

Mrs. L. C. Glover, Vice Pres. Milwaukee, Wis., Business Woman's Association, is another one of the million women who have been restored to health by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: I was married for several years and no children blessed my home. The doctor said I had a complication of female troubles and I could not have any children unless I could be cured. He tried to cure me, but after experimenting for several months, my husband became disgusted, and one night when we noticed a testimonial of a woman who had been cured of similar trouble through the use of Lydia E. Pinkham's Vegetable Compound, he went out and bought a bottle for me. I used your medicine for three and one half months, improving steadily in health, and in twenty-two months a child came. I cannot fully express the joy and thankfulness that is in my heart. Our home is a different place now, as we have something to live for, and all the credit is due to Lydia E. Pinkham's Vegetable Compound. Yours very sincerely, Mrs. L. C. GLOVER, 614 Grove St., Milwaukee, Wis." Vice President, Milwaukee Business Woman's Ass'n.

Women should not fail to profit by the experience of these two women; just as surely as they were cured of the troubles enumerated in their letters, just so certainly will Lydia E. Pinkham's Vegetable Compound cure others who suffer from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, and nervous prostration; remember that it is Lydia E. Pinkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.

An Indiana Lady Tells of a Wonderful Cure:

"DEAR MRS. PINKHAM: It is a pleasure for me to write and tell you of the wonderful medicine you have done for me. I was sick for three years with change of life, and my physician thought a cancerous condition of the womb. During these three years I suffered untold agony.

"I cannot find words in which to express my bad feelings. I did not expect to ever see another well day. I read some of the testimonials recommending your medicine and decided to write to you and give your treatment a trial.

"Before I had taken half a bottle of Lydia E. Pinkham's Vegetable Compound, I began to sleep. I have taken now six bottles and am so well I can do all kinds of work."—Mrs. LIZZIE HINKLE, Salem, Ind.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. She can surely help you, for no person in America can speak from a wider experience in treating female ills. Address is Lynn, Mass.; her advice is free and always helpful.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.

One of the handsomest monuments in Sarpy county was erected at Papillon in memory of Ferdinand Peterson, one of the first settlers.

Frank Krechnav, aged 35, single, of Weston, was brought before the examining board in Wahoo and adjudged insane. He was taken to Lincoln.

The Northern Milling company's safe in the mill at Arcadia was blown. The robbers were not up-to-date, as they used drills and powder. Only \$3.12 was secured, but the safe door is a wreck.

Harry D. Landis of Seward has been appointed deputy clerk of the supreme court to take the place of E. W. Nelson, resigned. Mr. Landis was in the land commissioner's office under Commissioner Wolfe.

The collection by popular subscription of the amount of money necessary to secure the gift of John D. Rockefeller for the erection of the \$100,000 building for the university has received the approval of the Commercial club of Lincoln.

Henry Gumpert's dry goods store at Fremont was entered by burglars and several hundred dollars worth of goods, consisting principally of silks and the higher grades of dress goods, taken. The burglary was not discovered until the store was opened in the morning.

The supreme court has decided that low, wet, swampy lands, totally unfit for irrigation, cannot be taxed for irrigation purposes. Harvey E. Andrews, and others were owners of such land and the Lillian Irrigation district attempted to bring the lands within the district for taxation.

McClucas and others who claim title to an elevator site on the right of way of the St. Joseph & Grand Island Railway company in the town of Fairbury. The railway company brought suit in the district court to recover possession. The defendants asserted title by adverse possession and proved exclusive occupancy under claim of right for fifteen years. The trial court, however, held that the statute of limitation had no application to the case and gave judgment in favor of the railroad.

The attempt of Valley county to foreclose on property bought at a tax sale was unsuccessful, the supreme court holding that a county cannot foreclose without a sale having first been made by a county treasurer. The county brought foreclosure proceedings against Maggie B. Milford and her husband to foreclose a lien for taxes upon certain property in the town of Ord.

During an altercation, Henry Jones, a farmer living near Red Cloud, was seriously stabbed.

MARSHALL FIELD AND CO'S WAREHOUSE MANAGER

Cured of Catarrh of Kidneys by Pe-ru-na.

Hon. John T. Sheahan, who has been for seventeen years manager of Marshall Field & Co.'s wholesale warehouse, and is corporal 2d Regiment Infantry, I. N. G., writes the following letter from 3753 Indiana avenue, Flat Six, Chicago, Ill.

Peruna Medicine Co., Columbus, Ohio. Gentlemen—"Last summer I caught a cold which seemed to settle in my kidneys and affected them badly. I tried a couple of kidney remedies largely advertised, but they did not help me any. One of my foremen told me of the great help he had received in using Peruna in a similar case, and I at once procured some.

