G. G. HAMPTON, Asst. Cash.

First National Bank

OF ALLIANCE

CAPITAL - \$50,000.00
SURPLUS and PROFITS \$34,000.00

UNITED STATES DEPOSITORY

OUR POLICY: Courtesy and Conservatism

The First National Bank has no clients but its customers and no interests to conserve but those of its clients.

It will render any service of a financial nature which any Individual or Corporation may properly desire.

If success in banking be measured by service rendered, then the First National Bank shall take the first rank.

Excellent Show Coming.

Mr. Harry M. Strouse, representing The District Leader company, the famous musical comedy company with fifty people, is in the city today and in company with Messrs. Harris and Broome listed the city for the purpose of ascertaining whether it would pay his company to play Alliance. The success in canvassing the city proves that Alliance people are anxious to encourage companies of such excellence to play this city. It is an expensive play and must of necessity command a liberal patronage. Most of our leading citizens and business men solicited, responded liberally and thus guarantees the appearance of the company on Friday night, May 29.

Flew the Coop.

Wm. Akin, better known as "Chillie Billy," who has been under a \$250 bond to appear at this term of district court to answer to a charge of adultery, took French leave of this neighborhood recently, leaving no clue to his whereabouts. It is said that some one put up a job on Akin by agreeing to get rid of his accomplice in crime for \$150. After the money is said to have been paid, "Chillie Billy" was told that his bond would soon be increased and the best thing he could do would be to make himself scarce. And it now appears that Akin has "skiddooed" and forfeited the \$200 bond.

A Record Run.

Dr. Bellwood was as happy as a clam at high tide last Friday when in his Buick runabout auto he beat passenger train No. 41 from here to Hemingford. Sam Tillet pulled the train and when he arrived at the above place he was surprised to see Dr. Bellwood sitting on a dry goods box as unconcerned as could be. C. O. Aspenwall, Dr. Bellwood and W. O. Barnes rode in the auto and its time was 43 minutes to Hemingford. This record was lowered when Mr. Aspenwall, on the return trip, drove into Alliance in 38 minutes. The distance is 21 miles, and this is the best time the trip has been made.

District Court Doings.

The regular term of district court convened on Monday afternoon, Judge Harrington presiding and C B Scott reporting. The cases disposed of up to this afternoon are as follows:

State vs Albert Underwood, assault, dismissed.

State vs Wm. Akin, criminal, defaulted, and bond of \$250 forfeited.

State vs Urban Zediker, grand larceny. Continued.

W M Wilson was granted a divorce from Missouri Ann Wilson and plaintiff given custody of children.

Edna Maycock was granted a divorce from Thomas G Maycock.

In the case of the First National Bank vs Geo F Hedgecock, the jury after deliberating for several hours, returned a verdict in favor of defendant. This was a case wherein the bank bought a note of \$210 from a stock food agent. Hedgecock alleged the note was a forgery. The bank will ask for a new trial.

The case of C L Hashman vs James, John and Thomas Leith, for damages sustained by a prairie fire, is now on trial.

Eighth Grade Graduation.

Next Friday night the eighth grade graduating exercises of the public school will take place at the opera house. Pupils will render an interesting program and Professor J. W. Crabtree will deliver a lecture entitled, "Ideals and Growth." The nominal sum of 10 cents admission fee will be charged to defray expenses of use of the hall.

A New Firm—Bye-Huss

L. E. Bye, who conducts the confectionery and cigar business on lower Box Butte avenue, has sold an interest in the business to Charles Huss, of the wagon cafe, and the firm will be known as Bye & Huss. Mr. Huss has employed a Mr. Joslyn, an old-time acquaintance from Iowa, to take his place in the wagon.

Miss Lettie Carey, of Hemingford, was the guest of Mrs J A Hunter last Saturday and Sunday.

