Mr. and Mrs. E. P. Sweeney have received information of the forthcoming marriage of their niece, Miss Ada Heist, to a well-to-do young physician of Des Moines, Iowa. Dr. Knight, president of the Business Men's club, will entertain the members of the club at a "Roosevelt ball" in the opera house next Wednesday night. Col. Wisner of the Bayard Transcript, though almost seventy years of age, came all the way to Alliance election evening to help celebrate the republican victory. We thought the colonel was old enough to quit such bad company as Postmaster Tash, Captain Akers and other rock-rooted K. O. P's., but it seems not.

The long discussed question as to where the postoffice will be located has at last been set at rest. It will remain where it is and Mr. Simonson, proprietor of the building will add 20 feet to the rear of the same, thus giving the required space necessary. Sufficient light will also be provided and the room made as comfortable and convenient as required.

The editor of the Chadron Times indulges in the following complimentary remarks regarding THE HERALD: "T. J. O'Keefe, proprietor of the most successful newspaper enterprise in this northwest country. THE ALLIANCE HERALD, visited our little city from Saturday night till Monday morning and returned full of good impressions of our place and people. We trust that he has found sufficient attraction here to come again."
