was ransacked completely, but the strange visitors obtained no loot as far as could be ascertained by the station agent. The gum machine which has been the target of the burglar's hammer on previous occasions was demolished and it is believed a few cents were removed from it. A pay roll of \$10,000 was said to have been in the safe Tuesday, but had been distributed in the afternoon to employees. Police believe that the job was

done by local talent as the same depot has been broken into on several occasions this year. The office was found in disorder.

Sioux City Journal, 1: Death to two horses followed a runaway on the road between South Sioux City and Dakota City Friday, when a team driven by Martin Knipe, a farmer, became frightened at a passing motorcycle, broke away from the driver and after a mad gallop of a mile plunged into a barbed wire fence. Knipe was thrown twenty feet, but was uninjured, falling into a bunch of grass. The horses, tearing along the wire, tore strips of hide from their bodies several inches in width and three or four feet in length.

Knipe was on his way to Sioux City with a can of cream, six cases of eggs and three crates of chickens. The eggs and cream are a total loss, and the chickens escaped from the broken crates. Knipe recently moved to Dakota county from near Nebraska City, and had purchased the team two years ago for \$350.

Winneshago Chieftain: Clint Huffman made a trip to Dakota City on Monday.

J. F. Foltz, who was taken to Sioux City for treatment, is home again.

Mrs. Florence Lewis and Mrs. Ira Pilgrim of Sioux City, cousins of Mrs. Bert Boyd and Mrs. John E. Morgan, were here between trains Wednesday.

Mr. and Mrs. John Morgan arrived Sunday from Miles City, Mont., with the remains of their twin boy, who died at the age of 6 months. Funeral services were held at the church Sunday afternoon, attended by many friends. Interment in the Homer cemetery.

S. Toledo Sherry was in town on Tuesday and informed us that his home town, South Sioux, was growing faster than any town of its size in the state. Speaking of the unsavory reputation of his town which is also rapidly growing, he made the following concurring and magnanimous remark: "We don't propose to have our children run down by autos and, by the eternal God, we are not going to—ah." And he might have added "until our paving is paid for." With such a guardian angel as Sherry the dear little South Soos buds of promise are free from all danger.

Official Proceedings of the Board of Commissioners

Dakota City, Neb., Sept. 26, 1921. The Board of County Commissioners of Dakota County, Nebraska, met pursuant to adjournment, and to the order heretofore made on the 12th day of September, 1921. Present: William H. Rockwell, chairman; Jas. J. Lapsley and Nels Anderson, members of the board; Geo. J. Boucher, county clerk; Geo. W. Leamer, county attorney, and Joe M. Leedom, county surveyor.

In the Matter of the Organization of the Proposed Dakota City Drainage District:

Now, on the 26th day of September, A. D. 1921, at 11 o'clock A. M., the time heretofore fixed as the time for hearing all objections to the organization of said proposed district, and the proposed boundaries thereof, of the Board of County Commissioners proceeded to act upon the petition of Andrew J. Kramer, C. H. Maxwell, and more than fifteen other free holders within said proposed drainage district, filed with the County Clerk of said county on the 27th day of August, 1921; and the petitioners appearing in person, and by counsel, and the remonstrators and objectors appearing in person and by counsel, and after having given all persons interested opportunity to be heard, and a thorough investigation by said Board of County Commissioners, accompanied by the County Surveyor, having been made of the territory covered by the proposed district, and having carefully considered the proposed boundaries of said district and all conditions present, upon the ground, and having heard all of the evidence and all of the statements of the parties present or interested, and having fully by actual view examined the premises, and being fully advised as to all matters pertaining to the organization of the district and its boundaries, the following preamble and resolution was presented, and upon motion duly made, seconded and carried, was adopted:

Whereas, on the 27th day of August, 1921, Andrew J. Kramer, C. H. Maxwell, and more than fifteen other free holders, filed their petition in the office of the County Clerk of Dakota County, Nebraska, accompanied by their good and sufficient bond, as provided by law, praying for the formation and organization of a drainage district under the name of "Dakota City Drainage District", and the Board of County Commissioners, in a regular session on the 12th day of September, 1921, and the Court House in Dakota City, at the time and place for a hearing upon said petition, and directed the County Clerk to make such order, which hearing has been regularly adjourned to this date, and

Whereas, The Board of County Commissioners of said County of Dakota, have heretofore taken to their assistance the County Surveyor of said County of Dakota, and with him have inspected the lands, easements, and property of all kinds in any way affected by, or to be affected by the organization of said proposed drainage district, and by the proposed improvement; and have also reviewed, inspected and investigated the adjoining lands, and have fully inspected, reviewed and investigated the proposed boundaries of said district, and whether said boundaries are reasonable and proper, and whether the district will be conducive to the public health, convenience and welfare; and this Board having given a hearing to the various persons interested, and being fully advised in the premises, doth find and resolve as follows: Therefore be it Resolved:

FIRST. That it will be conducive to the public health, convenience and welfare to form a drainage district, as prayed for and requested in said petition.

