

**SUFFERED FROM CATARRH OF LUNGS
SO COMMON IN WINTER.
CURED BY PE-RU-NA.**

**A COLD ON THE LUNGS THREATENS
TO BECOME SERIOUS.**

Pe-ru-na Brings Speedy Relief.

Mrs. H. E. Adams, Ex-President Palmetto Club, of New Orleans, La., writes from 110 Garfield Court, South Bend, Ind., as follows:

"I am pleased to endorse Peruna, as I took it about a year ago and it soon brought me relief from a cold on my lungs which threatened to be serious."

"The lungs were sore and inflamed, I coughed a couple of hours every night, and I felt that something must be done before my lungs became affected. Peruna was suggested by some of my friends who had used it, and acting upon their advice I tried it and found that it was able to bring about a speedy cure. You have my highest endorsement and thanks for the good it did me."

Sounding the Praises of Peruna.

Mrs. Frances Wilson, 33 Nelson St., Clinton, Mass., writes:

"Had you seen me at the time of my illness and now, you would not wonder that I take delight in sounding the praises of Peruna."

"My ailment was a severe cold which attacked the bronchial tubes and lungs."

"I followed your special directions and after using six bottles of Peruna, I was on my feet again. I think Peruna a wonderful medicine."

Miss Rose Peterson, Secretary Parkdale Tennis Club, Chicago, from experience advises all young girls who have pains and sickness peculiar to their sex, to use Lydia E. Pinkham's Vegetable Compound.

How many beautiful young girls develop into worn, listless and hopeless women, simply because sufficient attention has not been paid to their physical development. No woman is exempt from physical weakness and periodic pain, and young girls just budding into womanhood should be carefully guided physically as well as morally.

If you know of any young lady who is sick, and needs motherly advice, ask her to write to Mrs. Pinkham at Lynn, Mass., who will give her advice free, from a source of knowledge which is unequalled in the country. Do not hesitate about stating details which one may not like to talk about, and which are essential for a full understanding of the case.

Miss Hannah E. Mershon, Collingswood, N. J., says:

"I thought I would write and tell you that, by following your kind advice, I feel like a new person. I was always thin and delicate, and so weak that I could hardly do anything. Menstruation was irregular. I tried a bottle of your Vegetable Compound and began to feel better right away. I continued its use, and am now well and strong, and menstruate regularly. I cannot say enough for what your medicine did for me."

How Mrs. Pinkham Helped Fannie Kumpfe.

"DEAR MRS. PINKHAM:—I feel it is my duty to write and tell you of the benefit I have derived from your advice and the use of Lydia E. Pinkham's Vegetable Compound. The pains in my back and womb have all left me, and my menstrual trouble is corrected. I am very thankful for the good advice you gave me, and I shall recommend your medicine to all who suffer from female weakness." —MISS FANNIE KUMPF, 1922 Chester St., Little Rock, Ark. (Dec. 16, 1906.)

Lydia E. Pinkham's Vegetable Compound will cure any woman in the land who suffers from womb troubles, inflammation of the ovaries, kidney troubles, nervous excitability, nervous prostration, and all forms of woman's special ills.

\$5000 FORFEIT If we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.
