# AUTO PLUNGES INTO RIVER

FOUR PERSONS DROWNED IN AC-CIDENT AT NEW YORK.

Brake Falls to Work and Car Bounds from Open Pier Into North River, at the time of the snooting. Turning Turtle and Holding Victims Fast in Their Seats.

mobile, carrying a pleasure party of have got you. six, became unmanageable, shot at wild speed down West Fifty-sixth street and bounded from an open pier into the North river. The machine turned over in its plunge from the pier, holding the four victims fast in their seats.

The dead are; Adeline Berdon, aged nineteen years; Mrs. Rose Coleman, aged twenty-three years; John Coleman, aged eight years; Virginia Knight, aged eight years.

John Bauer, the chauffeur, was carried into the river with the machine, but managed to free himself and the party, jumped from the runaway machine as it neared the end of the dock. Bauer was taken into custody by the police.

After taking his employer home, Bauer invited his friends for a pleasure ride. With the party he ran the machine down Fifty-sixth street at fair speed, intending to go out on the dock. In some manner the brake falled to work and the machine began to skid. Down the dock it flew and Nolan leaped just in time. The four victims were carried down into the water and, though two 'young men who were standing on the dock at the time made repeated efforts to rescue the drowning persons by diving for them, they were unable to do so. The this morning.

After swimming to the pier, Bauer went to the relatives of the four drowned persons and notified them of

#### WORST OF FLOOD IS OVER

Kaw and Missouri Rivers Are Falling at Kansas City.

Kansas City, June 16,-The Missouri river has begun to fall and the stage. The crest in the Missouri was reported at Omaha will be lost long before the water reaches here. Only

enough to ao any damage. During the next thirty-six hours, according to the weather bureau, both rivers will fall slowly, the Kaw, however, more rapidly than the Missouri, Most of the railroads are using the Grand Avenue railroad station, although the water did not come up into the Union depot. The Alton, Burling-

ton and Missouri, Kansas and Texas are starting their trains and unloading their passengers at Sheffield, on the eastern boundary of the city, involving a street car ride of four miles to reach the center of the city.

#### MIMIC WAR IN NEW YORK

Regulars and Guardsmen Ready to Repel Naval Attack.

New York, June 16 .- Six thousand regulars and National Guardsmen are on duty in the forts of New York harbor preparing for a naval attack from either the sea or the sound approaches to New York. The forts are closed to visitors and the men are being drilled in handling the guns and in tactics for coast defense work, which are kept as secret as possible.

The more important work is being done in Forts Hamilton and Wadsworth and the Narrows, for it is believed that the fleet of mine layers' tugs, representing a hostile naval force, will endeavor to force their way up to the city from the sea.

Body of Dr. Whisler Found. Ashland, Neb., June 16 .- The body of Dr. Charles C. Whisler, who was drowned by the capsizing of his motor boat in the strong current of Salt creek during the high water last week, was recovered near the mouth of the stream. The recovery was made by four young men of this city, who explored the creek from the scene of the tragedy to the mouth of the stream. The body was found in an overflowed cornfield about 200 feet from the

Arguments in Land Fraud Case. Washington, June 16.-Arguments to the jury were begun when the trial of Messrs. Hyde, Dimond, Benson and Schneider, charged with conspiracy to defraud the government of timber lands in the west, was resumed. The opening statement was made by Assistant Attorney General Pugh for the government. The arguments will consume about four days.

Two Killed by Live Wire. Lawrence, Kan., June 16 .- J. E. Hall of Lawrence and Dan Matthews of Arkansas City, Kan., the latter a university student, were killed by a live electric wire at the university. Both were at work on the new engineering building. Hall was superintendent of construction on the build-

#### FARMER SLAIN BY HIS WIFE

Woman Fires Fatal Shot from Second Story Window of Their Home.

Jasper, Mo., June 16 .- Charles Ray a farmer living near Jasper, was shot and killed by his wife, Fanny Ray, shortly after noon. The fatal shot MACHINE SKIDS ON THE DOCK was fired from the second story window of the Ray home, a shotgun heavily loaded with buckshot being used. Ray was carrying a shotgun himself

Ray had left the field and was going into the house yard, carrying a double barreled shotgun. Upon see-New York, June 16.-Four persons ing his wife at a downstair window, were drowned last night when an auto- he is alleged to have said: "Now, I
