## Busy as Bees.

James Graham and his belpers are as busy as a hive of bees this week moving his grocery and meat market from the second door west of the post office to the Rumer building, formerly occupied by Lockwood's furniture store, on the northwest corner of Box Butte Ave. in English and Father Reusing of West and Montana St. While the moving incurs a large amount of labor, he will no doubt be repaid by an increase in business, as his new location is an ideal one and he is planning to put in a larger stock of goods.

Mr. Graham has shown his enterprise and energy in building up a good trade and this move is but another step in the direction of enlarging it.

The game was the fastest and the fierc-

At the close of the first half of play the score stood 15 to 14 in favor of Alliance. This half was marked by the fiercest playing with considerable fouling, the majority of fouls being called on Alliance. The crowd was on its feet all of this half, vainly ... Rev. Clare Mewhirter played in his stead, and his work was gilt edged. Seven field goals are on the credit side of his account. Capt. Phil Nohe did star work in getting and passing the ball as well as in throwing foul baskets. Six fouls and a field basket was his share of the scoring. Shay, who has never been outjumped by any opponent that he has met, played his usual strong game. Ten of Alliance's points are due to him. While the work of the Alliance guards does not show in the score, their strength is shown in the fact that our opponets score is less than our own.
