convention, and shall do so for the fol lowing reasons:

"First - Because the democratic ticket stands for opposition to imperialfor an imperialistic policy. candidates will carry out the platform. Second-Mr. Roosevelt is injecting the race issue into American politics and this, if it becomes national, will make it impossible to consider economic election of the democratic ticket will put a quietus upon this attempt and permit the race question to work itself out without the bitterness which Mr. Roosevelt's conduct has engendered.

"Third-Mr. Roosevelt stands for the spirit of war. His friends present thing than formerly. Fire and lightnhim as a man of blood and iron. He believes in strenuousness and inculcating a love for warlike things. The democratic ticket stands for peace, for

declares in favor of the reduction of the standing army, and as this plank was unanimously adopted there is reason to believe that a democratic success on this subject would bring some advantage to the people.

"Some may think" says the World-Herald, "that Mr. Davis would be a little too old to preside over the senate, but it must be that Senator Peltus, aged 83, and Senator Morgan, 80, would like it, and that no serious objection could be made by Senator Hoar, 78; Senator Platt, 71; Senator Cullom, 75; Senator Depew, 70; Senator Hawley, 78; Senator Frye, 73; Senator Allison, 74, or Senator Proctor, 72."

The Chicago Chronicle has flopped day. into the republican band wagon giving as its reason that Bryan controlled the St. Louis convention. Good rid- terests. dance of bad rubbish! The Chronicle has at last gone where it belonged. For ten years it has been a traitor to the democratic party and democrats are pleased to see it throw off the mask.
