CONGRESSIONAL CONVENTION

Kinkaid Renominated—Harris and Miles Elected Delegates.

The republican congressional convention held in this city yesterday was well attended, nearly every county in the district being represented. M. P. Kinkaid was re-nominated for congress and E. C. Harris of Chadron and W. P. Miles of Sidney were elected delegates to the national convention. Mr. Kinkaid was expected to attend the convention but a message was received stating that he was unable to come. The convention was called at 2 p. m. and adjourned at 5. In the evening a smoker was given the delegates by the Business Men's club which was a pleasant affair. Alliance always entertains her guests most hospitably and the visitors expressed themselves in the warmest terms of their reception on this occasion.

Emory Abley of Nonpareil precinct is in town today. H. T. Ward of Tecumseh, Neb., is in the city today on business.

Mrs. Burris entertained the Anona club very pleasantly Tuesday evening.

The First Presbyterian church holds services in Bell's hall. Sunday morning topic: "Thursday of Passion Week." There will be union services at the Methodist church Sunday evening.

Mrs. Anna M. Hosler of North Platte was here Wednesday. Thursday and Friday of last week organizing the Ladies society of the Brotherhood of Locomotive Firemen. The ladies will hold their meetings in Bell's hall.

Mr. and Mrs. Jos. Lynch returned last week from Lincoln where they went to look at the farm they recently purchased. Mr. and Mrs. Lynch's friends will be pleased to learn that they have decided to remain in Alliance another year.

S. M. Smyser went to Lincoln Tuesday to attend the meeting of the democratic state central committee. While at Lincoln he received a telegram announcing the dangerous illness of his mother at Shawnee, Oklahoma and left for that place Wednesday.

Last evening members of the M. E. church surprised their pastor, Rev. C. W. Ray, by presenting him with a beautiful library chair after prayer meeting. Such acts of appreciation go a great way to encourage ministers in their religious work and for the betterment of mankind.

The annual meeting of the Ladies Missionary society of the First Presbyterian church met at Mrs. W. C. Mounts Friday evening, March 11, and the following officers were elected: President, Mrs. H. P. V. Bogue; vice president, Mrs. I. J. Smith; secretary, Mrs. E. S. Martin; treasurer, Mrs. M. A. Standen.

THE HERALD enjoyed a visit from several newspaper men who were delegates to the republican congressional convention yesterday. Among the number were, Bros. Ketcham of the Crawford Tribune, Wisner of Bayard Transcript, McMullan of Sidney Republican, Gapes of Sidney Telegraph, Perkins of St. Paul Republican, Hascall of Ord Quiz and Welton of Mullen Tribune.

Editor E. L. Heath of the Cody Cowboy was one of the several newspaper men in the city yesterday. Mr. Heath is a brother of "Gene, who established and published the Grip for several years and who was recognized as one of the most able quill pushers in the northwest. "Gene is now publishing a paper at Westfall, Oregon. THE HERALD acknowledges a pleasant call from Mr. Heath.

Alliance merchants have been the victims of specialty soap men of late. There was Pete McCann of the Cudahy company who advises his customers to "save the wrappers," and there's the genial Mr. Pennell who insists that it is far better to discard the wrappers and save the clothes by using Kirk's "White Russian." Now,

what's the poor housewife to do where there's such conflicting authority on such an important domestic subject? It's a question worthy of important consideration before the annual convention of the National Woman's Suffrage association. These men who go about the country destroying the happiness of thousands of homes by such conflicting soap stories should be taken before the women of the country in convention assembled and made to explain why they will insist in spreading this disturbance. The soap question must be settled at once.

In Old Mexico.

A letter received this week from A. H. Grove who recently removed to Mexico where he has mining interests contains the following news which will be of interest to his many friends in this county. He is now located at Velardena.

