Our Report to the Public

The annexed report speaks for itself, showing, as it does, a footing of over a half million dollars. We realize that the most valuable asset of a bank is that of Public Confidence. We have always furnished our depositors every safeguard and protection for their funds, and we shall continue to do in the future as in the past.

Obituary

Miss Ida May Donald was born in Pittsburg, Pa., February 12, 1850, and died in Alliance, Nebr., July 20, 1909, aged 59 years, 5 months and 8 days. On May 16, 1871 she was united in marriage to Mr. George Nelson Hoag, who, after sharing his sorrows and contributing to his joys for more than 38 years, she leaves to mourn her departure.

Four daughters and two sons blessed the union now outwardly broken by death. Of these, all remain save a son, Edward, who was called from this life last November. Thus, within the period of eight months, death has twice invaded this home, at each visit bringing with him an overflowing cup of bitter sorrow. May the dear Lord tenderly sustain those to whose lips such draughts are pressed.

Mrs. Hoag moved to Iowa in 1869 and in 1871, with her husband, to Nebraska, whence, in 1902, they emigrated to Council Bluffs, Iowa, where they resided until last March, when they came to Alliance, the scene of her triumphant victory over "the last great enemy."

For many years she lived in the fellowship of the Methodist Episcopal church in which she was raised. She later united with the Lutheran church. In the work of the church she took a deep and very active interest. She was a fine musician and the musical department of the church was greatly enriched by her proficiency. She was also active in the work of the ladies' auxiliaries of the church. The esteem in which she was held by those among whom she had labored was beautifully shown during her short stay in California, when each member addressed to her a souvenir postal card inscribed with sentiments of tender, sympathetic and prayerful regard.

Her patient suffering from an invalidism, extending through a period of twelve years, was forever punctuated and richly rewarded when last Tuesday the King of Day hurled arrows of gold through the gates of dawn, the gates of pearl silently opened and she entered to abide in the pavilion of God's ineffable glory where she awaits the coming of those who bewail her departure.

A Trip to New York

J. B. Gray of the firm of Gray & Guthrie, general agents for northwestern Nebraska for the Equitable Life of New York, left today to attend the celebration of the Semi-Centennial of the founding of this great company. He goes over the Burlington to Chicago and leaves that place on a special train Saturday afternoon, arriving in New York Sunday noon, and will stop at the Waldorf-Astoria in New York, a room having been engaged at that hostelry for each agent attending the celebration. A trip on the Hudson will be enjoyed on Monday up as far as West Point on a specially chartered steamer and the balance of the time will be spent in attending a convention of the general agents. As this trip is only given to those who have earned it by successful work it is quite a compliment and an honor to be one of the chosen, as well as to the country or territory from which he comes.

As both members of the firm cannot be away at the same time, Mr. Guthrie, who attended a convention of general agents in Chicago in March, will remain at home to look after the firm's interests.

Creamery Business Increasing

The business of the Alliance Creamery and Produce company continues to grow. The amount of butter churned during the first six months of 1908 was 75,280 pounds; for the first six months of this year it was 120,591 pounds. If the last six months show the same rate of increase, the output will be approximately 255,000 pounds, or about 375,000 pounds for the year. About \$10,000 per month is now being paid for cream.

This is certainly a very favorable showing and one that is pleasing to persons who are interested in the development of this country. The indications are that the growth of the business will continue for many years yet.

For Sale—All household goods for sale within one week on account of removal from town.—W. C. Taylor.

LOCAL PARAGRAPHS.

Postmaster Walker of Hemingford had business in this city Tuesday.

The correct proceeding of the county commissioners will be found in The Herald.

Miss Alice Carlson departed last Sunday for a month's visit with her brother at Helena, Mont.

Mrs. A. D. Weir of Homestead in the west part of the county is visiting in Omaha this summer.

Mr. Allen of the Mitchell Index stopped between trains in Alliance last Saturday. He was enroute to York.

Henry Carey left last Wednesday morning for a trip along the Pacific coast and will be gone for several weeks.

Miss May Shrewsbury is spending her summer vacation among the mountains of Montana, certainly a delightful place for this time of the year.

Another gasoline blaze in a cottage on Missouri avenue called out the fire department. The fire was extinguished before much damage was done, the loss being about \$40.

John Pilkington was appointed by the county commissioners to check up the county assessor's work and make out the report of this county for the state board of equalization.

Mrs. Wm. J. Johnston of Alliance, sister of W. G. Kellar, visited here over night on her way home from a visit to her home in Deadwood.—Edgemont Express, July 16.

Miss Loemna Swoyer of Lakeside submitted to an operation for the removal of a toe last Sunday. A local anaesthetic was given. She withstood the operation well and is making a rapid recovery.

