OLD SETTLERS' ORGANIZE

Arrangements Perfected to Hold a Picnic on Saturday, September 30—A Committee Appointed.

Quite a number of old settlers of the county met at the court house last Saturday and perfected the organization of the Old Settlers association. Alonzo Sherwood acted as chairman of the meeting and J. E. Gregg secretary and a resolution was passed that a permanent organization be made. It was decided to hold the first picnic at the home of James Barkhurst about five miles northwest of Alliance on Saturday, September 30. A committee on program and arrangements was appointed as follows: Mrs. Leora Rustin, chairman, Mrs. W. A. Mason, Mrs. B. E. Johnson and Mrs. J. W. Christy. There is no doubt but what there will be a large gathering of old settlers and a pleasant time is anticipated. Everybody is invited.

A Big Crowd at the "Smoker."

A large number of guests responded to the invitations sent out by the Elks to join them in a social "smoker" at their handsome club rooms last Thursday night. The committee on entertaining carried out their part royally, those present indulging in the good things served most heartily. Wm. Mitchell did the honors as toastmaster and his easy manner and well-worded expression kept the "boys" in a happy mood. The mandolin, guitar and piano music was pleasing, and the summer stories related by the guests provoked endless laughter, even if some of the yarns were short on brains. An number of visiting Elks were in attendance and expressed themselves as greatly pleased with the social function they had the pleasure of attending.

Lots of Fun at the Circus.

Gentry Bros' circus arrived here from the east Tuesday morning and showed to a large audience in the afternoon. The street parade just before dinner excited considerable interest, especially the ponies, dogs and monkeys. At the shows everything was presented as advertised and the monkey fire department was too comical for anything, also the antics of the monkey physician who attended the sick elephant. The evening performance was cancelled owing to the threatening condition of the weather and those in attendance were refunded their admission. The circus went from here to Crawford and Chadron and will return to Sunday in Alliance while on its way down to Sterling.

Sheridan Walks Off with the Bakery.

The Sheridan base ball team arrived in the city last Friday to play a series of three games, which, it was thought, would prove very interesting, but in this the lovers of the game were sorely disappointed.

The game Friday closed on account of darkness and in the eleventh inning stood a tie with five scores each.

Manager Guver of the Sheridan team stated that his boys were in poor condition to play ball Friday on account of travel and loss of sleep, but that they be able to hand the Allianceites a bunch in the remaining games. This proved to be the case in its fullest meaning. The game Saturday closed with a score of 8 to 2, and that of Sunday by 12 to 6.

In the Sunday game the Alliance team was handicapped by the crippling of their pitchers Giffin and Hull who were struck with the ball while batting. But the cause of Alliance's defeat was due to inferior batting. In other respects, the home team played as good ball as the visitors.

Cattle Rustlers Active.

A dispatch was received in this city from Ellsworth yesterday stating that eighty-five head of cattle had been stolen from Dan Hill. The telegram gave no further particulars other than no clue had been discovered of the missing stock.

NOS. 43 AND 44 REPLACED

Commencing Next Sunday The Burlington will Run Two Passenger Trains Each Way.

After a year's trial with the passenger train each way, the management of the Burlington system has decided to put two more trains on the road, as was the order of things heretofore. It has been evident for some that this was absolutely necessary, the traffic of the road demanding it. The new trains will be Nos. 43 and 44, and will be local passengers. This will elevate several worthy employes from brakemen to conductors and firemen to engineers, and it means an advance all along the train service. Following is the new order as given out:

A supplemental time card will be put in effect Sunday, No. 98-A, which will in no way effect the running time of any of the present trains except Nos. 41 and 42, these two trains are to be made through trains stopping only at the most important places. Trains Nos. 43 and 44 will be extended from Broken Bow to Edgemont, doing all the local work. No. 43 will arrive at Alliance at 7 a. m., and have one hour here for breakfast. The Laziest Man in Alliance.
We've often heard of the laziest man in Iowa, who permitted his wife to get up mornings to start the fires, but it was not till lately we learned of an Alliance citizen who could give his Iowa friends cards and spades and then beat him out in resting. The distinguished gentleman we refer to, invited a friend to his home one evening to partake of a mammoth Texas watermelon he had on ice down town, but he also invited his guest to carry the melon to his home several blocks distant.
