

DAN GROSVENOR SAYS:

"Pe-ru-na is an Excellent Spring Catarrh Remedy—I am as Well as Ever."

HON. DAN A. GROSVENOR, OF THE FAMOUS OHIO FAMILY.

Hon. Dan A. Grosvenor, Deputy Auditor for the War Department, in a letter written from Washington, D. C., says:—

"Allow me to express my gratitude to you for the benefit derived from one bottle of Peruna. One week has brought wonderful changes and I am now as well as ever. Besides being one of the very best spring tonics it is an excellent catarrh remedy."

DAN A. GROSVENOR.

In a recent letter he says:—
"I consider Peruna really more meritorious than I did when I wrote you last. I receive numerous letters from acquaintances all over the country asking me if my certificate is genuine. I invariably answer yes."—Dan A. Grosvenor.

A County Commissioner's Letter.

Hon. John Williams, County Commissioner, of 517 West Second street, Duluth, Minn., says the following in regard to Peruna:

"As a remedy for catarrh I can cheerfully recommend Peruna. I know what it is to suffer from that terrible disease and I feel that it is my duty to speak a

good word for the tonic that brought me immediate relief. Peruna cured me of a bad case of catarrh and I know it will cure any other sufferer from that disease."—John Williams.

A Congressman's Letter.

Hon. H. W. Ogden, Congressman from Louisiana, in a letter written at Washington, D. C., says the following of Peruna, the national catarrh remedy:

"I can conscientiously recommend your Peruna as a fine tonic and all around good medicine to those who are in need of a catarrh remedy. It has been commended to me by people who have used it, as a remedy particularly effective in the cure of catarrh. For those who need a good catarrh medicine I know of nothing better."—H. W. Ogden.

W. E. Griffith, Concan, Texas, writes: "I suffered with chronic catarrh for many years. I took Peruna and it completely cured me. I think Peruna is the best medicine in the world for catarrh. My general health is much improved by its use, as I am much stronger than I have been for years."—W. E. Griffith.

A Congressman's Letter.
Congressman H. Bowen, Kuskin, Tazewell county, Va., writes:

"I can cheerfully recommend your valuable remedy, Peruna, to any one who is suffering with catarrh, and who is in need of a permanent and effective cure."—H. Bowen.

Mr. Fred D. Scott, Laure, Ohio, Right Guard of Hiram Foot Ball Team, writes: "As a specific for lung trouble I place Peruna at the head. I have used it myself for colds and catarrh of the bowels and it is a splendid remedy. It restores vitality, increases bodily strength and makes a sick person well in a short time. I give Peruna my hearty indorsement."—Fred D. Scott.

Gen. Ira C. Abbott, 906 M street N. W., Washington, D. C., writes:—

"I am fully convinced that your remedy is an excellent tonic. Many of my friends have used it with the most beneficial results for coughs, colds and catarrhal trouble."—Ira C. Abbott.

Mrs. Elmer Fleming, orator of Reservoir Council No. 168, Northwestern Legion of Honor, of Minneapolis, Minn., writes from 2535 Folk street, N.E.:

"I have been troubled all my life with catarrh in my head. I took Peruna for about three months, and now think I am permanently cured. I believe that for catarrh in all its forms Peruna is the medicine of the age. It cures when all other remedies fail."

As a systemic catarrh remedy Peruna eradicates catarrh from the system wherever it may be located. It cures catarrh of the stomach or bowels with the same certainty as catarrh of the head.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address: Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Mrs. Elmer Fleming, Minneapolis, Minn.

Treat Catarrh in Spring.
The spring is the time to treat catarrh. Cold, wet winter weather often retards a cure of catarrh. If a course of Peruna is taken during the early spring months the cure will be prompt and permanent. There can be no failures if Peruna is taken intelligently during the favorable weather of spring.