SECOND. That said District, if formed, shall have five Directors.

THIRD. That each of said Directors shall be required to give bond in the penal sum of \$1,000.00.

FOURTH. That said District shall be bounded as follows:

Beginning at a point in the center of the main channel of the Missouri River due east of the northwest quarter of the southeast quarter, Section 22, Township 29, Range 9, East of the Sixth Principal Meridian, in Dakota County,

Nebraska; thence running west to said northwest corner of the northeast quarter of the southeast quarter of said Section 22; thence due south along the quarter-quarter line running through Sections 22 and 27 in said Township and Range, to the southwest corner of the southeast quarter of the northeast quarter of said section 27; thence due west along the half section line to the center of said section 27; thence due south along the half section line of said section 27, to the northwest corner of the southwest quarter of the southeast quarter of said section 27; thence due west along the quarter-quarter line of section 27, to the west line of said section 27; thence due south along said section line to the southwest corner of said section 27; thence due east along the north section line of section 33, in said Township and Range to the northwest corner of the northwest quarter of the northeast quarter of said section 33; thence south along the half section line to the center of said section 33; thence due west along the half section line to the northwest corner of the northeast quarter of the southwest quarter of said section 33; thence due south along the quarter-quarter line to the northwest corner of the southeast quarter of section 4, Township 28, Range 9, East of the Sixth Principal Meridian; thence due west along the quarter-quarter line of said section 4; thence south along the west line of section 4, to the half section line running east and west through sections 4 and 5, in said Township and Range; thence due west along the half section line running east and west through sections 5 and 6, Township 28, Range 9, and section 1 and 2, in Township 28, Range 8, to the west line of section 2, Township 28, Range 8, East of the Sixth Principal Meridian; thence due south along the west line of sections 2, 11, 14, 23 and 26, in Township 28, Range 8, to the southwest corner of said section 26; thence due east along the south line of section 26, to the southeast corner of said section 26; thence due south along the west line of section 36, Township 28, Range 8, and along the west line of section 1, Township 27, Range 8, to the southwest corner of said section 1, Township 27, Range 8; thence due east along the south line of section 1, and along the south line of section 6, Township 27, Range 9, East of the Sixth Principal Meridian to the southeast corner of said section 6; thence due north along the east line of said section 6, to the northeast corner of said section 6; thence due east along the south line of section 32, Township 28, Range 9, East of the Sixth Principal Meridian, to the southeast corner of said section 32; thence due north to the northeast corner of the southeast quarter of the southeast quarter of said section 32; thence due east to the center of the main channel of the Missouri River; thence northerly along the center of the main channel of the Missouri River along the eastern boundary of the State of Nebraska and Dakota County to the point of beginning, all in Dakota County, Nebraska.

FIFTH. That said boundaries so made, as above set forth, are reasonable and proper, and will do justice and equity to all persons, and will promote the interest of said district, if formed, and that all of the acreage of said district is wholly within Dakota County, Nebraska.

Voting "Aye," Rockwell, Anderson and Lapsley. Voting "No," None.

WILL H. ROCKWELL,
Chairman of the Board of County Commissioners of Dakota County, Nebraska.
Attest: GEO. J. BOUCHER,
County Clerk of Dakota County, Neb.
Board adjourned to meet September 27, 1921.

GEO. J. BOUCHER,

Ever Seen a Range Built as of Solid Gold?

We invite you to admire this new, practically everlasting coal and wood range with its outer walls and high closest built of a golden metal that makes it the counterpart in appearance of a range built of solid gold! Its beauty is indescribable—it must be seen. Nothing like it have you ever witnessed. And the new metal—heavy, thick "copperoid"—retains its golden color, is not discolored by heat, cleans easily, defies rust, does not chink, crack or break. See it and marvel!

ROUND OAK COPPEROID CHIEF RANGE

Great production has priced this new beauty surprisingly low. And the price is guaranteed. Terms arranged.
