Ira Reed will ship a car of horses to Perry Iowa, next Tuesday to fill an order he received recently.

**Modern Woodmen Celebrate.**

Nineteen New Members Initiated. Monstrous Foresters Parade.

Tuesday was Woodmen day in Alliance. The city was gaily decorated in honor of the occasion and some two hundred Woodmen with their wives and sweethearts attended, and much credit is due District Deputy Hamilton for the success of the affair. The only thing to mar the pleasure of the occasion was the weather which was too cold for out door music or parades.

Before the noon train arrived the mounted Foresters' delegation of local Woodmen and the "goat" all went to the station to meet Head Consul Talbot and the visiting delegations, and they came, all but Talbot who was detained on account of illness in his family. In his stead came Hon. Ralph E. Johnson, of Lincoln supreme organizer of the order, and Special Deputy John A. Burgess, and delegations from Hemingford, Bridgeport, Lakeside and Whitman arrived.

Headed by the Camp goat the parade moved through the principal streets and at 3:30 Zbinden hall was comfortably filled to hear the oratory, and no one was disappointed.

From 6 to 8 the ladies served supper to a host in the handsomely decorated assembly room of the city hall.

Promptly at 8:15 the candidates, 19 in number rode the goat; they were assisted by the speaker District Deputy Hamilton, H. J. Ellis and the uniformed Foresters, interspersed with music by the Bridgeport uniformed band. The candidates were:

- W. S. Ridgell Martin E. Young
- Thos. Stoops James Strosak
- A. Baumgardner Carl Rohrman
- Jules Zbinden Ed Slim
- Chas Trenkle A. C. G. Raeniffes
- Bruce Kohrman J. F. Holloway
- Fred E. Johnson E. G. Ronse
- Herman Frederick W. H. Willis
- Wilford Griffith Thomas Ishmael

The officers were so well pleased with the Bridgeport band that an effort will be made to take them to Milwaukee next June, as all but one are Woodmen, and Deputy Hamilton says he will get band leader Clyde Spanogle yet. Photographer S. A. Wilvert succeeded in getting some excellent pictures of the affair.

**Passing of Pioneers.**

Death has claimed two of the pioneer settlers of Box Butte county during the past week in the person of Mr. W. J. Britton, whose funeral occurred Sunday, mention of which is made in our Hemingford department, and Mr. Patrick O'Mara who died Monday evening and was buried yesterday.

Mr. O'Mara was eighty-four years of age and had enjoyed good health until a few days ago when he contracted a severe cold and the final summons came suddenly. He resided about eighteen miles north of Alliance, where he settled on a homestead twenty years ago, being one of the first settlers in the county. Mr. O'Mara was a man who has seen much of the world and was universally esteemed by those who knew him. He leaves a wife, daughter, Mrs. Joseph Manion, and two sons, William and John, to whom THE HERALD extends sympathy.

**Senator Millard Replies.**

One of our representative merchants wrote Senators Millard and Dietrich protesting against the passage of the Parcel Post Bill has received the following reply:

UNITED STATES SENATE:  
Washington, D. C., Jan. 31.

DEAR SIR:

Your letter of the 25th instant protesting against passage of the parcels post bill, this day received and referred to the Senate Committee on Post-Offices and Post Roads for favorable consideration.

Yours truly,  
I. H. MILLARD.

For obvious reasons the merchant addressed requested that his name be omitted.

**Stock Growers Association Meet.**

On Thursday afternoon of last week the executive officers of the Nebraska Stock Growers association met with Dr. W. A. Thomas, state veterinarian. The object of the meeting was to ar-

range for a modification, or harmonizing of the national and state laws with regard to stock dipping before shipment. The present state law provides that all stock shall be dipped before shipping regardless of any previous dipping. The association's request was to allow stock to be cleared for shipment that had been previously dipped, say any time during the spring or summer season, to prevent the expense of duplicate dipping as well as a saving of time.

Dr. Thomas assured the association that their request was just and that he would endeavor to arrange for such a joint national and state order. Among those present were: E. M. Searle, Jr., state auditor; A. M. Modisett, of Rushville; E. E. Lowe, Hyannis; W. H. Comstock, Elsworth; A. S. Reed, R. M. Hampton and John Brennan of Alliance.

**TEN NEW NAVAL RECRUITS.**

Enlisted Here Last Week for Service on U. S. N. Training Ships.

The following list of Alliance boys left here Saturday morning to assume new duties and become a part of Uncle Sam's Navy:

- A. J. Wilson A. F. Tuttle
- C. N. Matsinger W. V. Kennedy
- F. H. Burris C. A. Mumper
- C. M. Ewing D. Ramsdell
- W. W. True Carl W. Cornwell

A class of twenty were examined but ten of them failed to pass the rigid examination of the naval officer.