Mrs. Harry Brown, of Lakeside, was the victim of an accident yesterday. She was struck on the head by a washing machine and it was feared for awhile that paralysis might result, but she is now well on the road to recovery.

Miss Ida Bowles, of Hastings, Nebr., a sister of Mrs. Harry Johnson, is temporarily filling the position of Miss Alice Carlson as stenographer at the C. B. & Q. storehouse, while the latter named young lady takes her vacation in the mountains of Montana with Miss Shrewsbury.

Mr. and Mrs. W. N. Reddish and Mr. and Mrs. Drake, all of Mulvane, Kans., left Monday for Seattle, after a few days' visit at the home of R. R. Reddish, fourteen miles southwest of Alliance. They will make several more stops to visit friends, enroute to the exposition city.

Real Estate Broker Jones of Hemingford started to make a trip to Sidney Monday, stopping off here between trains. While here he decided that he had gone far enough south for this kind of weather and returned home Tuesday morning, leaving his Sidney visit for some other time.

Last week we mentioned that Sturgeon & Young had sold their dray line to Ernest Herbert and that the latter would take charge soon. It was the intention to make the change on the 15th of this month, but on account of other matters to be attended to the former proprietors will retain charge of the line till August 1st.

We notice by our Sheridan county exchanges that our friend, A. D. New of Ellsworth is one of five candidates for the democratic nomination for sheriff of that balwicks. We are not acquainted with the other candidates, but we are with Mr. New and hope to see him win out. In our opinion he is competent and worthy of the office, and if elected will make a splendid sheriff.

Capt. W. R. Akers gave a very interesting lecture on Mexico at the Methodist church Sunday evening to an appreciative audience. Mr. Akers, who is one of the ablest speakers of the west, gave an excellent description of the grand old city, its cathedrals and historic structures. One could almost feel as they followed the speaker that they were with him crossing the Rio Grande or viewing the grandest scenery of the oldest country of the new world.—Scottsbluff Republican, July 16.

Special Commercial Club Meeting

Mon., July 26, 8 p. m.

President H. M. Bushnell, of the State Association of Commercial Clubs, will speak at a special meeting. Everyone invited. The meeting will be very interesting and will be held in the Club office.

Another partnership has been formed for the purpose of engaging in the real estate business in this county, composed of L. M. E. Anderson and J. O. Donovan, under the firm name of Anderson & Donovan. They have not yet opened an office, but will conduct their business until they can secure a down-town location. Their telephone numbers are 394 and 696. We wish them success in their real estate venture.

Box Butte County Fair

We cannot at this writing announce the dates for the county fair this fall but wish to assure our readers that it is a sure go and ask them to begin preparing exhibits.

Full particulars next week, including dates we think.

The soliciting committee secured subscriptions for 170 shares at \$25.00 each the first four hours of their work.

Married

Mr. H. C. Covalt and Miss Nellie M. McDermott, both of Morrill county, were united in marriage at the M. E. parsonage at Alliance at noon, July 21, '09, Rev. J. L. Vallow officiating.

The Herald joins their many friends in wishing them a prosperous and happy married life.

NORMAL NOTES

The graduating exercise of the Alliance Junior Normal will probably be held Thursday evening of next week and Principal Hayes hopes to secure Governor Shallenberger to give the graduating address. In case the Governor cannot come the address will be given by Chancellor Avery of the State University. Note the date and plan to attend.

Rev. Bogue conducted devotional exercises Wednesday morning. During the former sessions of the Junior Normal Rev. Bogue visited the school and was greatly interested in its welfare but this summer he has been absent from the city and while we felt that his heart was with us we regretted that it was impossible for him to be with us in person.

The Junior Normal examinations will be given Wednesday and Thursday of next week.

County Superintendent Agnes Lackey of Scotts Bluff county has charge of the work in school law and course of study this week. The work in school law is regarding teachers' contracts and reports and Miss Lackey is emphasizing the necessity of making out the necessary reports correctly and at the time specified by law. Laxness in these respects on the part of the teacher results in great inconvenience to the county superintendent, and no teacher should be paid in full until the reports required by law have been made.

Three book men, agents for as many text book companies, visited the normal Monday for the purpose of showing the merits of their various publications to the instructors. Nebraska is blessed by having as fine a lot of text book men as any state in the union and they are always welcome visitors.

Rev. Godfrey of the United Presbyterian church visited the school Tuesday and conducted the devotional exercises. Rev. Godfrey came to Alliance only a short time ago and this was his first visit to the normal. We are sorry he did not arrive sooner so that we might have become better acquainted with him before the close of school.

Little Miss Stella Parker entertained the normal students at chapel Wednesday by reading a selection, the name of which we have been unable to learn. Miss Stella shows considerable ability for one of her age.

Get ready for the great Box Butte County Fair.

Remember the Fair.
