The First National Bank has no clients but its customers and no interests to conserve but those of its clients.

If success in banking be measured by service rendered, then the First National Bank shall take the first rank.

### Crushed to Death Between the Cars

E. E. Daughtry, a brakeman, was killed at Ellsworth Tuesday while engaged in switching. His head was crushed and death was instantaneous. It is said that the engineer carelessly shut off the air from the brakes, letting the cars plunge back suddenly upon the brakeman while he was coupling cars. The remains were brought to Alliance on 43 and prepared for burial by Undertaker Darling.

The unfortunate young man came to this city from Chadron about a year ago and made his home at West Lawn with his wife and two children.

Mrs. Daughtry, who was visiting her parents at Chadron at the time of the accident, arrived here yesterday, with her parents, and removed the body of her husband to Chadron.

### Arrested for Forgery.

Ed Walsh, alias Andy Cross, was apprehended at Bridgeport yesterday afternoon by Sheriff Wiker and Ed Eldred and brought back here for forging the name of Charles Tully to a \$25.00 check on the Alliance National bank, which Eldred cashed for him Tuesday. Walsh stated that he had worked for Mr. Tully who gave him the check in payment. When the check reached the bank, Cashier Harris recognized at once that it was not genuine. Mr. Tully was phoned to and substantiated the bank's suspicion. Word was received from Mike Haggerty at Bridgeport that Walsh was there but on arriving on the scene, Sheriff Wiker and Mr. Eldred found he was not the man. Just as the belated Denver train was pulling out, Walsh was discovered on the platform of a coach and dragged after a lively scuffle. He still had \$15 of the money in his possession. The prisoner is now in the county jail awaiting preliminary hearing.

### Alliance Wins from Sidney

Did you ever stop to consider how a baseball "fan" is developed? Well, if you had witnessed the game between Alliance and Sidney on the local field last Monday you would have reason to know why it is that staid business men will neglect their business, throw their hats into the air and otherwise disport themselves like a "two-year old."

With the determination to win the first game of the season from the home team, the Sidney players found themselves outplayed at every stage of the game. Owing to previous rains and threatening weather, the crowd was not as large as it would have been under more favorable conditions.

The battery of the Sidney team is a good one. Pettie, who made three hits for Sidney, is a good player and sure hitter. All the Sidney players distinguished themselves by clean playing and manly qualities.

Dr. Copey pitched for Alliance and, of course, covered himself with glory. Freer gave Copey good support behind the bat. Wall, Steele and Muntz were "stickers" from "way back," each securing two hits. Grimstead at first was the right man in the right place. Wall at second and Morris at third were up on their toes and in the game all the time. All the players are deserving of praise and Alliance may feel proud of her ball team.

There is some talk of forming a base ball league of teams from Bridgeport, Scottsbluff, Mitchell, Bayard, Guernsey, Crawford, Alliance and Sidney.

Following is the score by innings:  
Alliance.....00210004 \*7  
Sidney.....0002013006  
Hits—Alliance, 10.  
Hits—Sidney—6.

### Advised of Friend's Death While Addressing Audience

A pathetic incident occurred during the course of Mr. Bryan's speech in this city last Monday evening. Just as he was engaged in the presenting of an important in his speech, which held the close attention of the large audience, a messenger boy slipped up to the orator and handed him a telegram. Mr. Bryan stopped, tore open the envelope, and after glancing over the few words written on the telegraph sheet, drew his hand over his eyes as if in sudden grief. It was several minutes

before he could announce the information which he had received of the death of Senator James K. Jones of Arkansas which occurred a few hours before in Washington, D. C. Mr. Bryan's voice trembled and it was apparent that he was crowding back tears of grief over death of a bosom friend. The speaker told in a few words of the friendship that existed between Mr. Jones and himself, and promised to speak at some other time on the life of the old war horse of democracy.

### BEAUTIFUL WEDDING

### Hively-Rumer Nuptials Solemnized Last Evening in Presence of Large Circle of Friends.

One of the most beautiful weddings to occur in Alliance was that of Mr. Floyd Alon Hively to Miss Florence Elizabeth Rumer which was solemnized last evening at eight o'clock at the home of the bride's parents, Mr. and Mrs. W. D. Rumer, on Cheyenne avenue. The ceremony was performed by Rev. Graves of the Episcopal church, in the presence of a large number of friends.

