W. Mabin who lives near Berca sustained the loss of all his rye by fire Saturday while the threshers were at his farm. The cause—the old story of the careless smoker and his pipe. It would do no great harm if every old farmer would kick the pants of those who insist on smoking around a threshing machine clear of the farm.

Millinery Opening.

I will be at Burlew's store in Hemingford on October 5, 6 and 7, with the finest line of millinery ever shown there, consisting of street, dress and tailored hats, for both ladies and children.