Attention is called to the advertisement of the Lincoln Importing Horse Company. They have a large number of imported black Percherons, English Shires and German Coach stallions which they are offering a special inducement to buyers in the way of a discount of 20 per cent. This company has been in business in Lincoln for sixteen years with the largest and most convenient barns in the United States; one barn costing over \$10,000. They own their own plant and their guarantees and statements are well fortified, both financially and morally. This is a rare chance to buy a first-class stallion at a low price. Visit their barns or write them at once.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address: F. J. Insurance Man's Fast Ride.
James H. It cost him \$1,000 to do it.

An Equivocal Acknowledgment.
One of the many congressional friends of William H. Crane, the actor, sent him a box of cigars. Now I am turning them away."

"Major Bridges."
Here is a story told of King Edward of Great Britain. One time the king, in a crowd, was deferentially saluted by an elderly gentleman whose face seemed familiar. With his customary urbanity, his majesty said: "I believe I have met you before, but for the moment your name escapes me." The little old gentleman made an old-fashioned bow. "Made your breeches, sire," he replied, in confusion. "Ah, of course," said the king; "how d'ye do, Major Bridges."

MORE THAN HALF.

Suffer From Coffee Drinking.
Coffee does not set up disease with all people using it, on the other hand it absolutely does create disease in thousands and thousands of cases perfectly well authenticated and traceable directly to coffee and nothing else.

This statement may hurt the feelings of some coffee drinkers but the facts are exactly what they are. Make inquiry of some of your coffee drinking friends, and you may be certain of one thing, one half of them, yes more than half, suffer from some sort of incipient or chronic disease. If you want to prove it's the coffee, or would prefer to prove it is not the coffee in these cases, take coffee away from those persons for from ten days to a month, don't change the food in any other way but give them Postum Food Coffee, and the proof of whether coffee has been the trouble or not will be placed before you in unmistakable terms.

A young lady in the St. Mary's Academy, Winnipeg, Can., says, "One of our teachers suffered a long while from indigestion. She was a coffee drinker. She became worse steadily and finally was reduced to a point where the stomach did not retain any food, then electricity was tried but without avail. She, of course, grew weak very fast and the doctor said the case was practically incurable."

"About that time I was attracted to a statement in one of the papers regarding the poisonous effect of coffee and the value of Postum Food Coffee. The statement was not extravagant but couched in terms that won my confidence and aroused me to the belief that it was true. I persuaded our teacher to leave off the morning cup of coffee altogether and use Postum Food Coffee."

"A change took place. She began to get better. She has now regained her strength and is able to eat almost every kind of food and has taken her position as teacher again." Name given by Postum Co., Battle Creek, Mich.

WOMAN'S GENTLE NATURE CALLS FOR GENTLE TREATMENT

Delicately formed and gently reared, women will find, in all the seasons of their lives, as maidens, wives, or mothers, that the one simple, wholesome remedy which acts gently and pleasantly and naturally, and which may be used with truly beneficial effects, under any conditions, when the system needs a laxative, is—Syrup of Figs. It is well known to be a simple combination of the laxative and carminative principles of plants with pleasant, aromatic liquids, which are agreeable and refreshing to the taste and acceptable to the system when its gentle cleansing is desired.

Many of the ills from which women suffer are of a transient nature and do not come from any organic trouble and it is pleasant to know that they yield so promptly to the beneficial effects of Syrup of Figs, but when anything more than a laxative is needed it is best to consult the family physician and to avoid the old-time cathartics and loudly advertised nostrums of the present day. When one needs only to remove the strain, the torpor, the congestion, or similar ills, which attend upon a constipated condition of the system, use the true and gentle remedy—Syrup of Figs—and enjoy freedom from the depression, the aches and pains, colds and headaches, which are due to inactivity of the bowels.

Only those who buy the genuine Syrup of Figs can hope to get its beneficial effects and as a guarantee of the excellence of the remedy the full name of the company—California Fig Syrup Co.—is printed on the front of every package and without it any preparation offered as Syrup of Figs is fraudulent and should be declined. To those who know the quality of this excellent laxative, the offer of any substitute, when Syrup of Figs is called for, is always resented by a transfer of patronage to some first-class drug establishment, where they do not recommend, nor sell false brands, nor imitation remedies. The genuine article may be bought of all reliable druggists everywhere at 50 cents per bottle.
