

FIRST BIG GALA DAY OF THE SEASON.

Morris & Rowe's Big Shows at Alliance August 13.

What promises to be one of the big events of the season is the forthcoming visit to this city of Morris & Rowe's Big Shows. Beyond question there is not an amusement institution in America that has such a hold on the public's favor as these big moral shows. The rise of this great enterprise is phenomenal. It is now the largest and best. The past season was a record breaker. In San Francisco, Portland, Seattle, Salt Lake, Denver, Kansas City, Duluth, Chicago, New York and New Orleans hundreds were turned away at every performance and its tour was one continuous ovation. The press and public were unanimous in declaring it to be the brightest and best show of its kind in existence and it made an undying name for itself and its hustling progenitors. The career of Morris & Rowe illustrates the typical thrift, integrity of purpose, ingenuity of representative western men. Their success has nearly all been achieved in the west and western ideas of honesty and fair dealing have gained for them a reputation that is as carefully preserved as it is well merited. Among the new animal acts which will be presented this year are the trained Llamas, Camels, Buffaloes, Elephants, Seals and Sea Lions in startling, new and wonderful features. In addition to the animal acts a complete company of circus gymnasts and acrobats have been added so that taken all in all they will give as complete a performance as one could wish to witness.

The republican county convention is called for tomorrow afternoon at 2 o'clock in the court room.

It is probable that Alex Muirhead will be renominated for treasurer as there seems to be no other person aspiring for the nomination.

W. C. Mounts and F. M. Phelps are reported to be candidates for the clerkship.

For county judge, Smith P. Tuttle will likely receive the nomination.

The names of L. F. Smith, John Gerdes and A. H. McLaughlin are spoken of for sheriff.

For superintendent of schools, the names of Mesdames Morris, Rustin and Ford are mentioned and for county assessor: J. C. McCorkle and A. S. Eneyart are said to be candidates.

In the First district the office of commissioner is reported to be sought after by J. M. Wanek, C. E. Hall, C. H. Evans and Geo. L. Taylor.

Following are the delegates from the first and second wards and Lake precinct.

First ward—Bruce Wilcox, C. C. Smith, D. C. McIntyre, W. O. Barnes, Geo. W. Clark, F. M. Phelps, H. J. Ellis, F. W. Harris, G. C. Jeffers, I. E. Tash, A. F. Baldrige, C. H. Connett, C. C. Barker, Dr. Betelheim.

Second ward—Stanley Ray, E. C. Horn, G. E. Leidy, Geo. Darling, L. N. McFall, Henry Leighton, W. C. Mounts, L. H. Mosher.

LAKESIDE.

The Rev. Seamahorn was in Lakeside a week ago Sunday to hold his last quarterly meeting for this circuit. This finishes up six years for him and we hear he intends to retire from the ministerial work this fall.

Rev. Horn will give his new lecture on Oriental Lands in Lakeside the evening of September first. This gives time for extended notice of it so that no one can have excuse for not being present.

Two new bridegrooms and brides putting in an appearance the same week does not often happen in a town the size of Lakeside. Nevertheless we cordially welcome both couples and wish for them all the married joys possible. See?

Wilson & Berry are nearly through the grading for the side-track extension at this place. When the track is laid the improvement will be very manifest.

Haying—haying and then some, but more rain than is wanted for stacking or for bright, clear hay.

Rev. Burleigh was an Alnsworth visitor last week, going to see his brother for a day or so.

Landlord Stoult was up to the river country over Sunday and returned with another girl to help out in the hotel. Business is on the increase. Miss McFall has been assisting in the dining room for a week past.

The mother of Mrs. J. D. Pattison and Ed. Dennis is out from Red Oak, Iowa, to visit with her children during the hot weather; and, who would not wish to get out in this bracing atmosphere during the "heated term" in old Iowa and the sweltering moist heat we hear the whole east are now enjoying? Hay hands in demand with wages ranging from \$1.50 to \$2 per day.

Intellectual Renaissance.

Prof. Martin Hartmann, of Berlin, has written a book in which he points out a noticeable intellectual renaissance in the Mohammedan world, as indicated in the increasing number and circulation of Arabic newspapers.

Importing Canadian Shellfish.

Lobsters are so scarce along the New England coast that the imports of the live shellfish from the Canadian maritime provinces promise to be larger than ever for this fiscal year.
