# THE PILLS THAT

Mrs. Henry Story, of No. 532 Muskingdum Ave., Zanesville, Ohio, says: "My husband suffered from rheumatism so that he could hardly stand. His back hurt and he had such pain in his left arm that he could not rest night or day. The doctor did him no good and it was not until he tried Dr. Williams' Pink Pills that he was helped. Six boxes cured him completely and he has not had an ache or a pain since. We think the pills are the best medicine in the world."

#### York County Makes Protest.

YORK-The Union Pacific railroad continues to do York county an injus tice in giving the acreage and yield of alfalfa of York county. In a re cent folder issued by that company scarcely any mention is made of York county in the list of countles growing alfalfa, when it is a fact that York county is one of the leading counties in the state in the acreage and production of alfalfa. York county has an acreage of about 16,000 acres, and the total yield must be somewhere near 50,000 tons. The acreage of timothy and clover is nearly 40,000 acres, and blue grass pastures the finest in the world are everywhere, as blue grass in the last three years has driven out the prairie, and but few prairie pastures remain in the county.

Flesh of Bear and Camel.

In Germany bear's flesh is greatly favored, and smoked bear tongues, hams and sausages are both appetizing and expensive. Ever since Paris, in the siege of 1870-71, was driven to eating up the animals at the zoo, camel's flesh has been demanded by French gourmets. Remarkably like beef in appearance, it is as tender as veal, and there are Parislans who import it regularly from Algeria.

" DEAR MES. PINEHAM: - Life looks dark indeed when a woman feels that her strength is fading away and she has wo hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb. The words sounded like a knell to me, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of life; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily, and each dose added health and strength. I am so thankful for the help I obtained through its use." - MRS. GOVERNOR OF OREGON Uses Pe-ru-na A In His Family For Colds and Finds Excellent Fig. Remedy.

The Magnificent State Capitol Building at Salem, Oregon. PRAISE FROM THE EX-GOVERNOR OF OREGON.

DERUNA is known from the Atlantic to the Pacific. Letters of congratulation and commendation testifying to the merits of Peruna as a catarrh remedy are pouring in from every State

Dr. Hartman is receiving hundreds of such letters daily. All classes write these letters, from the highest to the lowest.

The outdoor laborer, the indoor artisan, the clerk, the editor, the statesman, the preacher-all agree that Peruna is

the catarrh remedy of the age. The stage and rostrum, recognizing catarrh as their greatest enemy, are especially enthusiastic in their praise and testimony.

Any man who wishes perfect health must be entirely free from catarrh. Catarrh is well-nigh universal; almost omnipresent.

Peruna is the only absolute safeguard known. A cold is the beginning of catarrh. To prevent colds, to cure colds, is to cheat catarrh of its victims.

Peruna not only cures catarrh, but prevents it. Every household should be supplied with this great remedy for coughs, colds and so forth.

The Ex-Governor of Oregon is an ardent admirer of Peruna. He keeps it bus, Ohio. All correspondence held continually in the house.

In a letter to The Peruna Medicine Co., he says:

STATE OF OREGON. EXECUTIVE DEPARTMENT, The Peruna Medicine Co., Columbus, O. Dear Sira: - I have had occasion to use your Peruna medicine in my fam-

ily for colds, and it proved to be an ex-cellent remedy. I have not had oc-casion to use it for other allments. Yours very truly, W. M. Lord. It will be noticed that the Ex-Governor says he has not had occasion to

use Peruna for other ailments. The reason for this is, most other ailments begin with a cold.

Using Peruna to promptly cure colds, he protects his family against other ailments.

This is exactly what every other family in the United States should dokeep Peruna in the house. Use it for coughs, colds, la grippe and other climatic affections of winter, and there will be no other ailments in the house.

Such families should provide them-selves with a copy of Dr. Hartman's free book, entitled, "Chronic Catarrh." Address Dr. S. B. Hartman, President of The Hartman Sanitarium, Colum-
