LET'S HAVE SEWERS

Citizens Meeting to be Held at City Hall Tonight.

The demand for a system of sewerage for Alliance has been staring the citizens in the face so long and necessity for such has become so urgent that a special meeting for all to attend is called to take place in the council room of the city hall this evening at 8 o'clock to talk the matter over.

This is the most important question that confronts the city and the meeting should be well attended, that question of sewerage may be properly discussed. Come out, everybody!

"Uncle Zed" Active Again.

For several months past Uncle Zed Goodwin who has passed his eightieth milestone has been very poorly and as he says himself "trying to die" but the old gentleman who is undoubtedly the oldest stockman living demonstrated this week that he is still active by buying a bunch of heifers and which were the best shipped from this market for many a day. Just before shipping, however, he sold them to Gene Hall and then bought back a half interest in the bunch, which are on the South Omaha market today. It is expected they will sell at \$3.50 to \$4.00.

Life's Journey Ended.

Henry M. McCoy died at the home of his daughter, Mrs. Dr. T. Allen, in this city early Sunday morning. The funeral services were conducted at the residence Monday afternoon by Rev. G. C. Jeffers and interment was made in Greenwood cemetery.

Mr. McCoy was born May 10, 1828, Addington county, Ontario, Canada, and came to the states in 1881, residing in Michigan, South Dakota and Iowa, coming to Alliance last May to make his home with his daughter. Mr. McCoy joined the Methodist church at an early age but later transferred his membership to the Baptist society. Deceased was the father of eight children and is survived by the following: Dr. J. H. Reed of Grand Rapids, Mich., Charles McCoy of Rapid City, S. D., Mrs. C. P. Holden of Chicago, and Mrs. Allen of Alliance.

Broncho Lake Resort.

Mayor Baechstein and Wm. James and their families enjoyed the pleasures of a summer resort last evening at Broncho lake, where they took with them a new boat. The lake is well filled with water and the excursionists enjoyed their row greatly in the cool of the evening. Broncho is a beautiful sheet of water surrounded by a sandy shore and easy of access. It is only about two miles from town and if some arrangements could be made to provide the same with row boats and an electric launch or two, a pavilion where people could congregate and a band stand, boat and boat house, it would not be long ere Alliance would have the reputation of being an ideal summer resort. Here's a chance for some one to get richer than "Scotty the Miner."

Bitten by a Tarantula.

John Riordan received a message last Tuesday from Lincoln stating that his youngest brother, a lad about 16 years old had been severely poisoned by the sting of a tarantula. The poisonous spider was hidden in a bunch of bananas which young Riordan was handling. He became deathly sick from the bite, but a physician's prompt action saved his life.

Kennedy-Duskin

Jas. G. Kennedy and Miss Alma Duskin were united in marriage Wednesday at the home of Mr. and Mrs. J. E. Keane in the presence of about twenty-five relatives and friends, Rev. G. C. Jeffers performing the ceremony. The groom is a son of Mr. and Mrs. L. M. Kennedy and the bride a daughter of Mr. and Mrs. John H. Duskin who reside on their ranch fifteen miles northwest. They are a worthy young couple and THE HERALD joins their friends in wishing them a happy journey through life.

THE METER SYSTEM

A Proposition of Special Interest to the Citizens of Alliance.

A movement is on foot to place the water system of this city on a meter basis. This matter has been under consideration for some time by the city authorities and will be brought up at a special or the next regular meeting of the city council. This new system will result in a decided saving to those paying for city water. There are at present about 160 meters in use and those having them installed state that they have saved the price of the meter in one year.

There is no doubt when the meter system is generally understood our citizens will unite in endorsing the step proposed by the municipal government.

To Organize Daughters of Isabella.

The regular meeting of the local court of the Knights of Columbus was held at their hall last night. After the meeting a social was held in which quite a number of the Catholic ladies participated. An interesting program of music and declamations was given and the subject of organizing a court of the Daughters of Isabella discussed. This matter has been considered for some time and since the meeting held last evening it looks as if Alliance would have the distinction of being the first city west of the Missouri river to institute such an organization. The Daughters of Isabella is similar to that of the K. C's and is purely religious in character.

Arrested for Cattle Stealing

Theodore Osborne, residing twenty miles northeast of Alliance, was placed under arrest last Saturday by the sheriff of Sheridan county and taken to Rushville. It is alleged that the hide of a deer having the brands of A. S. Reed was dug up about a mile from his house and that a knife bearing Osborne's name was also found near by. Some believe Osborne guilty

while others contend that the charge is trumped up by neighboring ranchmen with whom he has trouble. Osborne and his wife were the main witnesses for the prosecution against John and Herman Krause in the government land fencing case a short time ago.

Potato Growers will Organize.

At a meeting of potato producers held at the West school house, north of Alliance last Saturday a temporary organization was perfected by electing Albert Hadley president and John Lawrence secretary. The purpose of this association is to look to the protection of their interests and all growers are invited to join the same. A committee of two—A. Hadley and Wm. Matzat—was appointed to confer with the farmers near Hemingford next Saturday and a general meeting is called to take place in Alliance, July 22.

For sale—About sixty spring shoats,

HELP! HELP! HELP!

STOCK REDUCING SALE!

WE have had the largest business this spring and summer we have ever had since we came to Alliance. This shows that our goods are the right kind and that the prices are right. But we bought more goods than we ever did and the late season, that is, the continued cold weather, has left us with lots of summer goods that should have been sold under ordinary weather conditions, and in order to move them we are making big reductions.

OUR well known policy of handling and selling only well known standard brands has reaped a just reward. With **Hart, Shaffner & Marx** and **Sterling Clothing** we have cured many a man of the tailor habit. We can cure you of that habit too and put money in your purse in the way of savings if you will come and look at our **Fine Ready-made Clothing.**