Dr. Copey met with a breakdown last Monday while on a professional call in the northeast part of the county. His faithful auto was pounding along merrily toward the home of his patient, when all of a sudden one of the rear wheels flew off the machine and went spinning ahead on the road. A broken axle was the cause of the mishap. Luckily, Dr. Copey was not injured in the mixup that resulted, but he was quite a distance from home and had to have the "runabout" towed to town, after walking a mile and a half to the nearest phone for help.

Nonpareil precinct was largely represented at the county hub last Tuesday, among the visitors being Emory Abley, who was called here to serve on the jury at district court but dismissed on account of sickness at his old home, L. F. McCarthy, Peter Swanson also a juror at this term of court, J. P. Christensen, who had taxes to pay and other business matters to look after here, and Geo. Loer, whom Governor Sheldon recently appointed stock inspector in Nonpareil precinct.

H. H. Reimund, principal of the high school, will leave next Sunday for the eastern part of the state, going by way of Sidney. Mr. Reimund will make a tour of the east during the summer months in company with a vocal quartet with which he has been associated before. His three months' vacation will not be idle occupation by any means, as he has school work to pursue in addition to this tour.

The Alliance high school ball team trimmed up the Sidney school team at that place last Saturday by a score of 4 to 2. This is the second game won off from Sidney and it goes a good ways to smooth over the drubbing the city team got from the Sidneyites last Sunday. Another game will be played soon between these teams at this place. Beach and Taylor were in the box for Alliance in the game Saturday.

Fred Betzold has prepared to cater to the public in the way of dispensing soft drinks at his corner building. He opened his place of business for that purpose last Saturday. A fine soda fountain will also be installed in a short time and Mr. Betzold will go to Denver to purchase the same next week. It will be a popular resort for both ladies and gents when all arranged.

Fred Young departed Saturday night on 44 for a visit with relatives at Lincoln and also a trip to Omaha. We acknowledge the postals coming from our friend Fred and they are surely suggestive of what we are coming to automatically. Already we have learned to climb trees with the frisky critter.

Neil Boone don't pay much attention to the close times and goes right along buying and selling cattle. Recently he purchased 200 head of mixtures from Powell Jesse and 100 head from Jacob Jesse. Yesterday he delivered 100 head of cattle at Bingham to C. A. Anderson.

The second story of the sisters' academy is well along and lathers are at work on the basement and first story. St. Agnes academy, which is the name given the new school, will soon be under roof and will be a most imposing structure.

Joe Smith was over at Bridgeport last Saturday where he superintended the erection of a fine soda fountain, the finest of the kind in the town. Joe's reputation as a soda fountain man is wide and far.

County Attorney Porter of Dawes county attended court here a couple of days, returning to Crawford Wednesday afternoon. Mr. Porter was accompanied by his wife and who visited Alliance friends.

Mr. and Mrs. J. G. Kennedy desire to thank their neighbors and friends for the kindly assistance tendered them during the illness and death of their beloved daughter, Evangeline.

Mr. and Mrs. Bert Griggs of Buffalo, Wyo., visited G. L. Griggs and family from Tuesday to Wednesday on their return from a trip to Lincoln.

Thirty soldiers from Fort Omaha passed through the city on 41 last Sunday bound for some point in Alaska.

HON. W. J. BRYAN

will speak at Alliance on the evening of
JUNE 1ST

Mr. Bryan and party will arrive at Crawford from Chadron on a special train at noon, leaving on a special at 3 in the afternoon of that day, arriving in Alliance about 5:30. The train will make short stops at Marsland and Hemingford, for those who desire to come to Alliance. Mr. Bryan will spend the night in Alliance and leave the next morning for the Platte Valley.

A large delegation headed by Mayor Smith will go to Crawford on the morning of the 1st and return on the Bryan special in the afternoon. Crawford will also send a big delegation, accompanied by a band, to Alliance. Everybody is invited to join the big crowd and meet our distinguished Nebraskan, who will be nominated for President at Denver next July.
