

THE OLD FOLKS AT HOME

Are Never Without Pe-ru-na in the Home For Catarrhal Diseases.

Remarkable Cures Effected By Pe-ru-na.

Under date of January 10, 1897, Dr. Hartman received the following letter: "My wife has been a sufferer from a complication of diseases for the past twenty-five years. Her case has baffled the skill of some of the most noted physicians. One of her worst troubles was chronic constipation of several years' standing. She was also passing through that most critical period in the life of a woman—change of life. "In June, 1895, I wrote to you about her case. You advised a course of Peruna and Manalin, which we at once commenced, and have to say it completely cured her. "About the same time I wrote you about my own case of catarrh, which had been of twenty-five years' standing. At times I was almost past going. I commenced to use Peruna according to your instructions and continued its use for about a year, and it has completely cured me."—John O. Atkinson. In a letter dated January 1, 1900, Mr.

Atkinson says, after five years' experience with Peruna, "I will ever continue to speak a good word for Peruna. I am still cured of catarrh."—John O. Atkinson, Independence, Mo., Box 272. Mrs. Alla Schwandt, Sanborn, Minn., writes: "I have been troubled with rheumatism and catarrh for twenty-five years. Could not sleep day or night. After having used Peruna I can sleep and nothing bothers me now. If I ever am afflicted with any kind of sickness, Peruna will be the medicine I shall use. My son was cured of catarrh of the larynx by Peruna."—Mrs. Alla Schwandt. When old age comes, catarrhal diseases come also. Systemic catarrh is almost universal in old people. Address Dr. S. R. Hartman, President of the Hartman Sanitarium, Columbus, Ohio, who will be pleased to give you the benefit of his medical advice gratis.

Liver Disease.

THE liver is the great filtering apparatus of the alimentative, or digestive, system. It filters the poison-loaded bile out of the blood.

When the liver lacks active capacity to do this work, then the bile passes through into the general circulation and begins its poisonous work. Through the circulation of the blood it is disseminated throughout the body, gradually sapping the strength, clouding the brain, weighing down the energies, weakening the heart's action, infecting and undermining the system. Eventually the poison begins to accumulate at the skin, the kidneys, the bronchial tubes, or the lungs, until at last it settles and fastens itself at some point, which location may be far away from the liver; yet it is stagnation or congestion of the liver which is the immediate cause of the whole trouble.

SYMPTOMS OF LIVER COMPLAINT.
Not unfrequently, in liver disease, the complexion becomes pale and sallow, there may be frequent attacks of bilious or sick headache, bitter taste in the mouth, tongue coated white, or covered with a brown fur, unnatural, dry, harsh, or scaly condition of the skin, or branny eruptions, pimples, dark blotches, and troublesome itching. There are likely to be "backache," and tired feelings, lassitude and a sense of debility. There is depression of spirits and a decided tendency to be discouraged and despondent. There is loss or irregularity of appetite, uneasiness in region of the stomach, oppression, sometimes sour stomach, "heartburn," nausea and "water-brash," flatulency, and acid eructations; the bowels become irregular, usually constipated, and occasionally subject to diarrhoea, attended with colicky pains. The foregoing symptoms are not all present in any one case, nor are any two cases alike in every respect.

The only way to help a disordered liver is to treat it as it is—the great, organic, human filter. Doctor Pierce's Golden Medical Discovery cleanses and clears it; invigorates and revitalizes this most important organ by its wonderful alterative power. For biliousness, indigestion, weak stomach, and kindred ailments, the "Golden Medical Discovery" is a most efficient remedy.

DR. R. V. PIERCE, Buffalo, N. Y.
Last 31st. In the year 1893 I had an attack of indigestion and got so bad that my doctor said he could not do me any good. I wrote to you and you advised me to use Dr. Pierce's Golden Medical Discovery, so I bought six bottles and when I commenced using it I was so weak could hardly walk about the house. By the time I had used one bottle my stomach and bowels commenced to heal. There were strips of the lining of my stomach or bowels (I don't know which) as large as a man's two fingers passed and I had a great deal of mucus in my stomach and bowels, and also in the rectum especially. I could not eat anything without having much distress afterward, but by the time I had taken eight bottles of the "Golden Medical Discovery" I was so strong and well, and could eat anything I pleased without suffering in the least. Could also do as much work in a day as I ever could. I have not suffered from the trouble since, and it was four years ago that I was so sick.

G. TRENT, Gordonville, Texas.

Conviction Follows Trial
When buying loose coffee or anything your grocer happens to have in his bin, how do you know what you are getting? Some queer stories about coffee that is sold in bulk, could be told, if the people who handle it (grocers), cared to speak out.
Could any amount of mere talk have persuaded millions of housekeepers to use
Lion Coffee,
the leader of all package coffees for over a quarter of a century, if they had not found it superior to all other brands in Purity, Strength, Flavor and Uniformity?
This popular success of LION COFFEE can be due only to inherent merit. There is no stronger proof of merit than continued and increasing popularity.
If the verdict of MILLIONS OF HOUSEKEEPERS does not convince you of the merits of LION COFFEE, it costs you but a trifle to buy a package. It is the easiest way to convince yourself, and to make you a PERMANENT PURCHASER.
LION COFFEE is sold only in 1 lb. sealed packages, and reaches you as pure and clean as when it left our factory.
Lion-head on every package.
