Amusing Editorial Squibs.

This amusing excuse was given by the editor of an Indian vernacular paper, which was printed with two columns left blank on the most important page, says the London Express:

"We had reserved this space for an exceptionally powerful article on a subject of universal interest to our readers, but at the last moment we find the article cannot be compressed into the two columns reserved for it. The article will make its appearance next week.

Another Hindu editor, who wanted a holiday, published this editorial:

'As we are beginning to feel the physical and metal effects of a year's unremitting devotion to the interests of our readers, we feel it due to them that we should take a rest, which our labors in their behalf demand and deserve, and as a natural consequence beg to notify that this paper will cease to appear for the space of four weeks.'

He Despised Officeseekers.

President Roosevelt was telling a friend about his mail, which averages all desirable sold at just about steady 500 or 600 a day. Only Open in Summer.

A sense of humor is not a very strong characteristic of the English clergy, but occasionally some of them possess its saving grace, says the London Tatler.

Canon Knox Little tells a story of being asked once to preach in the country, and being in the neighborhood went to inspect the church in question beforehand.

He arrived at a side door, over which was carved in stone, "This is the Gate of Heaven," but underneath was written, "This door is only open in summer.

CONSTIPATION STARTED YOUR SUFFERING. CURE IT AND YOUR AFFLICTION WILL VANISH. Mull's Grape Tonic Cures Constipation. When the bowels move irregularly the entire bodily system must suffer. Constipation more frequently occurs among women and it mani-fests itself in provoking profuse leucorrhea and other serious female diseases. Regular bowels will result in a complete cure when you use Mull's Grape Tonic. Unlike pills and ordinary cathartics, this remedy is a mild, gentle laxative in addition to being a greater flesh-builder, blood-maker and strength-giver than cod liver oil or any other preparation recommended for that purpose. Mul's Grape Tonic will permanently cure the most obstin-ate case of constipation, and the numerous afflictions that invariably follow in its wake. No matter if it is piles, liver complaint, kidney disorder, vertigo, palpitation of the heart, diarrhea or the self-poisoning which follows

when the undigested food remains in the bowels where it putrefles and empties highly diseased germs into the blood, such as typhoid and malaria, Mull's Grape Tonic will positively cure. Large sample bottle will be sent free to any address on receipt of 10 cents to cover postage, by the Lightning Medicine Co., Rock Island, Ill. Send name of your druggist.
