Double Wedding

A happy event took place last evening at the residence of Mr. and Mrs. F. W. Buchman on North Box Butte avenue, when Rev. J. L. Vallow pronounced the words that united for life, as husband and wife, the destinies of two couples, Clyde H. Johnson and Miss Ina C. Green, and Daniel R. Davie and Miss M. Victoria Kohrman. A number of the friends of the contracting parties were present. The ceremony was at 8:30 o'clock, after which a sumptuous repast was served.

These young people have many friends in Alliance who will unite with us in extending congratulations and best wishes. Mr. Johnson is a Burlington brakeman, but has a claim in Sheridan county about 18 miles northeast of this city. He will resign his position with the railroad and he and his bride will take up their residence on the homestead. Mr. Davie is foreman of the stockyards here, and he and the new Mrs. Davie will reside in the city.

Session of Box Butte Presbytery

Rev. Dr. Bogue returned Monday from Valentine, where he had been in attendance at the annual session of the Box Butte Presbytery of the Presbyterian church. Upon request of The Herald reporter he kindly furnished some information that we are sure will be of interest to our readers:

The Nebraska synod is divided into six presbyteries. The Box Butte presbytery covers the northwestern part of the state. It is 70 miles wide, north and south, and 180 miles long, east and west, covering 12,000 square miles. A large part of this territory is sparsely settled, but the work of the church is in a prosperous condition. Four new churches have been organized within the presbytery during the last year.

At this session commissioners were elected to the general assembly, which will convene in Denver, May 20th, for a ten days' session. Rev. Cecil Phillips of Minatare being the ministerial and

L. R. North of Bridgeport the lay commissioner. Officers of the presbytery for the ensuing year were elected as follows: Rev. Thos. Price of Rushville, moderator; Rev. J. D. Burke, Bridgeport, temporary clerk; Rev. H. P. V. Bogue, Alliance, stated clerk.

Eastern Star Officers Elected

At the meeting of Alloyah Chapter No. 185, Order of Eastern Star, on Tuesday evening, the following officers were elected: Mrs. Emma Beckwith, W. M.; Ira E. Tash, W. P.; Mrs. Mamie Matthews, A. M.; Mrs. Cora Lewis, Sec.; Mrs. Helen Rowan, Treas.; Mrs. Flora Gaddis, Cond.; Mrs. Anna Roup, A. Cond.

The installation of officers will take place Tuesday evening, May 18th. Peter Rubendall, P. G. P., has been invited to act as installing officer. He was P. G. of this state when this chapter was instituted in 1904 and issued the dispensation for its institution, and it has been a great pleasure to the members to invite him to officiate at the installation next month.

At the close of the meeting on Tuesday evening W. M.-elect, Mrs. Beckwith, and the W. P.-elect, Mr. Tash, invited the members to partake of ice cream at Holsten's, which they did at the expense of the two officials-elect giving the invitation. The occasion was greatly enjoyed by all participants.

In the Swim Again

As announced in The Herald, the management of the Crystal, after the fire last week, telegraphed for a complete new outfit and on Thursday evening opened temporarily in the Phelan opera house. It was expected that there would be a good attendance, and in this no one was disappointed. There were two performances during the evening. At the first the opera house was packed and a large crowd waited in the hall for the second, unable to gain admission to the first. On account of the crowd that blocked the entrance, the rear doors were opened to make an exit for those who wished to leave after the first performance

without waiting for the second.

The gentlemen, who have charge of the Crystal, have spared no pains to make it first-class and up-to-date in every respect, and we are pleased to see their efforts appreciated by the public. As will be seen by their announcement in this issue of The Herald they are still holding forth at the Phelan, with new attractions.
