### Fitz & Webster present to the theatre-going public of this city their newest version of the big farce Comedy success, "A Breezy Time." A surfeit of merry ideas and hilarious situations, incorporated into a plot of ingenious originality and intense interest. An entertainment of absolute superiority, well to the front in the race for popularity. The name of Fitz & Webster for past season has been a "trade mark" for good clean, comedy, and those who attend a performance of "A Breezy Time" can assure themselves of an evening's enjoyment served up in the very latest style. Our specialty artists are a decided feature, having been chosen from among the leading vaudeville performers of the day, and with our long experience we could not do otherwise than choose pleasing and catchy acts. An Interesting Game. The foot ball game which took place at the base ball grounds yesterday between the Burlington and the High School team drew an immense crowd and proved most exciting and interesting. The brass band added to the enthusiasm and with the ideal weather there was nothing lacking to make the occasion one of entire satisfaction to those in love with sport on the gridiron. The game ended in a tie score of 5 each and it seems as if honors are even in every respect. Two 20 minute halves were played and the features of the game consisted of two end runs. Parks went through the high school line like a whirlwind and made a touchdown as did Davis for the school boys. The B & M. team was a little too much for their opponents in matter of weight, but the students succeeded in holding down their opponents in this respect. So far no arrangements have been made to play off the tie. The line-up was as follows:

HIGH SCHOOL TEAM	B. AND M. TEAM