"It was indeed a blessing to me, as I am on my feet a large part of the day, and trouble such as I had affected me seriously, but four bottles of Peruna cured me entirely and I would not be without it for three months salary."—JOHN T. SHEAHAN.

Mr. Jacob Fleig writes from 44 Summer avenue, Brooklyn, N. Y.: "I am now a new man at the age of seventy-five years, thanks to your wonderful remedy Peruna."—Jacob Fleig.

Catarrhal inflammation of the mucous lining of the kidneys, also called "Bright's disease," may be either acute or chronic. The acute form produces symptoms of such prominence that the serious nature of the disease is at once suspected, but the chronic variety may come on so gradually and insidiously that its presence is not suspected until after it has fastened itself thoroughly upon its victim.

At the appearance of the first symptom Peruna should be taken. This remedy strikes at once at the very root of the disease.

Court Orders "Jim Crow" Bibles.

Six new Bibles have been ordered by the judge of the superior court of New Hanover county, N. C., while the old ones are to be burned. Back of this simple fact lies a new development of the race question, for the judge has decided that hereafter the court must use separate Bibles in the swearing of white and negro witnesses. There will be a white Bible and a black Bible, or, rather, a Bible for white witnesses and another for black witnesses. No reason can be imagined for this departure, except the fear of "race amalgamation." The mere sanitary reason for drawing the color line around Bibles does not seem sound, since white men carry around about as many disease germs as black men.

Dealers say that as soon as a customer tries Defiance Starch it is impossible to sell them any other cold water starch. It can be used cold or boiled.

Many Trees in Books.

It is stated that nine of the most successful recent novels aggregated a sale of 1,000,000 copies, and the paper which these books were printed on was made from pulp for the most part. Now pulp paper means the destruction of many trees in the great forests of the north, and probably 5,000 were sacrificed for these novels. It would have been better, the Springfield Republican thinks, to have left 4,999 of the trees standing, and put the other one into a composite modern agony.

Conscience Money.

A strange case of bad conscience is reported from Lexington, Ind. A man there has just received a check for \$5 from a man in Washington, and in the accompanying letter the man states that about twenty years ago he lived next to him and stole three of his geese. No charges were ever brought and no suspicion was attached to him, but he claimed that he had been unable to sleep well recently, as a flock of geese haunted his dreams wherever he went to sleep, and he thought that it must be because he had never paid for the geese he had stolen years ago.

Grim Old Paul.

Grim old Oom Paul Kruger, tragic wanderer from the Transvaal, is in lonely retirement at Mentone. He wears a somewhat smart frock coat and black trousers, and the familiar stowpipe hat, bound with heavy black crepe, and walks with a cane. A policeman disperses the hangers of cameras in front of the villa when the former president enters the house daily, about noon, after a morning spent in the garden. The old man is by no means decrepit and looks in good health. He prefers the company of his own thoughts to intercourse with strangers.

General Logan's Retort.

A man who knew John A. Logan in southern Illinois before the civil war recently said that on a certain occasion Logan found it necessary to doubt the veracity of a man considerably older than himself and told him so without any circumlocution. "Don't you call me a liar, sir," said the man, excitedly. "I have a reputation to maintain, and I mean to maintain it if I have to do it at the point of a pistol."

Commandant Cole Resigns.

LNACOLN—A. V. Cole, commandant of the Soldiers' home at Grand Island, has tendered his resignation to Governor Mickey and it has been accepted. It was reported that the resignation had been demanded, but this Governor Mickey denied, saying that he would make a full statement of the case. It is said the resignation has been in the hands of the governor for several days, but this he refused to confirm or deny. Cole was an appointee of Governor Savage and was reappointed by Governor Mickey.

No Ruffling for Turkeys.

PLATTSMOUTH—There will be no ruffling for turkeys in Plattsouth this year. A citizen of Omaha was in this city for the purpose of arranging to operate a game of that kind during the week before Thanksgiving, but the proposition was turned down by Chief of Police R. W. Hyers. The officers have been trying to stamp out gambling in this city for some time and do not care to now remove the bars which have been put up against the evil. In years gone by ruffling schemes for turkeys have been operated in one or two saloons and no objections were raised.

Chancellor Andrews Speaks.

TECUMSEH—Chancellor E. Benjamin Andrews of the state university delivered a lecture at the Baptist church in this city on the subject, "Problems of Greater America." The occasion was the first entertainment in the Epworth League lecture course and the attendance was good. The chancellor's address was very able and he gave his hearers much food for thought. The effort is receiving many compliments.