"We arrived here O. K. Had a pleasant trip and like the country very much. It is mountainous and the elevation is 7800 feet. In traveling from Valardena to camp which is a distance of three and a half miles we rise 1700 feet. There is no wagon road, everything being freighted up and down on burros. The natives here live in holes dug in the side of the mountains. They have no stove or tables, cooking over a camp fire and eating on the ground. At night they roll themselves in blankets and use a rock for a pillow. Their principal diet is beans and tartatoes which is made from corn and flour and they resemble "slapjacks." Both of our children are down with the measles. The weather is fine, just like June in Nebraska; hottest weather here in April, May and June which is also the rainy season. Now be sure and send THE HERALD to our new address for we are lonesome without it."

Death of Margaret Shrewsbury.

Margaret Shrewsbury, beloved daughter of Mr. and Mrs. T. B. Shrewsbury, died at the home of her parents in this city Tuesday morning of congestion of the brain, after a lingering illness. The remains were laid to rest in Greenwood cemetery after funeral services had been conducted at the M. E. church yesterday afternoon at 2 o'clock. Rev. C. W. Ray officiating. The floral tributes were beautiful and expressed the high esteem in which the departed soul of Margaret was held. The dead girl had just reached that age when she was at the threshold of young womanhood, like the rose that blossoms from the bulb, most beautiful in the morning of its existence. Margaret was a God-loving daughter who devoted her short life to religious work and doing such acts that lightened the burdens of humanity. As a devout member of the M. E. church and a teacher in the Junior League, Margaret did faithfully work, and while poor, blind man is not given to know the destiny of a soul departed, we do feel that her's has found a happy abiding place in the bosom of that Creator whom she loved and obeyed while in the mortal state.

Among those who attended the funeral were Mrs. Shrewsbury's brother and sister, Benj. Young and Mrs. Dr. Surver of Indianola, Iowa.

In Honor of Our Mayor.

Mayor Buechstein was the recipient of a beautiful present Monday night by the local organization of the Ancient Order of United Workmen, of which he is past master workman. The gift consisted of a unique watch charm designed symbolical of the order and embracing the hearty appreciation of the donors for Mr. Buechstein in the following sentence: "From the Boys of 202, P. M. W."

MURDERED IN COLD BLOOD

Henry Miller of Alliance Shot Dead on the Connolly Ranch in Sioux County.

THE DEED OF A DEMON

That Cries to Heaven for Vengeance—The Cowardly Assassin Hides in Ambush, Killing His Victim Without Provocation or Warning—James Connolly Charged with the Awful Crime.

The awful tragedy enacted at the ranch of James Connolly, in Sioux county, Tuesday forenoon, in which Henry H. Miller of this city lost his life, has cast a gloom over the community, and the thought that there lives in this law-abiding state a man with such murderous instinct is distressing to say the least, and he who ever he may let the wrath of justice come upon him.

According to information received the crime and events relative thereto are as follows: Henry Miller and James Connolly had become involved in dispute over the ownership of cattle that had strayed or were stolen. One animal—a steer—that was in Connolly's possession, was the principal contention. Connolly was in Alliance last Monday, when Miller informed him of his intention of going after the steer. The same day the deceased, accompanied by Harry Desch, went out to Sioux county arriving at the Connolly ranch Tuesday forenoon. They were met by Lou Ray, an employe, to whom Mr. Miller explained his errand and asks for Connolly. When told that he was not in the house he went out to find him and have a talk over the matter. According to the evidence of Desch, Miller saw Connolly a short distance away and went toward him when Connolly fired with a rifle and Miller fell dead, his body being pierced with a bullet. Connolly is then said to have rode horseback toward Scottsbluff.

Harry Desch and Lou Ray at once went to neighboring ranches and gave the alarm. The coroner of Sioux county was notified but failing to arrive by Wednesday evening, the remains of the murdered man were brought to his home in this city by Guy Lockwood, who went out to take charge of the body.

