

To Everywhere and Back.
THE BURLINGTON'S LOW SUMMER RATES.
The Burlington offers excursion rates in every direction—so low that there is no excuse for staying at home. Below are some of them:
St. Louis and back: Three kinds of daily rates besides the special low rate coach excursion is each Tuesday and Thursday during August and September.
Chicago and back: Daily low rates either direct or via St. Louis with stopovers at St. Louis, Kansas City and Omaha.
World's fair stopovers at St. Louis on through tickets.
Colorado and Utah—there and back—practically half rates all summer.
To California—San Francisco and Los Angeles and back, August 16 to September 11, only \$45.75. The only chance in 1904 to get this low rate.
To many points in Indiana, Ohio and Kentucky September 6, 13, 20, 27 and October 11 at one fare plus \$2 for the round trip.
To Michigan, Minnesota, Wisconsin and the Great Lake region—the ideal summer country—daily low rates to take you away from home. L. S. SAGE, Ticket Agent.

LOSES A FINGER.
Herbert, the eighteen-year-old son of Mr. and Mrs. J. W. Wahn met with an accident near Bridgeport yesterday which will cost him the forefinger of his right hand. The young man was hunting ducks and after discharging one barrel of his shot gun he considered the game out of range and with the other hammer cocked he stood too gun upright holding his hand over the muzzle. When the gun struck the ground it was discharged by the jar and the charge mutilated the finger so badly that amputation was necessary. Several shot struck him in the breast and face but scarcely passed through the skin. While the accident was a painful one yet under the circumstances the young man was fortunate that it was no worse. Doctors Bellwood and Edwards went to Bridgeport to dress the wound but after arriving there considered it best to perform the operation here which was done last evening.

NEW OFFICIALS.
The Lincoln Daily Star of Monday contained the following:
Godfrey W. Rhodes, for a number of years assistant general superintendent of the Burlington railroad in Nebraska, has been offered the position of general superintendent at Alliance, under the reorganization of the road by Vice President Daniel Willard. It is understood that Mr. Rhodes has accepted the position. At present he is out of the city on a tour of the west side lines in company with Mr. Willard. From the latter fact it is presumed that he will become the man for the division at Alliance.

Information for Homesteaders.
There being much enquiry and a great diversity of opinions among attorneys, as to whether a homesteader with 160 acres under the old law, who has not yet made final proof, and who obtains an additional entry of the contiguous land under the Kinkaid law, can change his residence from the old homestead to the additional homestead, without abandoning the old one, Attorney J. E. Porter of Crawford, referred the question to the general land office at Washington, and he is in receipt of the following letter:
Washington, D. C., Aug. 23, 1904.
Sir:—In reply to your inquiry of August 10, 1904, with reference to additional entries made under the Act of April 28, 1904, I have to advise you that an additional entry made under Section 2 of said Act constitutes, with the original entry, one entire claim, and the required residence may be maintained on any part of said claim. Very respectfully,
J. H. FIMPLE,
Acting Commissioner.
