

# CROWN PIANO

YOU'LL find in buying musical instruments that the greatest economy and surest satisfaction come from buying the product of men who are in love with their work. This is my reason for offering you Crown Pianos and Crown Combinolas. Anyone who knows about the men and the factory of Geo. P. Bent Company, makers of Crown Pianos, knows that there is nothing too good to use in their instruments. Whenever you buy a Crown Piano of me you are absolutely certain of always being satisfied; they keep their tone and last indefinitely. I feel very safe in selling them.

## Farm Help Supplied

Under the statutes the Deputy Commissioner of the Bureau of Labor and Industrial Statistics is made manager of a free employment bureau, where applicants for positions may file applications and where those wanting help may make the fact known. The employment bureau is thus made a sort of industrial clearing house. Unfortunately, the legislature has never made adequate provision for the maintenance of this employment bureau, and it has never been pushed as it should be. Deputy Commissioner Maupin has hopes, however, of securing the necessary support. In the meantime, he suggests that Nebraska farmers who may be desirous of employing farm help communicate with him, as he is in receipt of numerous inquiries from men who want to secure employment on farms. The service is absolutely free, except that those writing should enclose stamp for reply. Address all communications to the Bureau of Labor and Industrial Statistics, Lincoln, Nebr.

### Fairview

It was our pleasure to visit Fairview the fore part of the week, and attend services at the church, the members of which and of the neighborhood are to be congratulated on the beautiful and substantial building that they have erected. The interior of the building, especially, is tastefully finished and being comfortably seated makes a very desirable place for the people to attend services. Special meetings are being held this week in which Rev. Benjamin Kuhler of Hemingford is assisting.

### Deuel County Wins Prize.

(From Oshkosh Herald.) John Mevich of Lewellen won two grand championships on graded hogs at the big stock show at Denver last week. Mr. Mevich captured two of the highest prizes awarded at the stock show, and in competition with hogs from all over the United States. This makes the third successive time he has carried off highest honors. This shows that the finest hogs on earth can be raised in Deuel county. Mr. Mevich also took three first prizes and two seconds. Deuel county carries off several of the best prizes every season, and we are getting bigger and better each year.