A coroner's inquest was held yesterday at the Bell building and the testimony given by those who witnessed the crime was substantially the same as here given, and the jury's verdict was as follows:

We, the jury, find that said Henry H. Miller came to his death from a gun shot wound at the hands of James Connolly, said wound being inflicted by said James Connolly feloniously, unlawfully without provocation by said Henry H. Miller. A. S. REED, W. W. NOFTON, J. S. MCKINLEY, L. N. WORLEY, JOHN BRENNAN, L. F. SMITH.

Attest: J. F. MOORE, Coroner.

The funeral of Mr. Miller was held from the family residence this forenoon and was attended by a large number of friends who in life held him in the highest esteem. Rev. C. W. Ray of the M. E. church conducted the services. Deceased leaves a wife and daughter. He was an influential citizen of Alliance and served his country in the war of the rebellion, losing an arm during his army life.

Bowling Tomorrow and Sunday

The Overland bowling team of Denver will contest with the Alliance bowlers at Ridgell's Saturday and Sunday. The Overland is the "crack" team of Denver and lovers of the sport will appreciate these games. A small admission will be charged at the door to all who have not contributed towards defraying expenses.

Rev. Embree, pastor of the Congregational church at Hemingford, was in the city Tuesday enroute home from Merna where he united in marriage John O. Wilson of Reno and Mrs. Hannah Hircok. The groom is well known in Alliance and the bride is a popular lady of Custer county. Rev. Embree made THE HERALD a pleasant visit and became a subscriber to the official paper.

Engine 293 is once more ready for service after receiving a general overhauling in Alliance shops.

Engineer D. C. Taylor was braked in engine Tuesday. "Dad" is very proud of his new engine which is to be used between Alliance and Guernsey.

W. J. Buffington arrived on No. 42 Friday night after spending a couple weeks in the Black Hills and left Saturday night for Lincoln and Omaha for a week.

Conductor W. H. Kennedy left last Friday night for Bridgeport on No. 301 to take charge of the pile driver where they are driving new piling on the Platte river bridge.

Engine No. 206 was lately taken off the blocks and once more placed on her feet after receiving a general overhauling in Alliance shops. Being a light engine will be used on No's 43 and 44 between Alliance and Ravenna.

We understand that the tonnage and car limit has been raised between Newcastle and Edgemont. Eighty loads now constitute a train. We used to think the sixty car trains were large enough. We really don't object to the eighty car trains if we did not have to lay in Newcastle two or three days waiting for the eighty cars.

The committee appointed to call upon the wives, mothers and sisters of members of B. of R. T. have been at work the last week recruiting members preparatory to an organization of the ladies auxiliary. They report that they have met with unbounded success of which Hardstruggle No. 642 should have reason to be justly proud. The boys sanction this move on the ladies part with hearty approval.

Mining News of Local Interest.

The following information regarding mining, published in the Wyoming Tribune at Cheyenne, last week will prove of interest to the Alliance stockholders.

"Hon. A. A. Spangh was in the city this morning and gave a Tribune man some interesting information regarding the work that is now being done on the Silver Glance copper mine in Muskrat canyon, south of Manville. The mine is owned by the Sunrise Copper Mining company, of which Mr. Spangh is the president. The mine has been worked with two shifts of men all winter and enough ore has been taken out to warrant the shipping of it at once. The mine is fifteen miles from the railroad and the ore will be hauled to Manville by team. It is expected that a car load of high grade ore will be shipped daily beginning the first of April. The ore has been contracted for by parties from Rapid City, S. D., and it will be shipped and smelted. The ore, running as it is at present, contains from 27 to 33 per cent copper and the vein is widening as the shaft is sunk deeper. The company has also struck a small vein of gold which will be developed with the expectation of finding a good body of the ore before a very great distance is reached."

Abe Uhry, the peaceable and gentlemanly representative of Donald & Porter, Grand Island, was in the city recently, and we beg to inform Mr. Donald that while Abe was in the company of certain specialty men his behavior was above reproach. If Mr. Merchisen does as well on his next trip up this way, there's no fear of the community being shocked. But these soap men, well—perhaps we had better not say too much. They're married.