The first five will go to Norfolk, Va., where they will ship on the U. S. Steamship "Galveston." The others will go to San Francisco where they board the U. S. training ship "Pensacola." Carl Cornwell is in charge of the San Francisco contingent, while the Norfolk delegation will be piloted to their destination by Frank Burris.

Lieutenant Schofield and Dr. D. Dabney arrived Saturday morning to assist the other officers who came a week ago. All were highly pleased with their work at Alliance and promise to return here occasionally during the coming year.

**City Council Meet.**

At the monthly meeting of the city council Tuesday night; present: Mayor Bowman, Councilmen Molring, Franklin and Joder. In the absence of Clerk Harris, Police Judge Berry officiated.

Petition of Zbinden and others for a crossing across Box Butte Ave., from Zbinden's to Watson's corner was granted.

Petition of Rev. Bogue and 250 others for the suppression of gambling was read and discussed by Rev. Ray, McConnell, McIntyre, Johnson and others. It was disposed of by the adoption of the following resolution. "Resolved: that city Marshal be instructed to report infraction of city or state laws to the Mayor and council." The ministers threw a number of bouquets at Mayor Bowman for the progress made in enforcing the laws under his administration. The petition and signatures were ordered published.

Mr. Mumper who has been dangerously ill is rapidly recovering under the careful treatment of Dr. Hand who performed a surgical operation which is restoring him to health.

Harrison & Boyer the new bottling firm placed an order this week for the latest improved automatic carbonator, and about \$2,000 worth of machinery and apparatus for their new bottling works to be shipped immediately. A Chicago firm got the order.

County Attorney Mitchell, N. C. Sutherland and others interested in the establishment of an Elk's lodge here have heard from District Deputy B. W. Taylor of Omaha, and they now feel that very little doubt exists as to the establishment of the order here, which means much for Alliance. The Elk's keep open house the year round and a large number of traveling men make their headquarters over Sunday in a town with an Elk's club. Various other reasons could be advanced why Alliance should have an Elk club that will develop later.

Every young man or woman who wants to prepare for a bank or office position of any kind should write the Grand Island Business and Normal College at Grand Island, Neb., for a catalogue. We understand that every student of this school is placed in a position as soon as he or she graduates and those who prefer may graduate from the College and pay expenses in monthly payments after a position has been secured. President Hargis has been at the head of this school for twenty years and under his management it has grown to be one of the most important institutions in the Western States.

The Rev. E. P. Hammond, of Hartford, Conn., for many years a successful evangelist both in this country and Europe, will begin a brief series of meetings in the First Presbyterian church, Tuesday evening February 16. As Mr. Hammond will be here, but three or four days, the people should prepare themselves to give as much time to these meetings as possible. There will be afternoon meetings at 4 o'clock for the children. Parents should bear this in mind and encourage their children to attend.

Jules Zbinden and others have petitioned the city council to have a crossing put in on the north side of Dakota street across Box Butte Ave. Just here THE HERALD would suggest that the time to commence to lay permanent crossings is here. A concrete and cement crossing costs a little more now, but it is permanent and never needs repairs if properly put in. This spring is the time to begin permanent crossings.

Mr. C. F. Tierney, sister and niece, of Broken Bow, are Alliance visitors. The report is current that they came to attend the wedding of Simon Spry and Mrs. R. E. Moore, of Englewood, S. D., who is here with her sister. Tierney denies this, and Spry pleads not guilty to the charge and laconically replied: "I wish it were true."

Orville Owen, one of Alliance's hustling progressive barbers is distributing a handsome leather wallet bill and note book in convenient pocket size to his friends and patrons. He is the Alliance agent of the Louisiana State Loan and Trust Company of Chicago.

So many applicants are still calling at THE HERALD office to answer an advertisement in this paper a few weeks ago for an apprentice, that we wish to announce that Mr. Earle Enyeart has secured the position and has been apprenticed here to learn the printing business.

Mr. and Mrs. Robert Baxter are entertaining their Grand-daughter Miss Ethyl Calkins this week. Miss Calkins is an accomplished violinist and is enroute from her home in Cody, Wyo., to Omaha where she will resume her musical studies.

R. W. Sperry and wife have gone to Canyon City, Colorado, where Mr. Sperry will be employed on the Record. He has been employed on THE HERALD for some time past and has secured a merited promotion. He is a sober, honest, up-to-date printer.

Mr. and Mrs. Ira A. Gripp, of Thayer, Iowa arrived on 41 yesterday and will visit several weeks with Mrs. Gripp's sister, Mrs. I. E. Tash.
