A vote for River Protection is a vote for an improvement that will benefit every property owner in the vicinity of the improvement. If it increases the value of a farm adjacent to the river, it will also in-crease the value of the farms adjoining it accordingly. Think it over, the time has come when you can either make or mar a matter of vital interest to all. No one or two persons, nor a railroad company is going to spend much time or money pro-tecting your interests it is cheaper to move, and it may soon be your move.

by the graduate school of the Univer-sity of Iowa. After receiving his collegiate training at Morningside he received his M. S. degree at the Uni-versity of Iowa in 1917. During the war he served in the Science and Re-own, the Sioux City high school sec-own defortball team deforted the foot. Mr. George Boomer of the State University of Nebraska, was a visitor last week. He gave the High School a splendid talk. We will be more than the foot.

received his M. S. degree at the University of Iowa in 1917. During the war he served in the Science and Re-search division of the Signal Corps, after which he was assistant profes-sor of Physics at the University of Oklahoma in 1919. He is a member of Sigma Xi and of Gamma Aupha, the graduate scientific fraternity. Schriever made quite a scholastic record for nimself while in Morning-side aad his achievements downstate are only a continuation of the good showed up well in grabbing the oval out of mid air and advancing the ball into enemy territory. The first Sioux touchdown came after six minutes of playing, by an off tackle smash by Fred Johnson, in the first quarter. Johnson failed to kick goal. In the second half, Sioux City carried the hall to the Jackson 5 yard line. Peter Grochowski carried the pigskin over to the second to uchdown. Johnson

for the second touchdown. Johnson any time.

kicked goal. kicked goal. In the fourth quarter there was a slight disturbance on the part of the Jackson players on the argument that a touchdown made by O'Neill, on a right end run was unfair. The touch down was revoked by the officials and therefore the six points did not on. We will hold our regular quarterly the close of the 9th week of school. The examinations will cover all subject matter gone over some good hard studying from now and therefore the six points did not on. Some notice of Good Literature Day was taken last Sundiy. Are you a

his power to compel such child to at- ! tend some public, private, denomi-national, or parochial school which the person having control of such he made by the people of this com-

compulsory education law. Mr. Bar-nett has police powers in the en-forcement of this law. It may be important to know that any person who violates this law more than once in any one school year re-ceives a written notice for but the first offense. For the subsequent offenses he is to be brought before the judge without a written notice. The fine for each offense is not to be less than \$5,00 nor more than \$100,00, or not to exceed three months in the or not to exceed three months in the county jail.

the county commissioners have ap-propriated funds this week to pay the county attendance officer and other expenses connected with the enforcement of this law. This It is now up to all of those fine. who have to do with the functioning of this law to make good. I am sure, however, that superintendents, principals, teachers, members of school boards, county superintendent, and attendance officer will be glad indeed to see all persons in charge or control of children comply with the law immediately and save them the disagreeable task of carrying out their respective parts of the law, and getting the results expected of them. On the other hand, we shall hope that the results sought will be obtained, and that no one will be narrow enough to become resentful to-

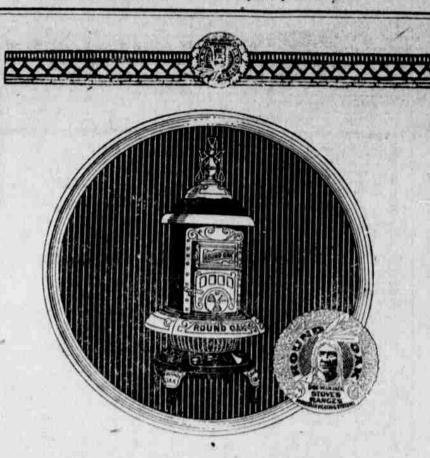

wards any of us for doing the duty required of us. I have appointed George Barnett of Dakota City as the attendance officer. He will begin work on October 26th, and investigate the case of any child in the county who is un-lawfully absent from school. Under
