The City of Alliance

ALLIANCE is a thriving city of more than 4000 population, prosper-
ous and glowing prospects for the future. 400 miles west
of Omaha, 236 miles north of Denver. It is the metropolis of
western Nebraska. It has water works, electric lights, a three story city
hall and fire engine house, first class fire company and apparatus. Two
large school buildings; employs twenty teachers to educate its 1000
school children. Seven churches, U. S. land office, Court house, two
National Banks, modern business blocks and handsome residences. Its
railroad facilities are the best. It is on the main line of the Burlington
from either Chicago or St. Louis to Portland and the Pacific coast. It
is the Division headquarters for western Nebraska, Wyoming, South Da-
kota and Montana, the offices of General Superintendent Phelan having
been recently located here. The western division shops are located
here and more than 600 railroad men are employed here. Its people
are hospitable, enterprising, and intelligent. Its climate is healthful and
invigorating. In short, no town in Nebraska presents superior induc-
ments for men of capital, enterprise and push, to locate within her
borders. Letters of inquiry addressed to the Alliance HERALD will be
answered promptly and in detail. Better write for a copy of our hand-
some twenty-four page illustrated Industrial edition, it will tell you more
than we could write you in a month.

It Is Not Too Early

to begin talking COATS. We
have a complete line and invite
you to come early and look them