The bride and groom were attended by Mr. and Mrs. W. T. Schlupp, with Arlene Birdsall and Hannah Cotant as ribbon bearers and Master William Cotant carrying the nuptial ring in a beautiful lily, the handiwork of nature. The scene of these young people entwining their love at the threshold of life's journey was most impressive. Every decorative feature of the surroundings was pleasing to the eyes of those present who after the sacred words had been pronounced extended congratulations and best wishes.

Mr. and Mrs. Hively are so well and favorably known that words of praise from us would only be superfluous. They have sustained their good names by their kindness and height of character. The groom has resided in Alliance for a number of years and holds the position of chief clerk to General Superintendent Allen of the Burlington. The bride has spent most of her young life in this city and is admired by a host of friends for her pleasing demeanor and lady-like character. It is in a spirit of personal esteem that we are pleased to offer congratulations to this young couple.

The wedding gifts were many and beautiful.

Mr. and Mrs. Hively departed on the morning train for a wedding tour which will include a visit to Detroit, Buffalo, New York and Washington, returning by way of St. Louis in about two weeks.

There were several out-of-town guests at the wedding, among those being Mr. and Mrs. J. Cass Cornell of Ord, Mrs. J. J. Adams of Milwaukee, Miss Marguerite Allen of Chicago, Mr. and Mrs. G. M. Banks of Moomaw, J. S. Tupper of Hardin, Mont., and R. G. Holden of Sterling, Colo.

Mrs. Frank E. Moores, widow of the former mayor of Omaha, spent a few days in Alliance, returning to her home in Sioux county Wednesday. The object of Mrs. Moores' visit here was to defend a contest which was entered against her homestead by W. H. Buckley, and the case was heard at the land office Tuesday. Broome & Hamilton represented the plaintiff, and E. H. Boyd looked after the interests of the defendant.

S. A. Albro, the genial representative of the John G. Woodward Co., in this territory, has been named as a special officer for the national democratic convention. Mr. Albro received notification of such appointment this week from Sargeant-at-Arms Col. John I. Martin, of St. Louis. Mr. Albro, who was chief of police of Council Bluffs under Mayor Jennings' administration, has had much experience in handling large crowds and he will fill the place in a creditable manner.

Hon. W. H. Thompson, the well known attorney of Grand Island, spent yesterday in the city, appearing as counsel in a contest case before the land office for a Mr. Miller whose homestead in the vicinity of Angola had been contested. Mr. Thompson had not visited Alliance for about four years and was greatly surprised at its remarkable growth and metropolitan appearance. He located at Grand Island when it was not half as large as Alliance, and he says that the trees we now have show up much better than they did at Grand Island when he located there.

We are are out for business. See our prices and our stock of both Omaha and native

### Dip Your Sheep The First of June

Dipping sheep is an operation that is performed once a year only as a rule and it is important that this once should prove effective.

The right sort of dip is one that should destroy all insects or parasites and should have a healing and tonic effect on the skin without any possibility of injury.

**ZENOLEUM** meets all these requirements. We believe it is the best one made.

### Why you wear a smaller size in a Hanan

The foundation upon which a shoe is made is the last—most shoe manufacturers use lasts having a regular standard measurement, that's why so many shoes you wear do not fit, but are tight in one place and too loose in another.

The Hanan last is made on a more enlightened plan—not to so-called standard measurements, but to Hanan measurements that are based upon half a century's careful study of the true proportions of the human foot.

In Hanan shoes extra room is provided the big toe joint—the place where most shoes bind.

The original last—the one from which all the various sizes and widths are graded, is made by a Hanan. Around that last is made the Hanan shoe, from the best leather, by high-priced, skilled workmen but always the Hanan individuality.

#### Death of Mrs. Beck

The funeral of Mrs. Emeline Beck, aged 77 years, was held at the Methodist church in this city last Sunday at 1 p. m., Rev. J. L. Vallow, pastor of the church, officiating. Interment in Greenwood cemetery.

Mrs. Beck was a native of Ohio, and came to Nebraska about four years ago and made her home with her son Willis, about twenty miles south of Lakeside. Dropsy was the cause of death.

Mrs. Beck is survived by three sons and one daughter.
