The HORACE BOGUE STORE
TRADE WINNER.

OUR Sack Suits, designed according to advanced fashion's prediction for Fall and Winter, are here. The accompanying drawing is a faithful illustration of three styles of particular cut and elegance made by Crouse & Drandagee. Notice the length of coat—the distinctive cut of the three-button Newport—also in our Normandie the same regard to detail of style and finish. We

Keep in mind the fact that a tall man cannot wear a suit that a short man should wear. This is the satisfactory feature on both the Newport and Normandie. They are absolutely correct in every and all requirements. But the man who is not over six feet tall is not overlooked; the same careful attention has been given him. The result is our Arvon, which also has much elegance of make and gives

the short man **extra inches** in appearance. We have these styles in the **NEW BROWNS**—in beautiful and choice materials, those new patterns of slight over-plaids almost indistinct. These coat what you would expect, \$10.00 to \$35.00.

HON.
M. F. Harrington
OF O'NEILL,
will speak on political issues at the opera house in Alliance, next
Tuesday Eve., Oct. 11
commencing at eight o'clock. Mr. Harrington is recognized as one of Nebraska's most forceful speakers and brilliant orators.

LOCAL HAPPENINGS

General and Personal News of Alliance and Vicinity.

R. Boyer moved his family into town from the ranch this week to take advantage of the superior methods of learning taught in the Alliance Public schools.

Stock Inspector Lawson came in from the O'Keefe ranch today having been there since Monday overseeing the work of dipping about 500 head of cattle.

George Smith has returned from Hot Springs, S. D., where he spent the summer season as manager of the Evans hotel bar. The tourist season over, that popular resort has closed for the season. Mr. Smith will remain in the city for some time.

The weather of the past few days has been decidedly variable and the suggestion that the ice man will soon be compelled to give way to the coal dealer is realized. The sad reflection as to what has become of last summer's wages is also a proposition that confronts many of us poor mortals.

District court will convene in this city next Monday with Judge Westover on the bench. The docket contains 45-100 cases. There is one criminal case, nineteen foreclosure proceedings and eight actions for divorce. Two attachments are docketed besides appeals and other legal trifles requiring the attention of the court.

A fair sized audience greeted the temperance lecturer and vocalist, Miss Jessie Garvin, at the United Presbyterian church Saturday evening. Other denominations were interested in the good work. This commendable undertaking cannot but result beneficially to the community. Every kind word or good deed brings its own reward.

The locomotive which tipped on the high line one day last week while going over a high grade and in which Engineer Stevens and Conductor Sanborn lost their lives, was brought to the Alliance yards this week and presents a most destructive appearance, in fact all that remains of the ill-fated engine is the boiler stripped of all the works.

Mrs. D. C. McIntyre was the holder of the lucky number, 8336, at W. W. Norton's store, entitling her free transportation to the World's fair and admission to the most important exhibits. We understand she has decided to forego the pleasure of the trip and take advantage of other fine offers the Norton mercantile establishment holds out instead.

Gov. Mickey and company passed through the city Tuesday in a special car attached to train No. 41, enroute to Seattle, where he will attend the ceremonies at the launching of the new battleship Nebraska. Among those who made up the party was the governor's daughter, Miss Mary Nain Mickey, an amiable young lady, who will act as sponsor at the christening of the monster built to travel the deep sea when it may devour in time of war or acting as guard in the hour of peace. Governor Mickey stepped from the train the minute it stopped here and was soon shaking hands with the faithful who crowded about his car. No politics were discussed and the conversations dwelt on the trip and enjoyment anticipated on the party's arrival on the coast. The launching will take place Friday afternoon. The party expect to return on or about October 12.
