Mr. and Mrs. C. A. Tully made a
flying visit here from Lakeside Sat-
urday. Mr. Tully had his face badly
frozen in the recent cold snap and the
bark is coming off both cheeks, other-
wise he is the same good looking, gen-
ial Tully as of old. He reports no
stock loss so far in his herd.

The sixty-four applicants for a charter
for an Elk lodge here have word
from District Deputy W. Beech Taylor
of Omaha, that he has made a favor-
able report on their petition and hopes

have made application for charter
membership are jubilant.

The Box Butte friends of Jerry Butler,
who until recently resided up on
Snake creek, will be surprised to learn
that he and his estimable family have
located in the south at Pensacola,
Florida. Jerry's sister is interested in
real estate holdings in that section and
he has gone there to look after her
affairs. The Butlers moved to Oma-
ha last year, where they resided until
they went south.

Frank Dismar the restaurant man
got into a dispute with one of his em-
ployees Friday night and the enraged
man had Frank by the throat when
help came, then the fellow ran follow-
ed by policeman Cardwell who only
succeeded in stopping him after shoot-
ing at him three times. When brought
before Police Judge Berry, Dismar re-
fused to appear against him and the
fellow was released.

Chaplain E. W. White closed a
series of revival meetings at the Baptist

meetings were successful in every way,
there being quite a number of converts.

J. C. Berry of Antioch was in the
city yesterday, having made the trip
with a team. Speaking of the condi-
tion of cattle Mr. Berry stated that his
stock has stood the winter weather
well and their condition is excellent.
He is arranging to take a car load of

two-year-old geldings to Chairton,
Iowa, next week, which he will put on
the market. A year ago Mr. Berry
had a car of horses at that place and
he has assurance that the forthcoming
shipment will find ready sale.

While the storms of the past two
weeks have been unusually severe
throughout the range country of Ne-
braska and Wyoming there has been
little loss of stock and in fact ranchmen
say cattle are in better flesh than they
were this time last year, when the
weather was unusually warm and
spring-like. Indications are that the
heavy snows which have moistened the
ground will start an early and abun-
dant growth of grass, and the outlook
for the cattle industry for the coming
season is encouraging.

The forrester drill team and District
Deputy Hamilton have arranged to
hold a drill team contest at Zbinden
hall March 29th and are offering a
cash prize of \$20 to the winners. The
local team giving half the amount and
Deputy Hamilton the other half. All
the Woodmen teams in the district are
invited to participate. The Alliance
team will not enter the contest. A
grand ball is also arranged for that
date by way of entertainment. The
Woodmen will try and arrange for a
special railroad rate for the occasion.

Sheriff Reed Buys Fancy Horse.

Sheriff Reed returned from Perry,
Iowa yesterday where he shipped and
sold a car of horses. While there he
got his eye on a handsome registered
stallion and liked him so well that he
bought him and brought him along.
If you want to see a real handsome
horse go over to the Palace barn and
look at him.

Reed says he will sell the horse if he
is kept here, but does not want him
taken out of the county. The price
he quotes on the horse is so low that
if you want to look at him before he is
sold you will have to hurry. Reed
knows a good horse when he sees him
and being in the horse buying business
takes advantage of every opportunity
to improve the class of draft horses
grown here.

cipient of a fine valentine last week
which was postmarked Marsland. And
now the boys are wondering who she is.

The Alliance division of the B. of L.
F. will give a grand ball the evening of
March 17. Every effort is being made
by the firemen to make it the event of
the season and a big time is promised.

It is reported that there will be a
daily passenger train put on between
Alliance and Gjerusey in the near
future. The train is to double the road
each day but Sunday and will make
connections with 42 for the east.

There is a great deal of sickness
among the railroad men at the present
time in Alliance. The number of men
laying off on account of fevers and
colds is greater than at any time the
past year.

A Burlington pay check in favor of a
party by the name of Smith was raised
from \$20 to \$70 and passed on one
of the merchants last Saturday. The
check went through the bank here and
was detected in Omaha. The matter
was fixed up by Smith and no one will
be prosecuted.

Some unknown party got hold of a
Burlington time check at Alliance this
week and after forging a name to it,
had a messenger boy get it cashed in
one of the stores and turn the money
over to him. The boy did not know
but what the time check belonged to
the party who gave it to him. The
guilty party has not been located.
