

# The BLOODY DEED IS DONE

Some cases need heroic treatment, and this is one of them. On account of the continued cold spring, we find we are troubled with SUITITIS, which in the Famous Dictionary means too many suits. We bought liberally this spring and are showing more new, nobby suits of this season makes than all other stores together.

We hate to do it, but there is no other remedy, so we have CUT THE HEART OUT of Clothing prices. Never before in Alliance have such Clothing Values been offered.

We have eclipsed all previous efforts in this sale. COME IN and see the Goods and prices. Read on:
