of Watson's store. JOHN O'KEEFE.

Heavy Damage by Rain Storm

The storm of rain, sleet and snow, which prevailed over a greater portion of the west last Sunday, Monday and Tuesday, did its share of damage in and around Alliance. It is said to have been the heaviest fall of moisture in these parts for many years, and streets and excavations all over the town were more or less filled with water. The heaviest loser as a result of the storm here is A. D. Rodgers, who loses from \$500 to \$1,000 from damage of stock stored in the basement of his business block. Owing to the lack of sewerage to carry off the rainfall, the gutters at the north of the building were flooded and the water swept through a window that was destroyed by its force. Mr. Rodgers has not, as yet, made an investigation of his loss in detail, but it will very likely amount to \$1,000. Following the heavy rain, cold weather set in yesterday and Tuesday night there was a heavy frost that no doubt did considerable damage to the potatoes still remaining in the fields.

The Horace Bogue store too suffered damage from the flood. Mr. Bogue uses the basement thereof for storage purposes and water poured through the west side of that to the extent that a thousand dollars worth of hosiery and other goods were water soaked and damaged and will have to be disposed of at a sacrifice. We are informed that this damaged stock will be put on special sale in a short time.

The estimated amount of precipitation was 2 1/2 inches during this rain-fall.

Change of Railway Agents

G. H. Wright, who has been agent for the Burlington at Alliance for the past year, has tendered his resignation and will leave in a couple of days for

Denver where he will have charge of the yards for the Colorado & Southern Co. The Burlington never had a man here who gave better satisfaction than has Mr. Wright; a hustler and a thorough railroad man, always pleasant and accommodating, popular with the public and his fellow employees. The change is made owing to the increased salary and preference of living in Denver where himself and Mrs. Wright resided for several years before coming to Alliance, however, both say that nowhere have they formed acquaintances and friendship which they value more than at Alliance and we know that they have many friends here who sincerely regret to see them leave.

Mr. Wright will be succeeded by Mr. Campbell who has been yardmaster at Edgemont.

Nebraskans Lucky

Nearly half of the winners in the federal land drawing at Dallas, S. D., prove to be residents of Nebraska. The only ones from this section whose names appear on the list are William S. Armstrong, of Hemingford, who drew number 1041; Helen M. Dales, of Chadron, No. 732 and Christian Zeigler, of Rushville, No. 767.
