The ladies of the Methodist church gave a reception Monday evening at the home of Rev. and Mrs. Connell in honor of Mr. and Mrs. Esaney who left Tuesday for Council Bluffs, where they will reside in the future. During their residence here this family has made many warm friends who grieve to see them go. Mrs. Esaney was one of the foremost workers in the interest of the church and will be sadly missed. As a token of their love and appreciation the ladies presented her with a beautiful set of table linen. The best wishes of the entire community follow them as they now return to their old home in Council Bluffs.

The Advent school began Monday with Miss Emma Runck as teacher. This lady has been attending school in Lincoln for several years and is well fitted for her position.

The entertainment given at the En-year school house last Friday night under the management of the teacher, Miss Kendrick, was a great success. The program was one of the best ever given in this part of the country and was a credit to Miss Kendrick and the pupils who so ably assisted her. This is one of the most progressive schools in the county, possessing a fine start in the way of a library, and the proceeds from this entertainment will go to add several nice books to the collection.
