Was in Torture all the Time.
Had Pains in His Back.

Dr. Fenner, Fredonia, N. Y.
Dear Sir:—Some six months ago a friend recommended to me your justly celebrated Kidney and Backache Cure. I was at that time suffering intensely from pains in my back.
My work daily aggravated the complaint and I was in torture all the time. After taking two bottles of your medicine I was relieved and two more completely cured me. I feel like a new man now, thanks to your Remedy, and unhesitatingly recommend it to those suffering as I was.
Sincerely yours,
Howard Sproule,

A preliminary meeting to what promises to be a very successful and useful organization was held here Monday. The meeting was addressed by W. A. Ashburne, representing the State University of Nebraska. He stated that the last legislature had appropriated \$4000.00 for the purpose of providing a free-of-charge to address the various farmers' institutes and stockmen's conventions which were regularly organized in the different counties in the state. He was sent out to offer their services and suggested that the people interested here form such an organization. The citizens present were all in favor of organizing at once and accordingly A. S. Enyeart was elected president and Clark Olds was elected secretary and treasurer. It was decided to hold the meeting about January 10, 1905. It is planned to have a basket dinner, thus making possible a morning and afternoon session. Mr. Ferguson, one of the foremost potato raisers in the United States, and an attaché of the state university for lectures will talk on his favorite subject and will come prepared to discuss intelligently any phase of potato culture. It is the intention at the present to get a man whose specialty is grasses for the semi arid country who can also handle stock and dairy subjects. Local talent will be assigned the discussion of poultry. It is expected that a permanent organization will be effected January 10, and that in the future with the help of the State Agricultural school the meetings will be productive of great good. One aim of the organization will be to try to get the state to establish an experiment station in western Nebraska.

Use New York Drafts To Send Money Anywhere.

They are cheaper, as safe, and better than any other method of sending money. Mail order houses always want NEW YORK drafts. They are better than money to them as their banks will issue them drafts free to an amount equal to the New York drafts they deposit.

The reason some houses do not want drafts is that many banks write them a draft on some other city than New York and it costs them to collect it. There is no charge anywhere on a New York draft and we always issue them when the money is to go out of the state.

They are cheaper than any other way of sending money. They cost:

Under \$5.00, 3c. Under \$15.00, 5c.
Under \$100.00, 10c.
Over \$100.00, 10c. per \$100.00.

We also send small sums to any country in Europe direct and issue drafts in large amounts.

We sell traveler's checks good anywhere without identification.
