

## Four Facts For Sick Women To Consider

Lydia E. Pinkham's Vegetable Compound Has an Unequalled Record of Cures—Mrs. Pinkham's Advice Is Confidential, Free, and Always Helpful

**FIRST**—That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful menstruation, leucorrhoea, displacements of the uterus, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, dizziness and sleeplessness.

**SECOND**—The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, all uterine and ovarian inflammation, weakness and displacements, regulating menstruation perfectly and overcoming its pains. It has also proved itself invaluable in preparing for childbirth and the change of life.

**THIRD**—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

**FOURTH**—Every ailing woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

**Mrs. Pinkham's Standing Invitation to Women**—Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

**Hardest Animal to Handle.**  
The elephant is the most treacherous, moody, changeable animal in a menagerie. They are twice as dangerous as tigers, lions, or bears. The men who handle the big cats in their cages are forced to watch closely and carefully while they are in the cages with them, but that lasts only a short time.

**Insist on Getting It.**  
Some grocers say they don't keep Defiance Starch. This is because they have a stock on hand of other brands containing only 12 oz. in a package, which they won't be able to sell first, because Defiance contains 16 oz. for the same money.  
Do you want 16 oz. instead of 12 oz. for same money? Then buy Defiance Starch. Requires no cooking.

**Heat and Cold in Arabia.**  
Arabia has the reputation of being one of the hottest and unhealthiest regions on the globe, but all northern Arabia has a winter season, with cold rains and occasional frosts.

### AN IDEAL COURT PRAYER.

Commended by Judge for Brevity and Common Sense.

Prior to the commencement of a term of court at Manchester, N. H., several years ago, Judge Doe, in his usual brisk way, requested the sheriff to invite some clergymen to make the customary opening prayer, provided one could be found who would be brief.

The sheriff, in his quest to fill the bill, met the Rev. Mr. Buckley, a minister who had charge of one of the city churches. The sheriff told him what was wanted, that the prayer must be short, and suggested that the quicker he could earn the \$3 fee allowed the more satisfactory would be his efforts.

While demurring to the mercenary and commercial spirit of the invitation, Mr. Buckley concluded to accept, and immediately repaired to the court house. A brief introduction to the judge, call of silence by the sheriff, and the minister's dignified form arose. With closed eyes and solemn visage he slowly and impressively delivered the following brief prayer:  
"Oh, Lord! bless this court and bless these lawyers; make them feel that life is short and time is precious not to be wasted in empty declamation, for Christ's sake, amen."

Judge Doe afterward said this should be adopted as a model prayer for such an occasion.

### A SYMBOL OF THE MODERN

Meaning of the Automobile's Seventy Miles an Hour.

The chauffeur is the type, the symbol of the modern, says Century Life in America. The driver in action leans over the motor bonnet like an aimed arrow. His left hand is on the steel driving gear, his right hand opens and closes as he feels for the emergency brake that will save a life at the next blind corner; his feet, clad in buckskin shoes, are pliable and acutely sensitive and play the clutch as if it were a soft pedal. His goggles thrown off a steady fusillade of sand. His slave of the race, the mechanic at his left, is feeding oil to the friction-chafed chassis.

The machine is throbbing as if it were a great heart, and the pulsations go through him as part of the system. The wheel tires get egg-shaped from the momentum. Chewing dust and blinking wind he feels the speed gathering from all parts, from the hub bolt to the inmost nut of the body, like a rising tide.

What wonder that the greatest triumph since Goethe was crowned at Weimer came to Fournier when he had huddled through three nations and rolled into the circus ground of Berlin, receiving the prize of the emperor of Germany of the king of the Belgians, of the grand duke of Luxembourg and of the city of Hanover?

### Judge Kennedy's View Confirmed.

Judge Kennedy of the Newton police court, although a model of courtesy on the bench, never fails to nail a lie, especially if the falsifier is on trial for a crime.

An old offender was arraigned before him, charged with drunkenness. When the complaint had been read the defendant bravely answered, "Not guilty." The judge, eyeing him sharply, inquired: "How long since you were drunk?" The prisoner answered that he hadn't taken a drink for more than a year.

"That's not true," replied his honor. "I saw you drunk within a month on the street in Boston, and you had the impudence to accost me."

"Did I spake to you, sor?" asked the prisoner.

"You did," said the court.

"Well, thin, I must have been drunk yer again."

No one in the court room enjoyed the incident more than the judge.—Boston Herald.

### George III and the Parrot.

The habit acquired by parrots on board ship of cursing and swearing, and making use of other objectionable language, is a matter of common knowledge. Lord Howe had just returned from his great victory, and King George III and his consort, Queen Charlotte, honored him with a visit on board his ship. Among other treasures brought home by the admiral was a parrot famed for its talking, which was always kept hung up in the admiral's stateroom. Their majesties were called on to see the wonderful bird, but, unfortunately Polly, who was no respecter of persons, broke out in a torrent of foul and obscene language. The queen was hurried out of the cabin, whilst Polly was sent sprawling off her perch by the admiral.

### Test For All of Us.

I look into my neighbor's eyes  
And twist a smile that's strangely grim;  
I'm thinking, Would he feel surprise  
To know just what I think of him?

I gaze into my dear friend's face  
And with this thought my soul is stirred:  
What revolution would take place  
Were I to tell her what I've heard?

I stare into my mirror there  
With eyes that hunger to be true  
And say aloud: Would it be fair  
To mention all I know of you.

—New York Times.

### No Carriage Roads From Ireland.

An Irishman was brought before the lower court on a charge of vagrancy and was questioned as follows:  
"What business are you in?"  
"Sure, I am a sailor, your honor."  
"You a sailor? I question whether you have ever been to sea in your life."  
"Sure, now, and does your honor think I came over from Ireland in a carriage?" He was released.

### Different Now.

The years seemed very long to me, and wife was but a bore; all sights were tiresome to see, and I had the blue galore. All jokes were ancient here below, good songs were never sung; but that, alas! was years ago—when I was very young.

### Divorce Averages.

In countries where divorce laws are in force Germany shows 165; France, 180; Roumania, 204; Switzerland, 432, and the United States, 612 divorces for every 10,000 marriages.

### Drummers and Funny Stories.

There are 600,000 traveling men in the United States. This means, says the St. Louis Globe-Democrat, an output of 1,800,000 new funny stories each month.

### Making It "Sure Thing."

An envelope closed with the white of an egg can not be opened by the steam of boiling water, as the heat only adds to its firmness.

Any woman will tell you that her husband isn't the Least Bit Afraid of Lightning; she will also deny that he is afraid of her.

### BABY'S TERRIBLE SORE

Body Raw With Humor—Caused Untold Agony—Doctor Did No Good—Cuticura Cured at Once.

"My child was a very delicate baby. A terrible sore and humor broke out on his body, looking like raw flesh, and causing the child untold agony. My physician prescribed various remedies, none of which helped at all. I became discouraged and took the matter into my own hands, and tried Cuticura Soap and Cuticura Ointment with almost immediate success. Before the second week had passed the soreness was gone, not leaving a trace of anything. Mrs. Jeannette H. Block, 251 Rosedale St., Rochester, N. Y."

You cannot lead a man with a club.

Every housekeeper should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 16 oz.—one full pound—while all other Cold Water Starches are put up in 3/4-pound packages, and the price is the same, 10 cents. Then again because Defiance Starch is free from all injurious chemicals. If your grocer tries to sell you a 12-oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "16 ozs." Demand Defiance and save much time and money and the annoyance of the iron sticking. Defiance never sticks.
