### Merchants' Association.

A meeting of the Western Nebraska Merchants' association will be held at Alliance, in the opera house on Wednesday, September 20, 1905 at 1:30 p. m. for the purpose of formulating plans to advance and protect interests of Western Nebraska merchants.

The call is made by R. A. Watts, president and L. W. Martyn, Jr., secretary, and it is expected that a number of merchants from neighboring towns will join with merchants in Alliance in promoting this worthy object. Alliance has been selected for the place of meeting by reason of its well known ability for welcoming visitors and taking care of and entertaining them while here. It is hoped that the usual interest will be manifested in this meeting and that nothing will be left undone towards assisting in its success by merchants and citizens generally.

### Singular Coincidence.

Two bodies, one that of a woman and the other a man, lay side by side in the express car attached to train No. 42, east bound Sunday morning. The remains of the man were taken off here for shipment to Deadwood. Those of the woman were destined to some point in Illinois.

The circumstances surrounding the death of both parties are tragic, and the disposal of their bodies brought about peculiar instances. The woman came from Montana, where, a few days ago, while out hunting with her husband she was accidentally killed by him. The other party came from British Columbia, and he too met with an accidental death by being shot by his wife while on a hunting trip. On the train was the bereaved husband of the woman he killed, and also the bereaved wife of the husband she had shot to death in the same manner. Neither knew of the singular conditions until they were made known on the trip.

### Band Concert Saturday Evening.

The Alliance band, under the leadership of Prof. Demery, will give a concert next Saturday evening on the Zbinden corner. Following is the program:

- 1.—The Wedding Cake, Q. S. Nelson
- 2.—Waltz, Humadora, W. M. Redfield
- 3.—Remembrance of Liberty, W. J. Casey
- 4.—Trombone Solo, My Pal, W. O. Hays
- 5.—Serenade, The Dream, H. C. Miller
- 6.—The Darkies Spring Song, Van Alstyne

### High Class Entertainment Coming.

Manager Broome of the Phelan opera house informs us that the National Bioscope Company under the

management of G. Whitten will give an entertainment in the opera house Monday evening, Sept. 25. This company has been in Alliance twice before and was greeted each time with a full house. It is not one of the cheap moving picture shows but everything is of the highest class and the entertainment is highly appreciated by everyone. Remember the date—Sept. 25.

### Republicans Nominate.

The republican county convention was held in Alliance last Saturday. There were only more than one aspirant for two offices, that of treasurer and sheriff. Alex Murihead contested with W. A. Manchester for the former while Al Wiker was nominated over R. H. Watkins for sheriff by a slight majority.

Delegates elected to the state convention are: I. E. Tash, Bruce Wilcox, C. J. Wildy, A. S. Eneyart, W. H. Corbin and C. C. Barker. H. J. Ellis was selected as county central committeeman.

Resolutions were passed endorsing President Roosevelt, Governor Mickey and Senator Burkett. No anti-pass resolutions were adopted.

The following ticket was nominated. Clerk—W. A. Manchester. Treasurer—Alex Murihead. Sheriff—Al Wiker. Judge—Abel Hill.

### K. C.'s Entertain.

The Knights of Columbus entertained their friends to a number of 75 at their hall last evening. A musical program was rendered and the balance of the evening was spent at the festival board, where oysters and other delicacies were served by the Knights, after which dancing was indulged in. This was the second social function of the order since its organization and was highly appreciated.

### Water Users Take Notice.

Now that the city authorities have inaugurated the meter system, the same can be secured through the water commissioner, F. M. Knight, or assistant, M. A. Shay, by the 25th of September. These meters will be sold to the people at actual cost, which is \$12, cash on delivery. Those not already on a meter basis, should secure them before cold weather sets in. By order of water commissioner.

### Death of Trainmaster Murphy.

D. Murphy, trainmaster for the Burlington at Deadwood, died this morning at 2 o'clock. He was operated on Wednesday morning for appendicitis which caused his death. Mr. Murphy was 37 years of age and entered the employ of the company on the McCook division when a boy, working with an extra gang. In 1897 he was made roadmaster of the Black Hills division, filling the position until last May when he was appointed trainmaster. He was regarded as an exceptionally good railroad man and was universally liked, his friends being numbered by the score. A wife and several small children are left to mourn. The funeral will take place at Broken Bow tomorrow.

### Trying the New Cure for Drunkenness

A few days ago this office received a letter from Gus Uecker asking that his copy of the Independent be changed from O'Neill to the asylum at Lincoln. Gus is the first one to suffer sentence under the dipsomaniac law from this part of Nebraska. Last week his wife swore out a complaint charging him with habitual drunkenness, he was tried and sentenced under this law, and Sheriff Hall took him to his new boarding place last Wednesday. His sentence is for three years or till cured. Jas. E. Hughes was arrested on the same complaint and under similar circumstances, and sentence suspended for two weeks to allow him to take treatment at home. So far Mr. Hughes has been doing nicely and strong hopes are entertained that Jim will be able to escape going to the asylum. A man given this chance ought to be able to overcome the habit and we believe Jim will do it.—O'Neill Independent.

A WORD or two about the new styles—Collars and lapels are larger. There is greater breadth across the chest, but shoulders are shaped more to the lines of the figure. Coats are cut longer. Single and double vents are deeper. Colors provide for every taste; grays, brown and green mixtures seem to be well to the front in the race for popularity. Mixtures in tweeds are moving nicely. Blues and blacks are also much in favor. The double-breasted 3-button sack is the main style. The college cut comes next.
