He had looked the middle west over for the ideal range horse with size, quality and breeding combined and says that he found nothing to compare with these representatives of the Hashknife stock.—South Omaha Drivers Journal.

TWO-MINUTE RECORD.

Lou Dillon Lowers the World's Trotting Record.
A dispatch from Readville, Mass., under date of August 25 states that before a great crowd of spectators at Readville with track and wear er condition perfect, Lou Dillon trotted a mile in two minutes, a new world's record. So that no breeze might interfere, Millard Sanders, driver of the great mare, brought out the daughter of Sidney Dillon for the attempt early in the day.

For pacemakers there were two running horses hitched to road carts, Peggy from Paris, driven by "Doc" Tanner, and Carrie Nation, driven by Scott McCoy.

The first score was fruitless, Lou Dillon making a break just before reaching the wire. On the second attempt, however, the word was given. Starting Judge Walker rang his bell but Tanner nodded for him to say "go," and turning to Sanders called to him to come along. Tanner kept Peggy from Paris directly in front of the peerless chestnut trotter, while McCoy lay at her wheel. In this way the trio went to the quarter pole in 30 1/4 seconds.

With never a skip Lou Dillon went so smooth gaited down the back stretch as to lead those not timing the mile to believe that her speed was not alarmingly fast. The half was clicked off in 1:00 3/4. Around the turn to the three-quarters pole the clip quickened, the third quarter being in 30 3/4 seconds, making that mark of her journey in 1:31. Faster and faster came Tanner with the runner and right with him trotted the handsome California-bred mare. Sanders was sitting perfectly still, but McCoy was crying aloud to the runner to cheer on Lou Dillon. To the amazement of all the quarter was driven in 29 seconds, thus making the mile in the wonderful time of two minutes.

When Sanders jogged the mare back to the wire those who had witnessed the performance leaped to their feet and sent forth cheer after cheer. Lou Dillon apparently was as fresh as though she had only been out for a jogging exercise. Sanders said he fully believed that before the season closes he will drive the mare in 1:59 or better.

Lou Dillon was bred and raised on the Santa Rosa, California, stock farm. It is said that when a colt Lou Dillon was offered for sale for \$150 with no takers. She is by Sidney Dillon, out of Lou Milton, both local animals.
